

Unit P.1 Electricity Video Links

All of the videos for the OpenSciEd units can be found on the [OpenSciEd YouTube Channel](#). For classrooms that are not able to access the videos via YouTube, we have provided alternative streaming links in the document below. Please note that some of the videos are only available via YouTube for permission reasons.

Student Facing Videos

Lesson	Video Name and YouTube Link	Alternative Link	Credits and Usage
8	 P.1 Interview With an Expert about the 2021 Texas Power Crisis	https://www.wevideo.com/view/2963499294	Juan Pablo Carvallo. CC BY 4.0.
