

March 2016

Dear Parents and Guardians,

In March, we will be celebrating "Music in Our Schools Month," which is celebrated in schools across the U.S. As part of "Music in Our Schools Month," the students will be learning about people involved with music outside of music class. I would like to invite any parents, relatives, or guardians of the students who play instruments to visit your child's music class and share first-hand knowledge about playing an instrument and give a brief performance. If you do not play an instrument, you may want to teach the class a song or talk about a favorite composer or musical artist. Guest presentations should last approximately 5-10 minutes. Visitors should be prepared to talk about what music means to them and why music is important. On the day that you present to the class, please sign in at the main office and report to the music room (room 18). Please do not go to your child's classroom.

Please look at the schedule below to see when your child has music. Visitors will be attending during music class between March 14<sup>th</sup> - March 21<sup>st</sup>. If you have more than one child and you would like to visit each of your children's classes, please fill out a separate form for each child. Please e-mail me at [ckieslin@frsd.k12.nj.us](mailto:ckieslin@frsd.k12.nj.us) if you have any questions. I look forward to your participation!

Sincerely,  
Cassandra Kiesling
