to shine

A photograph of a hospital isolation ward. The ward is a long, brightly lit room with a checkered floor. On either side of a central aisle, there are rows of hospital beds. Each bed is completely covered with a white sheet, and the head of the bed is enclosed in a white plastic enclosure. A person in a blue shirt and dark pants is walking down the aisle, talking on a mobile phone. Another person in a white lab coat is standing near the end of the ward. The room has large windows on the right side and a high ceiling with recessed lighting.

**Isolation Ward ~
section of a
hospital where
infectious
patients stay**

Chronological ~ organized in order of time, the order in which something happened

Lesson 8
