

## **Stars and Stripes Forever**

Hurrah for the flag of the free,  
May it wave as our standard forever,  
The gem of the land and the sea,  
The banner of all the right!  
Let despots remember the day  
When our fathers with mighty endeavor  
Proclaimed as they marched in the frey  
That by their might and by their right  
It waves forever!

## **We Celebrate America**

We celebrate America. We celebrate our nation.

With hearts and minds in unity, we celebrate our land.

We celebrate America through fervent declaration.

We stand here as Americans with freedom hand in hand.

Of thee we sing, across the nation.

While freedom rings, our voices rise as one.

With colors true, red, white, and blue. Our celebration has begun.

Of thee we sing, across the nation.

While freedom rings, our voices rise as one.

With colors true, red, white, and blue. Our celebration has begun.

We celebrate America. We celebrate our nation.

With hearts and minds in unity, we celebrate our land.

We celebrate America through fervent declaration.

We stand here as Americans with freedom hand in hand.

Of thee we sing, across the nation.

While freedom rings, our voices rise as one.

With colors true, red, white, and blue. Our celebration has begun.

With colors true, red, white, and blue. Our celebration has begun.

We celebrate America!

## **America the Beautiful**

O beautiful for spacious skies, for amber waves of grain,  
For purple mountain majesties above the fruited plain!  
America! America! God shed his grace on thee,  
And crown thy good with brotherhood, from sea to shining sea.  
O beautiful for Pilgrim feet, whose stern impassioned stress.  
A thoroughfare for freedom beat across the wilderness!  
America! America! God mend thine every flaw,  
Confirm thy soul in self control, thy liberty in law!  
O beautiful for patriot dream that sees beyond the years,  
Thine alabaster cities gleam, undimmed by human tears!  
America! America! God shed his grace on thee,  
And crown thy good with brotherhood, from sea to shining sea.

## **America**

My country tis of thee, sweet land of liberty, of thee I sing.

Land where my fathers' died, land of the pilgrims' pride,

From every mountainside, let freedom ring.

My native country thee, land of the noble free, thy name I love.

I love thy rocks and rills, Thy woods and templed hills,

My heart with rapture thrills like that above.

Let music swell the breeze, and ring from all the trees, sweet freedom's song.

Let mortal tongues awake, let all that breathe partake,

Let rocks their silence break, the sound prolong.

Our fathers' God, to thee, Author of liberty, to thee we sing.

Long may our land be bright, with freedom's holy light.

Protect us by thy might, Great God our King!

## **You're a Grand Old Flag**

You're a grand old flag, you're a high flying flag;  
And forever in peace may you wave;  
You're the emblem of the land I love,  
The home of the free and the brave.  
Every heart beats true under red, white, and blue,  
Where there's never a boast or brag.  
But should auld acquaintance be forgot,  
Keep your eye on the grand old flag.

## **This is My Country**

What difference if I hail from North or South,

Or from the East or West?

My heart is filled with love for all of these.

I only know I swell with pride, and deep within my chest

I thrill to see “Old Glory” paint the breeze!

This is my country! Land of my birth.

This is my country! Grandest on earth!

I pledge thee my allegiance, America, the bold

For this is my country to have and to hold.

This is my country! Land of my birth.

This is my country! Grandest on earth!

I pledge thee my allegiance, America, the bold

For this is my country to have and to hold.

## **Our Heroes will Live On**

In fields and cities, towns and seas,  
The ones who faced our foes,  
Who gave their best, their most, their all,  
With valor midst their woes.

So cherished for their bravest deeds  
Upon their courage drawn.  
Through tender hearts and memories,  
Our heroes will live on.

We honor them with all we have,  
Their sacrifice felt deep.  
The light of freedom shines this day  
For all of us to keep.

When dearest loved ones we recall,  
Our tears are never gone.

O, rest in peace remembering our heroes will live on.  
O, rest in peace remembering our heroes will live on.
