

Vietnam War Music Project

In groups of two, you will choose a song in either support or protest of the Vietnam War. Using Animoto movie maker, you will create a movie highlight the lyrics of the song and how it relates to the Vietnam War. The length of the song will determine the length of the video.

You must include...

- The song's title
- The song's writer/artist
- The year the song was written/recorded
- The influence behind the writing of the song (Is it anti-war or pro-war?)
- An analysis of the lyrics (type written and included in the movie)
- A picture of the artist/writer
- At least 15-20 images relating to the song
- At least 5 slides including text
- A 3-5 minute presentation showing the movie, explaining the lyrics, and the significance of the song. (Time does **not** include the movie.)
- Works Cited in MLA format
