V.H. Cooper Scholarship

Dear High School Senior:

Congratulations on your upcoming graduation from high school. We are certain this represents a culmination of years of hard work and a lifetime of wonderful memories. You should certainly be proud of what you've accomplished, particularly during your high school career.

Cooper Farms and the Cooper Family Foundation believe strongly in the value of continuing your education after high school. The path you choose is certainly up to you, and you should pursue a career that you become passionate about, find rewarding on a daily basis and believe can truly make a difference in the lives of others. The possibilities are endless and exciting.

In an effort to support the pursuit of continuing education, Cooper Farms and the Cooper Family Foundation are awarding scholarships for each of our four locations. We are proud to be able to offer these scholarships and believe it truly reflects the values of our founder, Virgil H. Cooper.

Attached is the application for the V.H. Cooper Scholarship. Please follow the guidelines as provided by your guidance counselor and return the completed application in a timely manner.

Again, congratulations on your upcoming graduation and good luck in all your future endeavors!

Sincerely,

Heather D. Cooper
