

PHYSICS 1A

Unit 1: Science Standards

- You should be spending at least **60 minutes** a day on Physics Curriculum.
- Just watching the video notes and taking the post assessments may not be enough to understand the material. **Completing** the note taking guide is highly recommended.
- Seeking help if you are not passing your post assessments and/or practices is essential.
- If you are behind you **MUST** spend additional time on Physics to catch up and meet due dates!
- If you cannot meet a due date, extensions must be requested and approval received **in advance**.
- To keep on track Unit 1 should be completed by September 7.
- .
