

VIDEO EQUIPMENT and COMPUTER CONTRACT 2020-2021

I, _____, am solely responsible for all Palm Beach County School District property that has been checked out in my name. I am fully aware that I am to treat the equipment as if it were my own. Handling of the equipment from anyone outside of the Television Production classes at Seminole Ridge Community High School and/or unauthorized personnel is strictly prohibited.

I, _____, understand that all equipment that has been checked out is Palm Beach County School District property. I understand that I am being given fully operational equipment. **Any piece of equipment that appears to be cracked, scratched, dented, broken, dropped, appears to have suffered water/food damage or any other form of mishandling, must be compensated for immediately.** Students will be placed on the school's Obligation List until compensation has been received.

Failure to pay for the damaged item(s) will result in severe administrative action and removal from the course. Checking out equipment is a privilege, **not a right**. I understand that I may not have the privilege of checking out equipment in the future if records indicate that I have damaged equipment, compensated for or not, under my name.

I understand that all productions made by use of Seminole Ridge Community High School's equipment are Palm Beach County School District property. Videos may not be taken or published on any other website (YouTube, etc.) without permission from the instructor.

The computers used in the Television Production class are to be used for class assignments **ONLY**, anyone found, misusing, playing games, using social media websites, or any other non-approved website while in class will be subject to severe administrative action and/or removal from the course.

I, _____, and my Parent/Guardian, _____ have read and understand the contract.
