# Things you will want to know how to do to survive in the middle ages

Dragons are also often associated with this time. Today you are going to write a persuasive paragraph to a dragon.

You find a dragon while walking home after working in the fields. You start thinking of all the wonderful things you could do with a dragon. Persuade the dragon into coming home with you.

**Opinion-** Start with telling the dragon why you want him to come home with you (feelings)

**Reason-** Give reasons why they should come home with you.

**Examples-** Give details or examples to support your opinion

**Opinion-** Restate your opinion

# Design a Coat of Arms

You must Include:

1. Decide what the most important thing in your life is and draw and color it in a section.
2. What is one thing you want to do in your life (not a job), draw and color it in a section
3. Draw and color one thing you are good at.
4. Draw and color a picture of you defeating your worst fear.
5. Pick an animal that represents you (brave, smart, cunning, fast, strong, loyal, clever)
