McKenzie Farmer Scholarship Donations Due by March 1, 2024

McKenzie "Kenzie" Farmer was a Dunkerton student when she died in a tragic auto accident in 2021. Kenzie would have graduated from high school in 2024. In her memory, a one-time scholarship has been set up through the Dunkerton Schools Foundation. The scholarship will be awarded to a 2024 Dunkerton graduating Senior who possesses many of the traits that Kenzie valued; honesty, humor, and a willingness to stand and defend injustices. Anyone who wishes to contribute in Kenzie's memory may do so by sending their donation made payable to:

March Book Discussion: 1984 by George Orwell, Thurs. March 21st at 6:30 PM, Fri. March 22nd at 2:15 PM

"Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power." – The New Yorker. In 1984, London is a grim city in the totalitarian state of Oceania, where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. 1984 was required reading in many schools; read it now with a new perspective as an adult. Pick up a copy at the library and let us know whether you plan to attend the discussion on Thurs. March 21 at 6:30 PM or Fri. March 22 at 2:15.

Total Solar Eclipse, Mon. April 8th, 12:30 – 3:00 PM

Eastern Iowa is positioned to experience a partial solar eclipse during the April 8th, 2024 Total Eclipse Event. We will experience 89% totality when the maximum coverage peaks at 2:01 PM. The partial eclipse begins at 12:46 PM and lasts until 3:16 PM. All who stop by during the event will receive a free pair of eclipse glasses plus enjoy some solar eclipse games and activities! If the eclipse is not visible due to clouds, we will also be playing NASA's live coverage on the big screen. If you're unable to join us at the library on April 8th, free eclipse glasses will be available

the week prior (supplies are limited). And according to NASA, this will be the last total solar eclipse visible from the contiguous U.S. until August 2044!
