

# UD for Kids 2021

UD for Kids is an enrichment opportunity for students in grades 1-7. Students will build reading and math skills while taking courses in the areas of science, math, engineering, visual and performing arts, aviation, and culinary arts.

Guardians/parents can go to [www.dbq.edu/udforkids](http://www.dbq.edu/udforkids) to learn more and complete the application process for their child to participate in this summer opportunity.

All students, grades 1-7, are welcome!
