

Virtual Tutoring Announcement!

Good evening 9th grade students and parents! This is Mr. Stafford, 9th grade administrator at Greer High School with an important announcement.

The Freshmen Academy at Greer High School will begin Virtual Tutoring next Tuesday, September 29th from 4:30 - 5:30 p.m. Virtual Tutoring will be held every Tuesday and Thursday from 4:30 to 5:30 p.m. for Algebra 1, Biology, Social Studies, and English 1. Students will be able to work with a teacher and receive extra help with their classwork during these tutoring sessions through Live Google Meets. These virtual sessions are available for both our Virtual Students and our students that attend in-person classes. Every 9th grader is eligible to participate in tutoring!

In order for a student to access these tutoring sessions, they must be in the "Greer High School Student Freshman Academy" Google Classroom. Many of our 9th grade students have already done this, but if your child has not joined, they can get the join code from any of their 9th grade teachers. Students can also email or see me, Mr. Stafford, to get the code.

Each day of Virtual Tutoring, a Google Meet Link will be posted in the Google Classroom for each of the subjects that are being tutored that day. For example, there will be an Algebra 1 Google Meet Link posted to the Google Classroom that a student can click on to join that tutoring session. There will be separate links for each of the other subjects posted as well, so students can attend more than one during that 4:30 to 5:30 time period. Students do not need to sign up to attend these sessions, they simply need to join the Google Meet for the subject they need help with that day.

We are very excited to bring this opportunity to our 9th grade students. If you have any questions about virtual tutoring, please feel free to contact me. Thank you for your time and go Yellow Jackets!
