BEHAVIOR GRADING SCALE

SYMBOL	DESCRIPTION/DEFINITION
E	Excellent
S	Satisfactory
N	Needs Improvement

BEHAVIORS THAT PROMOTE/SUPPORT CAREER READINESS

Assignments (Completeness, effort, timeliness of submission)
Personal Management (Time on task, classroom choices, attention in class, participation, functions independently)
Preparedness (Appropriate materials, organization)
Citizenship (Safe, Responsible, Respectful)

- Middle School Report Cards will have:
 - Proficiency scores for each course. Please DISREGARD these and focus on the Proficiency Scores for each Standard.
 - Behavior grades that promote and support career readiness. (Behavior grades do not calculate into the proficiency scores.)
- Standards are graded on a scale of 1-4.
- Comments may be provided in each subject area.
- Summative Assessments are given after learning has taken place to evaluate the depth of understanding.
 - Summative Assessments are the only assessments that will calculate into the overarching standard.
 - The number of summative assessments will vary in each class and grading period.
 - Each summative assessment will have an opportunity for students to score a 4, even retakes.
 - Students will have multiple opportunities to show proficiency on summative assessments. Opportunities will expire 2 WEEKS after the 9 week grade report has been received.

Have you activated your ParentVue Account? This allows you to view your student's performance online 24/7. If not, please contact the school office. Once activated, to examine your student's performance, follow the steps below:

1. www.eaglepnt.k12.or.us Click on ParentVUE
2. Enter username and password
3. Select Child (Student)
4. Click on Grade Book.
5. Click on a class to view. The assignments will appear. Click on an assignment for more details. Please know that the assignments are not calculated for the Proficiency Score. (Assignments are formative assessment)
6. To see what is calculated for the Proficiency Score, select assignments that are designated as "Summative." This reflects proficiency assessments your student has completed.

For a quick look at missing assignments, click on the "Calendar" and missing assignments will be marked with the word "missing" in red.
