

Welcome, Volunteers!

In order to be eligible to volunteer in your child's classroom or school, you must complete the registration application and have an up-to-date CORI on file with the Newburyport Elementary Schools. In addition, if you will have unmonitored contact with children (i.e. lunchroom or field trip volunteer) you will also need to be fingerprinted.

CORI

Bring the completed [CORI form](#) along with your driver license to the Administrative Assistant at our school office. Please note CORI's are only valid for three years; after that you must reapply.

Fingerprinting

Or visit the website at <http://www.identogo.com/>.

In keeping with Newburyport's continued focus on safety, we are asking volunteers/parents to be fingerprinted in two instances:

- If you are going on a day or overnight field trip and will have direct and unmonitored contact with children;
- If you are a lunchroom volunteer and will be bringing children out to the playground. Parents who volunteer in the classroom DO NOT need to be fingerprinted, as there is always another adult present.

Massachusetts has contracted with MorphoTrust for fingerprinting. To book your appointment, click [here](#). Or visit the website at <http://www.identogo.com/>.

Please be aware there is a \$35 fee for fingerprinting. Unlike a CORI, Fingerprinting does not expire.

1. Select MA as your state
2. Select "Online Scheduling"
3. Enter your name
4. Agency/Sector: select "PreK- 12th Grade Education (ESE)"
5. Application type: select "All other school personnel"
6. Confirm your choice

Or visit the website at <http://www.identogo.com/>.
You will need to enter a Provider ID:

Bresnahan School	02040005
Molin School	02040030
Middle School	02040305
High School	02040505
