

Get Ready B.U.E.S.

Vocabulary Day is coming soon!

Friday, March 6, 2020

Who participates: Students in grades 4 & 5 (voluntarily)

What is it all about? This year we are learning to expand our vocabulary in all academic content areas. Students are encouraged to think of an interesting word choice and create a costume with items from home to celebrate our love of words and reading!

Plan: Think of a unique word that would have an interesting costume design. Be original! *Share your word choice with your teacher in advance prior to March 6th.

Create: You can recycle all sorts of items around your home to make a creative homemade costume including: boxes, poster-board, hats, paper bags, fabric, tin foil, etc.

Come prepared: Students are voluntarily welcome to dress as their vocabulary word and wear their costume to school. Be sure to wear your winter jacket to school and wear comfortable clothing underneath your costume for outdoor recess and exercise at P.E. class. Students may share their costumes at morning meeting time. If you need help with ideas, please refer to the back of this newsletter for your planning.
