CAREER POSTER PROJECT

OBJECTIVE:

Create a well-designed poster showcasing a unique, unusual, different, or weird career/job.

INSTRUCTIONS:

- Research and decide on the career for the poster get teacher approval. No two students can do the same one.
 - The career must be one that you can find the info required; if you cannot find the info required you must pick a different one.
 - Can use the attached list for inspiration.
 - When you have yours picked out, visit your teacher to get the career choice approved and to make sure it's available.
- Research and create an accurate and visually appealing poster using Adobe Express or Canva. If you'd like to use another software, just ask for teacher approval.
- Use the Occupational Outlook Handbook (https://www.bls.gov/ooh/) and O*Net (https://www.onetonline.org/) to assist you in locating the information needed
 - You can also use other resources as needed.

POSTER REQUIREMENTS:

- You decide if you want it to be landscape or portrait depending on your layout of the information gathered.
- The poster must have on it:
 - Career Title the title must be larger than the rest of the words so that it 'pops' design the title to be visually interesting.
 - Description of the career (identify what someone in this field does)
 - Average (median) salary for someone in this field
 - At least three (3) hard skills related to this field
 - At least three (3) soft skills (workplace skills) that would be beneficial in this career
 - At least one (1) interesting fact related to the career field
 - Educational requirements degrees, certifications, etc
 - At least three (3) pictures/images to enhance the poster

JOB LIST/TRACKING

Job#	Job Name	First Name	Last Name
