

**See the Veterans – KINDERGARTEN**

**To the tune of “Frere Jacques”**

See the Veterans

See the Veterans

Oh so brave

Oh so brave

We thank you for your service

We thank you for your service

You're so strong

You're so strong

We remember

We remember

On this day

On this day

Fighting for our freedom

Fighting for our freedom

We Thank You

We Thank You

**Celebrating Heroes – 1<sup>st</sup> GRADE**  
**To the tune of “Oh Christmas Tree”**

On Veterans Day, On Veterans Day

We celebrate our heroes

On Veterans Day, On Veterans Day

We celebrate our heroes

Soldiers who served far and near

For their work we give a cheer

On Veterans Day, On Veterans Day

We celebrate our heroes

## **Somewhere Out There – 2<sup>nd</sup> GRADE**

Somewhere out there beneath the pale moonlight  
Someone's thinking of me and loving me tonight  
Somewhere out there someone's saying a prayer  
That we'll find one another in that big somewhere out there

And even though I know how very far apart we are  
It helps to think we might be wishing on the same bright star  
And when the night wind starts to sing a lonesome lullaby  
It helps to think we're sleeping underneath the same big sky

Somewhere out there if love can see us through  
Then we'll be together  
Somewhere out there, out where dreams, come true

## **What a Wonderful World – 3<sup>rd</sup> GRADE**

I see trees of green, red roses too. I see them bloom for me and you

And I think to myself what a wonderful world

I see skies of blue, clouds of white. The bright blessed days, dark sacred nights

And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky

Are also on the faces of the people going by

I see friends shakin' hands saying "how do you do"

They're really saying "I love you"

I hear babies cry, I watch them grow. They'll learn much more than I'll ever know

And I think to myself what a wonderful world

## **Little Wonders – 4<sup>th</sup> GRADE**

Let it go, let it roll right off your shoulder  
Don't you know the hardest part is over  
Let it in, let your clarity define you  
In the end we will only just remember how it feels

Our lives are made in these small hours  
These little wonders, these twists & turns of fate  
Time falls away, but these small hours,  
These small hours still remain

Let it slide, let your troubles fall behind you  
Let it shine until you feel it all around you  
And I don't mind if it's me you need to turn to  
We'll get by, it's the heart that really matters in the end

Our lives are made in these small hours  
These little wonders, these twists & turns of fate  
Time falls away, but these small hours,  
These small hours still remain

All of my regret will wash away somehow  
But I cannot forget the way I feel right now

In these small hours these little wonders  
These twists & turns of fate  
These twists & turns of fate  
Time falls away but these small hours  
These small hours, still remain,  
Still remain  
These little wonders  
These twists & turns of fate  
Time falls away  
But these small hours  
These little wonders still remain

## Come Home - 5<sup>th</sup> GRADE

Hello world hope you're listening  
Forgive me if I'm young for speaking out of turn  
There's someone I've been missing  
I think that they could be the better half of me  
They're in the in the wrong place trying to make it right  
But I'm tired of justifying so I say to you

### Chorus

Come home, Come home  
'Cause I've been waiting for you  
For so long, For so long  
And right now there's a war between the vanities  
But all I see is you and me  
The fight for you is all I've ever known  
So come home  
Oooh

I get lost in the beauty of everything I see  
The world ain't as half as bad as they paint it to be  
If all the sons if all the daughters  
Stopped to take it in  
Well hopefully the hate subsides and the love can begin  
It might start now yeah well maybe I'm just dreaming out loud  
Until then

Come home, Come home  
'Cause I've been waiting for you  
For so long, For so long  
And right now there's a war between the vanities  
But all I see is you and me  
The fight for you is all I've ever known  
So come home  
Oooh

Everything I can't be is everything you should be  
And that's why I need you here  
Everything I can't be is everything you should be  
And that's why I need you here so hear this now

Come home, Come home  
'Cause I've been waiting for you  
For so long, For so long  
And right now there's a war between the vanities  
But all I see is you and me  
The fight for you is all I've ever known  
So come home

Come home, Come Home  
I've been waiting for you

## **I'll be seeing you - ALL GRADES and AUDIENCE**

I'll be seeing you in all the old familiar places  
That this heart of mine embraces all day through  
In that small café the park across the way  
The children's carousel, the chestnut tree  
The wishing well

I'll be seeing you in every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way

I'll find you in the morning sun and when the night is new  
I'll be looking at the moon but I'll be seeing you

I'll be seeing you in every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way

I'll find you in the morning sun and when the night is new  
I'll be looking at the moon but I'll be seeing you
