

Unit 16 - Animal Systems - Coloring Book

INSTRUCTOR:
no_reply@example.com

For the following Body Systems - Color each organ present a different color and label appropriately.

Inguinal lymph nodes

Spleen

Appendix

Peyer's Patches

Bone Marrow

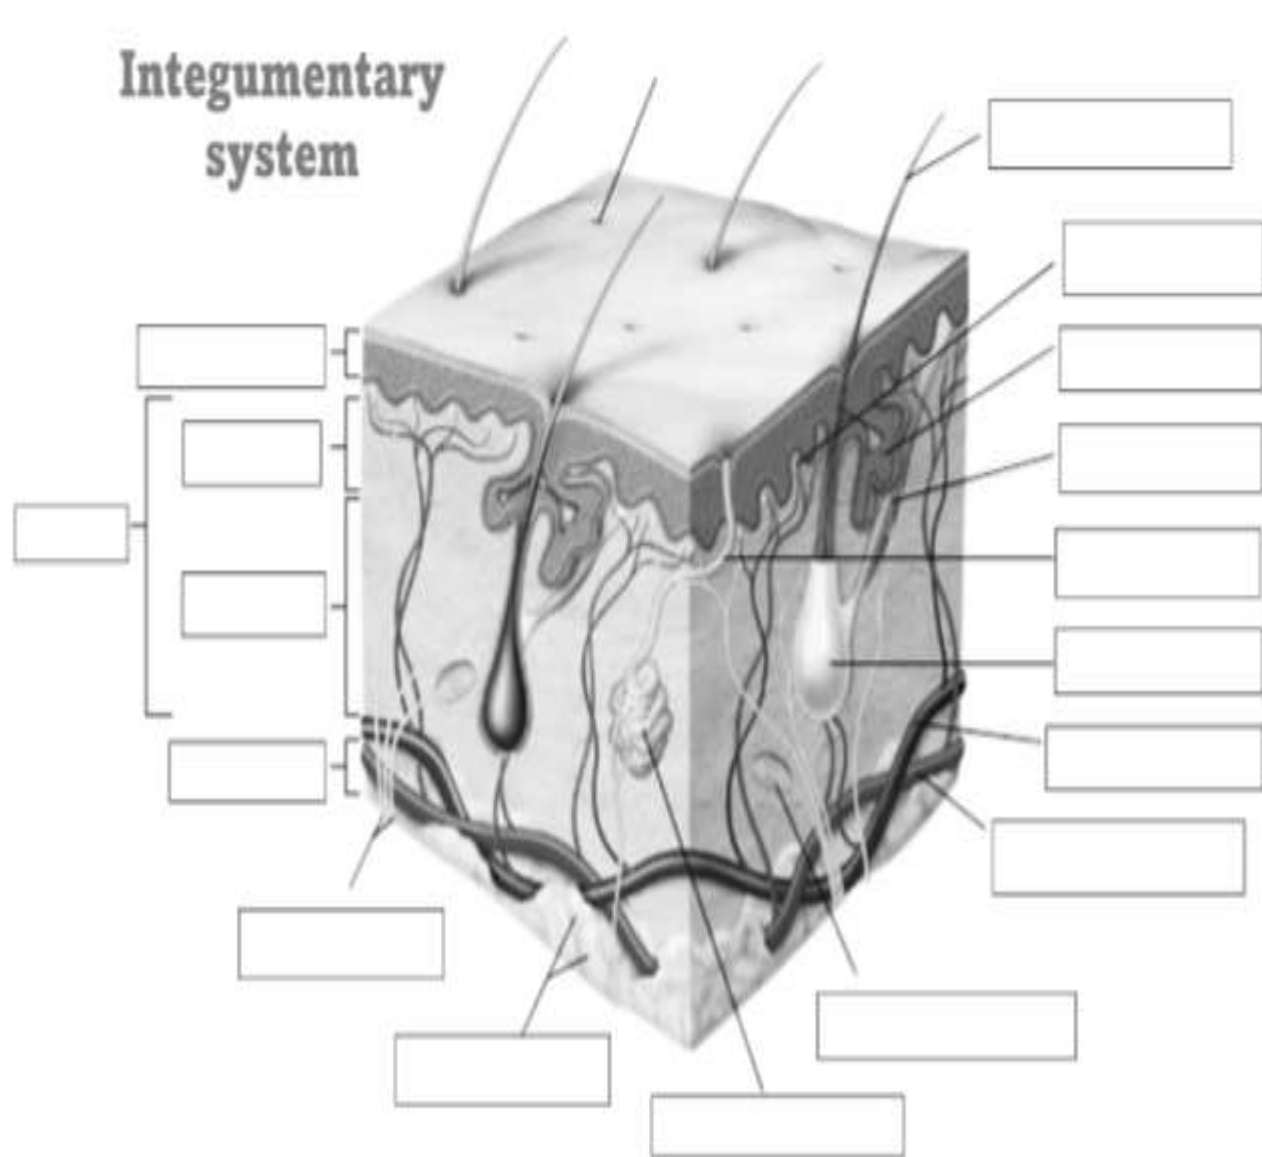

Auxillary Lymph Nodes

Thymus

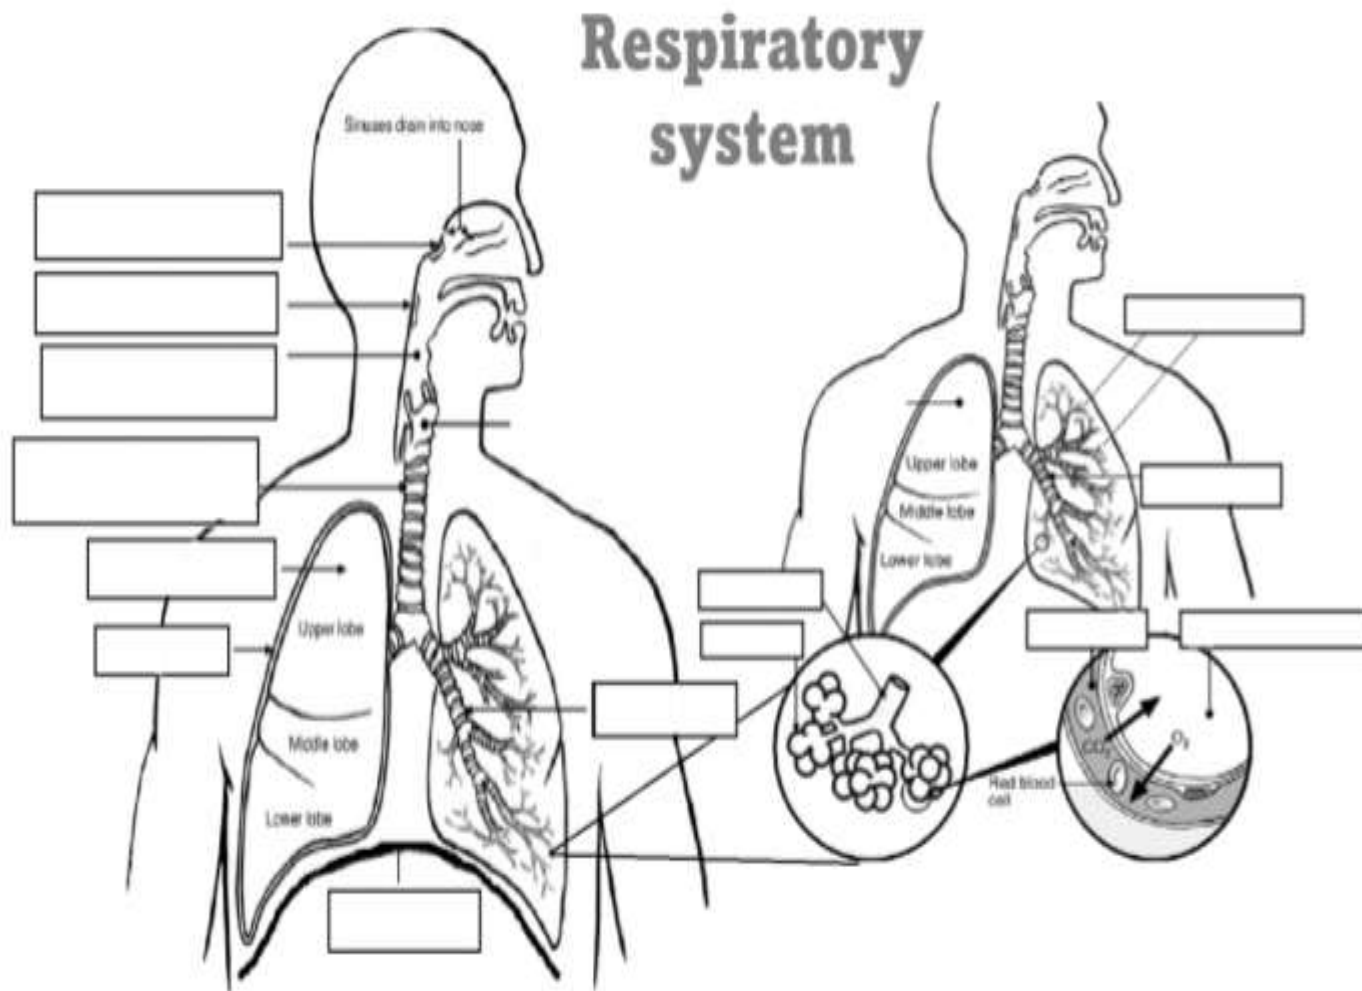

Tonsils and Adenoids

Muscular System

quadriceps

biceps

pectorals

abdominals

Palmaris longus

hamstrings

gastrocnemius

triceps

Gluteus maximus

deltoids

trapezoids

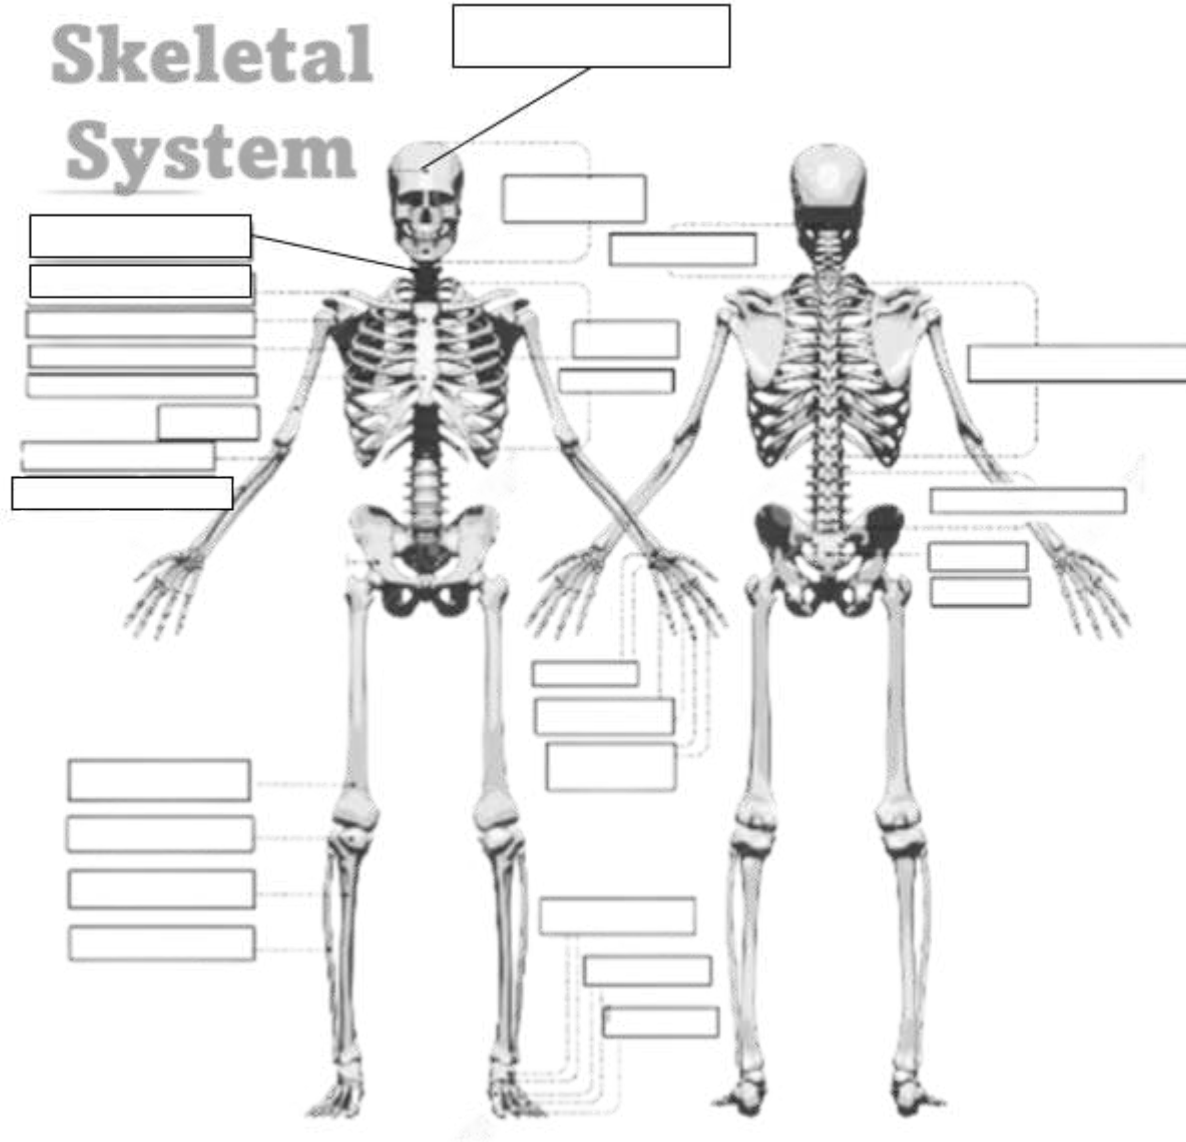

Lattissimus dorsi

achilles

Gluteus medius

Skeletal System

Manubrium	sternum
clavicle	scapula
mandible	radius
cranium	ulna
skull	humerus
phalanges	Pelvic girdle
metacarpals	femur
carpals	patella
ribs	tibia
Thoracic vertebrae	fibula
Cervical vertebrae	tarsals
Lumbar vertebrae	metatarsals
sacrum	phalanges
coccyx
