To Add Comments

- 1. Click on the Current Term (Q1, Q2, Q3, Q4) grade beside the student name. The Score Inspector shows on the right.
- 2. Click the Comment icon in the Score Inspector.
- 3. Click Comment Bank and Show Comment Bank. Select the + button to display comment. A blue Comment icon appears in the student's score cell. Click Save. You can click on the icon to read the comment.
- Comments must be added for the current term in order for them to show on the report card.

<u>To save and verify grades/comments.</u> Make sure student current term grades are correct. At the bottom of the screen, click the final grade status button.

			11.		
Final	Grade	Status		Save	

This screen will appear. Click the box that all current term grades are complete and place a comment in the box that all term grades are verified and correct. Save.

Print the comment verification screen. With the Comment Verification screen showing, click **Ctrl-P** and send to the printer of your choice. **Repeat ALL of these steps for each class with grades.**

Sign, date, and turn in the signed pages by the due date set by your principal/data manager.

Note: At the end of each semester, you must complete this process for the quarter and the semester. For example, when you complete Q2, you must also verify X1 and S1. And, when you complete Q4, you must verify S2, X2, and F1.

Enter the X (Exam) grades for each class.

- 1. Switch to the current exam reporting ______period (X1 or X2).
- 2. Click on the dash beside the first student's name under the X1 column. The score inspector shows on the right hand side of the screen.
- 3. Enter the grade and the percent for each student.
- 4. If a student is exempt from the exam, average the Q1 and Q2 grade, and enter that grade for the exam grade. (It should be the same as your F1 calculated grade.)

Enter the exam (X) grades for each class with grades.

Verify the S (Semester) grades for each class and Print the All Reporting Terms Screen

- 1. Switch to the current semester reporting period (S1 or S2).
- 2. Click on the A+ Grading charm.
- 3. Click on All Reporting Terms.
- 4. You will see the two nine-week term grades, the exam grades and the calculated semester grades.
- 5. If you need to change a semester grade, click on the grade under the S1 column and change the number grade and the percent grade in the score inspector.
- 6. Print the screen after verifying the semester grades. Use **Ctrl-P** and send to the printer of your choice.

Verify the F1 (Final) grades for each class and Print the All Reporting Terms Screen

- 1. Switch to the F1 reporting period.
- 2. Click on the A+ Grading charm.
- 3. Click on All Reporting Terms.
- 4. You will see the two nine-week term grades and the calculated final grades.
- 5. If you need to change a final grade, click on the grade under the F1 column and change the number grade and the percent grade in the score inspector.
- 6. Make sure you click the final grade status button, click the F1 grades are complete box, place a comment that all final grades are verified/correct, and save.
- 7. Print the screen after verifying the final grades. Use **Ctrl-P** and send to the printer of your choice.
