Social Studies

- B. Civics and Government
 - B1.Knowledge, Concepts, Themes, and Patterns of Civics/Government

Students understand the ideals, purposes, principles, structures, and processes of constitutional government in the United States and in the American political system, as well as examples of other forms of government and political systems in the world.

- a. Explain that the study of government includes structures, functions, institutions, and forms of government to citizens in the United States and in other regions of the world.
- Evaluate current issues by applying democratic ideals and constitutional principles of government in the United States, including checks and balances, federalism, and consent of the governed as put forth in founding documents.
- c. Explain how and why democratic institutions and interpretations of democratic ideals and constitutional principles change over time.
- d. Describe the purpose, structures, and processes of the American political system.
- e. Compare the American political system with examples of political systems from other parts of the world.
- B2.Rights, Duties, Responsibilities, and Citizen Participation in Government

Students understand the constitutional and legal rights, the civic duties and responsibilities, and roles of citizens in a constitutional democracy and the role of citizens living under other forms of government in the world.

- a. Explain the relationship between constitutional and legal rights, and civic duties and responsibilities in a constitutional democracy.
- b. Evaluate the relationship between the government and the individual as evident in the United States Constitution, the Bill of Rights, and landmark court cases.
- c. Analyze the constitutional principles and the roles of the citizen and the government in major laws or cases.
- d. Compare the rights, duties, and responsibilities of United States citizens with those of citizens from other nations.
- e. Evaluate how people influence government and work for the common good including voting, writing to legislators, performing community service, and engaging in civil disobedience.
