No employee, contractor or agent of the BLAND COUNTY School Board may assist a school board employee, contractor or agent in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the employee, contractor or agent knows, or has probable cause to believe, that such school employee, contractor or agent engaged in sexual misconduct regarding a minor or student in violation of law. This prohibition does not apply if the information giving rise to probable cause

1. A. has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct and
  - B. has been properly reported to any other authorities as required by federal or state law, including title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.) and the regulations implementing it and
2. A. the matter has been officially closed or the prosecutor or police with jurisdiction over the alleged misconduct has investigated the allegations and notified school officials that there is insufficient information to establish probable cause that the school employee, contractor or agent engaged in sexual misconduct regarding a minor in violation of law;
  - B. the school employee, contractor or agent has been charged with, and acquitted or otherwise exonerated of the alleged misconduct; or
  - C. the case or investigation remains open and there have been no charges filed against, or indictment of, the school employee, contractor or agent within 4 years of the date on which the information was reported to a law enforcement agency.

## STAFF TIME SCHEDULES

### Work Schedules

The workday for full-time licensed and professional staff is a minimum of seven hours and thirty minutes<sup>1</sup> and continues until professional responsibilities to the students and school division are completed. Administrative meetings, curriculum development, pupil supervision, assigned duties, parent conferences, group or individual planning and extra-curricular activities may require hours beyond the stated minimum. Elementary school classroom teachers are provided at least an average of thirty minutes per day during the students' school week as planning time. Each full-time middle and secondary classroom teacher is provided one planning period per day, or the equivalent, as defined by the Board of Education, unencumbered of any teaching or supervisory duties. If a middle or secondary school classroom teacher teaches more than the standard load of students or class periods per week, as defined by the Board of Education, an appropriate contractual arrangement and compensation is provided.

Work schedules for other employees are defined by the superintendent or superintendent's designee consistent with the Fair Labor Standards Act and the provisions of this policy.

### Workweek Defined

For purposes of compliance with the Fair Labor Standards Act, the workweek for school district employees will be 12:00 a.m. Sunday until 11:59 p.m. Saturday

### Overtime and Compensatory Time

Working hours for all employees not classified as exempt under the Fair Labor Standards Act, including secretaries, bus drivers, cafeteria, janitorial and maintenance personnel, conform to federal and state regulations. The superintendent ensures that job positions are classified as exempt or non-exempt and that employees are made aware of such classifications. Supervisors make every effort to avoid circumstances which require non-exempt employees to work more than 40 hours each week. The **BLAND COUNTY** School Board discourages overtime work by non-exempt employees. A non-exempt employee will not work overtime without the express approval of the employee's supervisor. All overtime work must be expressly approved in writing by the superintendent or superintendent's designee. All supervisory personnel must monitor overtime on a weekly basis and report such time to the superintendent or superintendent's designee. Principals and supervisors monitor employees' work, ensure that overtime provisions of this policy and the Fair Labor Standards Act are followed and ensure that all employees are compensated for any overtime worked. Principals or supervisors may need to adjust daily schedules to prevent non-exempt employees from working more than 40 hours in a workweek. Accurate and complete time sheets of actual hours worked during the workweek must be signed by each employee and submitted to the finance officer. The finance officer reviews work records of employees on a regular basis to make an assessment of overtime use.

In lieu of overtime compensation, non-exempt employees may receive compensatory time off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked, if such compensatory time

- (1) is pursuant to an agreement between the employer and employee reached before overtime work is performed, and
- (2) is authorized by the immediate supervisor.

Employees will be allowed to use compensatory time within a reasonable period after requesting such use if the requested use of the compensatory time does not unduly disrupt the operation of the school division. Employees may accrue a maximum of 30 compensatory time hours before they will be provided overtime pay at the rate earned by the employee at the time the employee receives such payment. In addition, upon leaving the school division, an employee will be paid for any unused compensatory time at the rate of not less than the higher of

- (1) the average regular rate received by the employee during the employee's last three years of employment, or
- (2) the final regular rate received by the employee.

Non-exempt employees whose workweek is less than 40 hours are paid at the regular rate of pay for time worked up to 40 hours. Such employees are provided overtime pay or compensatory time as provided above for working more than 40 hours in a workweek.

Employees are provided with a copy of this policy and are required to sign this policy to acknowledge their understanding of overtime and compensatory time provisions. Such signed policy constitutes the written agreement required in this section.

#### Attendance Expectations

All employees are expected to be present during all work hours. Absence without prior approval, chronic absences, habitual tardiness or abuses of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

## SCHOOL EMPLOYEE CONFLICT OF INTERESTS

### A. Purpose

The State and Local Government Conflict of Interests Act (the Act), applies to public school employees and officials. The Act creates uniform standards of conduct for all public employees and officials. The Act also defines and prohibits inappropriate conflicts of interest and requires disclosure of economic interests in some circumstances. The purpose of this policy is to provide an introduction to the Act for employees. Additional information regarding the Act may be obtained from Policy BBFA Conflict of Interests and Disclosure of Economic Interests and from the Virginia Conflict of Interest and Ethics Advisory Council (the Ethics Council) which assists with compliance with the Act.

### B. Compliance

School board employees are required to read and be familiar with the Act. The superintendent provides employees with information regarding how to access the Act and how to contact the Ethics Council. **The Virginia Conflict of Interest and Ethics Advisory Council can be found at <http://ethics.dls.virginia.gov/>.**

The Act's provisions are complex and their application is fact-specific. A violation of the Act could result in civil or criminal penalties. Therefore, if an employee has any question whether an interest the employee has in a contract or transaction involving the school division is prohibited under the Act, the employee should contact the superintendent's office or the Ethics Council for assistance.

### C. Areas of Regulation

The Act prohibits school employees from having a "personal interest," as that term is defined by the Act, in certain contracts and transactions that involve the division and from engaging in other specified conduct related to the schools. The prohibited personal interest also may be that of the school employee's immediate family (a spouse or any other person who resides in the same household as the employee and who is a dependent of the employee).

Under the Act, an employee may be considered to have a prohibited conflict arising from:

- a personal interest in a contract;
- a personal interest in a transaction;
- business opportunities tied to official acts;
- misuse of confidential information; or
- receipt or solicitation of certain gifts.

Examples of prohibited conduct include:

- soliciting or accepting money or other thing of value for services performed within the scope of the employee's official duties, except for the employee's compensation, expenses or other remuneration paid by the division;

- using for the employee's own economic benefit or that of another party, confidential information that the employee has acquired by reason of the employee's public position and which is not available to the public;
- accepting any money, loan, gift, favor, service or business or professional opportunity that reasonably tends to influence the employee in the performance of the employee's official duties;
- accepting any business or professional opportunity when the employee knows that there is a reasonable likelihood that the opportunity is being afforded to influence the employee in the performance of the employee's official duties;
- entering into contracts with the school division under certain circumstances;
- accepting a gift from a person who has interests that may be substantially affected by the performance of the employee's official duties under circumstances where the timing and nature of the gift would cause a reasonable person to question the employee's impartiality in the matter affecting the donor; and
- accepting gifts from sources on a basis so frequent as to raise an appearance of the use of the employee's position for private gain.

#### D. Awards to Employees for Exceptional Service

The Act does not prohibit or apply to the acceptance by a teacher or other employee of BLAND COUNTY School Board of an award or payment in honor of meritorious or exceptional services performed by the teacher or employee and made by an organization exempt from federal income taxation pursuant to the provisions of Section 501(c)(3) of the Internal Revenue Code.

#### E. Advisory Opinions

Employees may seek written opinions regarding application of the Act from the local Commonwealth's Attorney, the local county attorney or the Ethics Council. Good faith reliance on a written opinion of the Commonwealth's Attorney or a formal opinion or written informal advice of the Ethics Council made in response to a written request for such opinion or advice regardless of whether such opinion or advice is later withdrawn, provided that the alleged violation occurred prior to the withdrawal of the opinion or advice, bars prosecution for a knowing violation of the Act provided the opinion or advice was made after a full disclosure of the facts. If the employee relies on written informal advice given by the Ethics Council in a prosecution for a knowing violation of the Act, the record of the request and the written informal advice given shall be a public record and released upon request. An opinion of the local **county** attorney may be introduced at trial as evidence that the employee did not knowingly violate the Act.

## EQUAL EMPLOYMENT OPPORTUNITY/ NONDISCRIMINATION

### I. Policy Statement

The BLAND COUNTY School Board is an equal opportunity employer, committed to nondiscrimination in recruitment, selection, hiring, pay, promotion, retention or other personnel actions affecting employees or candidates for employment. Therefore, discrimination in employment against any person on the basis of race, color, religion, national origin, ancestry, political affiliation, sex, gender, gender identity, age, marital status, genetic information or disability is prohibited. Personnel decisions are based on merit and the ability to perform the essential functions of the job, with or without reasonable accommodation.

The BLAND COUNTY School Board provides facilities, programs and activities that are accessible, usable and available to qualified disabled persons. Further, the BLAND COUNTY School Board does not discriminate against qualified disabled persons in the provision of health, welfare and other social services.

The statement, "BLAND COUNTY School Board is an equal opportunity employer," is placed on all employment application forms.

### II. Notice of Policy/Prevention

This policy is (1) posted in prominent areas of each school division building, (2) included in employee handbooks and (3) provided to any employee or candidate for employment upon request. Training to prevent prohibited discrimination is included in employee in-service training.

### III. Complaint Procedure

#### A. File Report

Any person who believes he has not received equal employment opportunities should report the alleged discrimination to one of the Compliance Officers designated in this policy. The alleged discrimination should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Any employee who has knowledge of conduct which may constitute prohibited discrimination shall immediately report such conduct to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Discrimination, GB-F, to make complaints of discrimination. However, oral reports and other written reports will also be accepted. The complaint must be filed with one of the Compliance Officers designated in this policy. Any complaint that involves the Compliance Officer shall be reported to the superintendent.

The complaint and the identity of the complainant and the person or persons allegedly responsible for the discrimination will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. A complainant who wishes to remain anonymous will be advised that anonymity may limit the school division's ability to fully respond to the complaint.

#### B. Investigation

Upon receipt of a report of alleged discrimination, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer will acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the complainant and the superintendent. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the superintendent will be notified of the reason for the extended investigation and the date by which the investigation will be concluded.

The investigation may consist of personal interviews with the complainant, the person(s) alleged to have violated the policy and any others who may have knowledge of the alleged discrimination or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the complainant and the person(s) responsible for the alleged discrimination. The investigation may also include the inspection of any documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the investigation.

Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed by a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint alleges the superintendent has violated this policy, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged discrimination conducted under this policy or by an appropriate state or federal agency.

#### C. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or superintendent's designee shall issue a written decision regarding (1) whether this policy was violated and (2) what action, if any, should be taken.

If the complaint alleges that the superintendent has violated this policy, the School Board's standing Equal Employment Opportunity/Nondiscrimination Committee shall make the decision and determine what action should be taken. If the School Board does not have such a standing committee, at its next scheduled meeting it shall appoint a committee consisting of three of its members to handle the matter. The committee shall issue a written decision within 14 calendar days of the time the School Board receives the Compliance Officer's report or the time a committee is appointed, if there is no standing committee. The written decision shall state (1) whether this policy was violated and (2) what action, if any, should be taken.

The written decision must be mailed to or personally delivered to the complainant within 5 calendar days of the issuance of the decision. If the superintendent, superintendent's designee or committee concludes that prohibited discrimination occurred, the BLAND COUNTY School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including dismissal.

#### D. Appeal

If the superintendent, superintendent's designee or committee determines that no prohibited discrimination occurred, the person who was allegedly subjected to discrimination may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent, or with a member of the committee which issued the written decision, who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party and the superintendent, superintendent's designee or the committee, whichever issued the written decision, and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to the complainant.

Employees may choose to pursue their complaints arising under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

The school division shall take appropriate action against any employee who retaliates against another employee or candidate for employment who reports alleged discrimination or participates in related proceedings. The Compliance Officer will inform persons who make complaints, who are the subject of complaints and who participate in investigations of how to report any subsequent problems.

#### V. Right to Alternative Complaint Procedure

Nothing in this policy shall deny the right of any individual to pursue other avenues of recourse to address concerns relating to prohibited discrimination including initiating civil action, filing a complaint with outside agencies or seeking redress under state or federal law.

#### VI. Prevention and Notice of Policy

Training to prevent discrimination is included in employee orientations and in-service training.

## III. Complaint Procedure

### A. Formal Procedure

#### 1. File Report

Any student or school personnel who believes he or she has been the victim of harassment prohibited by law or by this policy by a student, school personnel or a third party should report the alleged harassment to one of the Compliance Officers designated in this policy or to any school personnel. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited harassment should report such conduct to one of the Compliance Officers designated in this policy or to any school personnel. Any school personnel who has notice that a student or other school personnel may have been a victim of prohibited harassment shall immediately report the alleged harassment to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Harassment, GBA-F/JFHA-F, to make complaints of harassment. However, oral reports and other written reports are also accepted. The complaint should be filed with either the building principal or one of the Compliance Officers designated in this policy. The principal shall immediately forward any report of alleged prohibited harassment to the Compliance Officer. Any complaint that involves the Compliance Officer or principal shall be reported to the superintendent.

The complaint, and identity of the complainant and alleged harasser, will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a complainant who wishes to remain anonymous shall be advised that such confidentiality may limit the School Division's ability to fully respond to the complaint.

## 2. Investigation

Upon receipt of a report of alleged prohibited harassment, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law enforcement officials should be notified. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported to the Department of Social Service in accordance with Policy JHG, Child Abuse and Neglect Reporting.

The investigation may consist of personal interviews with the complainant, the alleged harasser and any others who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the alleged harasser and the person allegedly harassed. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the division shall consider, at a minimum: (1) the surrounding circumstances; (2) the nature of the behavior; (3) past incidents or past or continuing patterns of behavior; (4) the relationship between the parties; (5) how often the conduct occurred; (6) the identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim); (7) the location of the alleged harassment; (8) the ages of the parties and (9) the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed after a complete and thorough investigation. The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, then the report shall be sent to the School Board. The report

shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

### 3. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or designee shall issue a decision regarding whether this policy was violated. This decision must be provided in writing to the complainant and the alleged perpetrator. If the superintendent or superintendent's designee determines that it is more likely than not that prohibited harassment occurred, the BLAND COUNTY School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge. Whether or not the superintendent or superintendent's designee determines that prohibited harassment occurred, the superintendent or superintendent's designee may determine that school-wide or division-wide training be conducted or that the complainant receives counseling.

### 4. Appeal

If the superintendent or superintendent's designee determines that no prohibited harassment occurred, the employee or student who was allegedly subjected to harassment may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party, the superintendent and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to both the alleged harasser and the person allegedly harassed.

If the superintendent or superintendent's designee determines that prohibited harassment occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

Employees may choose to pursue their complaints under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

#### IV. Retaliation

## **Part II. Grievance Procedure**

### **8VAC20-90-20. Purpose of Part II of this grievance procedure.**

The purpose of Part II of the Procedure for Adjusting Grievances is to provide an orderly procedure for resolving disputes concerning the application, interpretation, or violation of any of the provisions of local school board policies, rules and regulations as they affect the work of teachers, other than dismissals. An equitable solution of grievances should be secured at the most immediate administrative level. The procedure should not be construed as limiting the right of any teacher to discuss any matter of concern with any member of the school administration, nor should the procedure be construed to restrict any teacher's right to seek, or the school division administration's right to provide, review of complaints that are not included within the definition of a grievance. Nothing in this procedure shall be interpreted to limit a school board's exclusive final authority over the management and operation of the school division.

Statutory Authority

§§ 22.1-16 and 22.1-308 of the Code of Virginia.

Historical Notes

Derived from VR270-01-0008 § 2.1, eff. February 1, 1986; amended, Virginia Register Volume 33, Issue 5, eff. November 30, 2016.

### **8VAC20-90-30. Grievance procedure.**

Recognizing that grievances should begin and should be settled promptly, a grievance must be initiated within 15 business days following either the event giving rise to the grievance, or within 15 business days following the time when the employee knew or reasonably should have known of its occurrence. Grievances shall be processed as follows:

**1. Step 1 -- Informal.** The first step shall be an informal conference between the teacher and his immediate supervisor (which may be the principal). The teacher shall state the nature of the grievance, and the immediate supervisor shall attempt to adjust the grievance. It is mandatory that the teacher present the grievance informally prior to proceeding to Step 2.

**2. Step 2 -- Principal.** If for any reason the grievance is not resolved informally in Step 1 to the satisfaction of the teacher, the teacher must perfect his grievance by filing a written grievance appeal on the required form within 15 business days following the event giving rise to the grievance, or within 15 business days following the time when the employee knew or reasonably should have known of its occurrence, specifying on the form the specific relief expected. Regardless of the outcome of Step 1, if a written grievance appeal is not, without just cause, filed within the specified time, the grievance will be barred. A meeting shall be held between the principal (or his designee or both) and the teacher (or his designee or both) within five business days of the receipt by the principal of the written grievance. At such meeting the teacher or other party involved, or both, shall be entitled to present appropriate witnesses and to be accompanied by a representative other than an attorney. The principal (or his designee or both) shall respond in writing within five business days following such meeting.

The principal may forward to the teacher within five days from the receipt of the written grievance a written request for more specific information regarding the grievance. The teacher shall file an answer thereto within 10 business days, and the meeting must then be held within five business days thereafter.

**3. Step 3 -- Superintendent.** If the grievance is not settled to the teacher's satisfaction in Step 2, the teacher can proceed to Step 3 by filing a written notice of appeal with the superintendent, accompanied by the original written grievance appeal form within five business days after receipt of the Step 2 answer (or the due date of such answer). A meeting shall then be held between the superintendent (or his designee or both) and the teacher (or his designee or both) at a mutually agreeable time within five business days. The superintendent or designee may make a written request for more specific information from the teacher, but only if such information was not requested in Step 2. The teacher shall file an answer to such request within 10 business days, and the meeting shall be held within five business days of the date on which the answer was received. At such meeting both the superintendent and the teacher shall be entitled to present witnesses and to be accompanied by a representative who may be an attorney. A representative may examine, cross-examine, question, and present evidence on behalf of a grievant or the superintendent without violating the provisions of § 54.1-3904 of the Code of Virginia. If

no settlement can be reached in said meeting, the superintendent (or his designee) shall respond in writing within five business days following such meeting. If the grievance is not resolved to the satisfaction of the teacher in Step 3, the teacher may request a decision by the school board pursuant to Step 4.

**4. Step 4 -- Decision by the school board.**

a. If a teacher elects to request a decision by the school board as provided for in Step 3, he must notify the superintendent in writing of the intention to make the request of the board within five business days after receipt of the answer as required in Step 3 or the due date thereof. Upon receipt of such notice, the board may hold a hearing on the grievance, may elect to have the hearing conducted by a hearing officer appointed by the school board consistent with the procedures in § 22.1-311 of the Code of Virginia, or may make its determination on the basis of the written evidence presented by the teacher and the recommendation of the superintendent.

b. In any case in which the school board elects to hold a hearing or elects to have a hearing officer conduct the hearing, the hearing shall be set within 30 days of the school board's receipt of the notice required by subdivision 4 a of this section (Step 4a), and the teacher must be given at least 15 days' written notice of the date, time, and place of the hearing.

The teacher and the division superintendent may be represented by legal counsel or other representatives. The hearing shall be private, unless the teacher requests a public hearing. The school board or the hearing officer, as the case may be, shall establish the rules for the conduct of the hearing. Such rules shall include the opportunity for the teacher and the division superintendent to make an opening statement and to present all material or relevant evidence, including the testimony of witnesses and the right of all parties or their representatives to cross-examine the witnesses. Witnesses may be questioned by the school board or the hearing officer.

In the case of a hearing conducted by the school board, the school board's attorney, assistants, or representative, if he or they represented a participant in the prior proceedings, the grievant, the grievant's attorney or representative and, notwithstanding the provisions of § 22.1-69 of the Code of Virginia, the superintendent shall be excluded from any executive session of the school board that has as its purpose reaching a decision on the grievance. However, immediately after a decision has been made and publicly announced, as in favor of or not in favor of the grievant, the school board's attorney or representative, and the superintendent, may join the school board in executive session to assist in the writing of the decision.

A stenographic record or tape recording of the hearing shall be taken. However, the recording may be dispensed with entirely by mutual consent of the parties. If the recording is not dispensed with, the two parties shall share the cost of the recording equally, and if either party requests a transcript, that party shall bear the expense of its preparation.

c. In the event of a hearing conducted by a hearing officer, the recommendation of the hearing officer shall be based exclusively upon the evidence presented at the hearing. Upon the hearing officer's own motion or upon application by either party to the grievance, the hearing officer may reopen the hearing for the purpose of hearing after discovered

evidence upon a finding of good cause by the hearing officer at any time before his recommendation is due. The hearing officer shall transmit his written recommendation and a record or recording of the hearing to the school board as soon as practicable and no more than 10 business days after the hearing.

d. In the event of a hearing by a hearing officer, the school board may make its decision upon the record or recording of such hearing or the school board may elect to conduct a further hearing to receive additional evidence. The school board must hold such further hearing as soon as practicable and must give written notice of the time and place of such further hearing to the division superintendent and the teacher within 10 business days after the board received the record or recording of the initial hearing. The notice must specify each matter to be inquired into by the school board. The school board shall determine the procedure to be followed at such further hearing.

e. In the event of a hearing before the school board, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after the hearing. The decision of the school board shall be reached after considering the evidence and information presented at the school board hearing.

f. In the event of a hearing before a hearing officer followed by a further hearing by the school board, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after such further hearing. The decision of the school board shall be reached after considering the record or recording of the initial hearing, the recommendations of the hearing officer, and the evidence and information presented at the further hearing before the school board.

g. In the event of a hearing before a hearing officer in cases in which no further hearing is conducted by the school board, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after receiving the record or recording of the hearing. The decision of the school board shall be reached after considering the record or recording of the hearing and the recommendations of the hearing officer.

h. The school board shall retain its exclusive final authority over matters concerning employment and the supervision of its personnel.

## **8VAC20-90-40. Grievability.**

A. Initial determination of grievability. Decisions regarding whether a matter is grievable shall be made by the school board at the request of the division administration or grievant and such decision shall be made within 10 business days of such request. The school board shall reach its decision only after allowing the division administration and the grievant opportunity to present written or oral arguments regarding grievability. The decision as to

whether the arguments shall be written or oral shall be at the discretion of the school board. Such determination of grievability shall be made subsequent to the reduction of the grievance to writing but prior to any hearing by the board or a hearing officer, or the right to such determination shall be deemed to have been waived. Failure of the school board to make such a determination within such a prescribed 10-business-day period shall entitle the grievant to advance to the next step as if the matter were grievable.

B. Appeal of determination on grievability. Decisions of the school board may be appealed to the circuit court having jurisdiction in the school division for a hearing on the issue of grievability.

1. Proceedings for a review of the decision of the school board shall be instituted by filing a notice of appeal with the school board within 10 business days after the date of the decision and giving a copy thereof to all other parties.
2. Within 10 business days thereafter, the school board shall transmit to the clerk of the court to which the appeal is taken, a copy of its decision, a copy of the notice of appeal, and the exhibits. The failure of the school board to transmit the record within the time allowed shall not prejudice the rights of the grievant. The court may, on motion of the grievant, issue a writ of certiorari requiring the school board to transmit the records on or before a certain date.
3. Within 10 business days of receipt by the clerk of such record, the court, sitting without a jury, shall hear the appeal on the record transmitted by the school board and such additional evidence as may be necessary to resolve any controversy as to the correctness of the record. The court may, in its discretion, receive such other evidence as the ends of justice require.
4. The court may affirm the decision of the school board or may reverse or modify the decision. The decision of the court shall be rendered not later than 15 days from the date of the conclusion of the court's hearing.

### **8VAC20-90-50. Time limitations.**

- A. The right of any party to proceed at any step of this Part II grievance procedure shall be conditioned upon compliance with the time limitations and other requirements set forth in this procedure.
- B. The failure of the teacher to comply with all substantial procedural requirements including initiation of the grievance and notice of appeal to the next step in the procedure, shall eliminate the teacher's right to any further proceedings on the grievance unless just cause for such failure can be shown.
- C. The failure of the school board or any supervisory employee to comply with all substantial procedural requirements without just cause shall entitle the grievant, at his option, to advance to the next step in the procedure or, at the final step, to a decision in his favor.
- D. The determination as to whether the substantial procedural requirements of this Part II of

the Procedure for Adjusting Grievances have been complied with shall be made by the school board. In any case in which there is a factual dispute as to whether the procedural requirements have been met or just cause has been shown for failure to comply, the school board shall have the option of allowing the grievant to proceed to its next step. The fact that the grievance is allowed to proceed in such case shall not prevent any party from raising such failure to observe the substantial procedural requirements as an affirmative defense at any further hearing involving the grievance.

#### **8VAC20-90-70. Procedure for dismissals.**

A. Notice to teacher of recommendation for dismissal.

1. In the event a division superintendent determines to recommend dismissal of any teacher, written notice shall be sent to the teacher on forms prescribed by the Board of Education notifying him of the proposed dismissal and informing the teacher that within 10 business days after receiving the notice, the teacher may request a hearing before the school board or, at the option of the school board, a hearing officer appointed by the school board, as provided in § 22.1-311 of the Code of Virginia.

2. During such 10-business-day period and thereafter until a hearing is held in accordance with the provisions herein, if one is requested by the teacher, the merits of the recommendation of the division superintendent shall not be considered, discussed, or acted upon by the school board except as provided for herein.

3. At the request of the teacher, the superintendent shall provide the reasons for the recommendation in writing or, if the teacher prefers, in a personal interview. In the event a teacher requests a hearing pursuant to § 22.1-311 or 22.1-312 of the Code of Virginia, the division superintendent shall provide, within 10 days of the request, the teacher, or his representative, with the opportunity to inspect and copy his personnel file and all other documents relied upon in reaching the decision to recommend dismissal. Within 10 days of the request of the division superintendent, the teacher, or his representative, shall provide the division superintendent with the opportunity to inspect and copy the documents to be offered in rebuttal to the decision to recommend dismissal. The division superintendent

and the teacher or his representative shall be under a continuing duty to disclose and produce any additional documents identified later that may be used in the respective parties' cases-in-chief. The cost of copying such documents shall be paid by the requesting party.

4. Upon a timely request for a hearing, the school board or, at the school board's option, a hearing officer appointed by the school board shall set a hearing within 15 days of the request and the teacher shall be given at least five days' written notice of the time and the place of the hearing.

#### B. Procedure for hearing.

1. The hearing shall be conducted by the school board or, at the school board's option, a hearing officer appointed by the school board. The teacher and the division superintendent may be represented by legal counsel or other representatives. The hearing shall be private, unless the teacher requests a public hearing. The school board or hearing officer, as the case may be, shall establish the rules for the conduct of the hearing, and such rules shall include the opportunity for the teacher and the division superintendent to make an opening statement and to present all material or relevant evidence, including the testimony of witnesses, and the right of all parties to cross-examine the witnesses. Witnesses may be questioned by the school board or hearing officer.

2. The parties shall produce such additional evidence as the school board or hearing officer may deem necessary to an understanding and determination of the dispute. The school board or hearing officer shall determine the relevancy and materiality of the evidence offered. All evidence shall be taken in the presence of the school board or hearing officer and of the parties.

3. Exhibits offered by the teacher or the division superintendent may be received in evidence by the school board or hearing officer and, when so received, shall be marked and made a part of the record.

4. A stenographic record or tape recording of the proceedings shall be taken. The two parties shall share the cost of the recording equally. The record or recording of the proceedings shall be preserved for a period of six months. If the school board requests that a transcript of the record or recording be made at any time prior to expiration of the six-month period, it shall be made and copies shall be furnished to both parties. The school board shall bear the expense of the transcription.

5. The teacher shall bear his own expenses. The school board shall bear the expenses of the division superintendent and the hearing officer.

6. Witnesses who are employees of the school board shall be granted release time if the hearing is held during the school day. The hearing shall be held at the school in which most witnesses work, if feasible.

7. In the event of a hearing conducted by a hearing officer, the recommendation of the hearing officer shall be based exclusively upon the evidence presented at the hearing. Upon the hearing officer's own motion or upon application by the teacher or the division

Superintendent, the hearing officer may reopen the hearing for the purpose of hearing after-discovered evidence upon a finding of good cause by the hearing officer at any time before his recommendation is due. The hearing officer shall transmit his written recommendation and a record or recording of the hearing to the school board as soon as practicable and no more than 10 business days after the hearing.

8. In the event of a hearing by a hearing officer, the school board may make its decision upon the record or recording of such hearing or the school board may elect to conduct a further hearing to receive additional evidence. The school board must hold such further hearing as soon as practicable and must give written notice of the time and place of such further hearing to the division superintendent and the teacher within 10 business days after the board received the record or recording of the initial hearing. The notice must specify each matter to be inquired into by the school board. The school board shall determine the procedure to be followed at such further hearing.

#### C. School board determination.

1. In the event of a hearing before the school board, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after the hearing. The decision of the school board shall be reached after considering the evidence and information presented at the school board hearing.

2. In the event of a hearing before a hearing officer followed by a further hearing by the school board pursuant to subdivision B 8 of this section, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after such further hearing. The decision of the school board shall be reached after considering the record or recording of the initial hearing, the recommendations of the hearing officer, and the evidence and information presented at the further hearing before the school board.

3. In the event of a hearing before a hearing officer in cases in which no further hearing is conducted by the school board, the school board shall give the teacher its written decision as soon as practicable and no more than 30 days after receiving the record or recording of the hearing. The decision of the school board shall be reached after considering the record or recording of the hearing and the recommendations of the hearing officer.

4. The school board may dismiss or suspend a teacher upon a majority vote of a quorum of the school board. The school board's attorney, assistants, or representative, if he or they represented a participant in the prior proceedings; the grievant; the grievant's attorney or representative; and, notwithstanding the provisions of § 22.1-69 of the Code of Virginia, the superintendent shall be excluded from any executive session of the school board that has as its purpose reaching a decision on a grievance. However, immediately after a decision has been made and publicly announced, as in favor of or not in favor of the grievant, the school board's attorney or representative and the superintendent may join the school board in executive session to assist in the writing of the decision.

### **8VAC20-90-80. Time limitations.**

The right of any party to proceed at any step of the grievance procedure shall be conditioned upon compliance with the time limitations and other requirements set forth in this grievance procedure.

1. The failure of the grievant to comply with all substantial procedural requirements shall terminate the teacher's right to any further proceedings on the grievance unless just cause for such failure can be shown.

2. The failure of the school board or of any supervisory employee to comply with all substantial procedural requirements without just cause shall entitle the grievant, at his option, to advance to the next step in the procedure or, at the final step, to a decision in his favor.

3. The determination as to whether the substantial procedural requirements of this Part III of the Procedure for Adjusting Grievances have been complied with shall be made by the school board. In any case in which there is a factual dispute as to whether the procedural requirements have been met or just cause has been shown for failure to comply, the school board shall have the option of allowing the grievance to proceed to its next step. The fact that the grievance is allowed to proceed in such case shall not prevent any party from raising such failure to observe the substantial procedural requirements as an affirmative defense at any further hearing involving the grievance.

## SUPPORT STAFF GRIEVANCES

The BLAND COUNTY School Board adopts the following procedure in accordance with § 22.1-79(6) of the Code of Virginia, as amended. Nothing in this procedure is intended to create, nor shall it be construed as creating, a property right in employment, nor shall this procedure be interpreted to limit in any way whatsoever the School Board's exclusive final authority over the employment and supervision of its personnel.

The following words and terms are defined as indicated when used in this procedure, unless the context clearly indicates otherwise.

"Days" means calendar days unless a different meaning is clearly expressed in this procedure. Whenever any period of time fixed by this procedure shall expire on a Saturday, Sunday or legal holiday, the period of time for taking action under this procedure shall be extended to the next day that is not a Saturday, Sunday or legal holiday. "Working days" means those days that the BLAND COUNTY School Board office is open for business.

"Dismissal" means the termination of employment of any covered employee with or without cause during the term of such employee's employment.

"Employee" or "employees" means all full-time employees of the BLAND COUNTY School Board who have completed the required probationary period except the division superintendent and those employees covered under the provisions of Articles 2 and 3 of Chapter 15 of Title 22.1 of the Code of Virginia, as amended. "Employee" does not mean a part-time or temporary employee.

"Grievance" means a complaint or dispute involving the dismissal or other disciplinary action of an employee. A dismissal, reassignment or other action pursuant to a Reduction in Force (RIF) is not a disciplinary action and is not grievable. Employee evaluations are not disciplinary actions and are not grievable. "Grievance" does not mean a complaint or dispute regarding the suspension of an employee. The procedure for the suspension of employees is set forth in Policy GCPF Suspension of Staff Members.

### Procedure

1. Written notice of the proposed action, along with a statement of the reasons for the action, shall be given to the employee by his building administrator/department head. Upon receipt of the recommendation, the employee is required to meet with a Human Resources administrator. During this meeting the employee will receive a copy of this policy as notice of his grievance rights. The employee may file a written request for a hearing with the superintendent within five (5) working days of receiving the written notice. The failure to file such a request within the prescribed time will constitute a waiver of the right to a hearing and the proposed action will become final without a hearing or further notice.

2. Upon receiving a timely written request, the superintendent shall select an external hearing officer to hear the grievance. The hearing officer will be selected from a list approved by the School Board. The hearing officer will hold a hearing within fifteen (15) working days of receipt of the employee's request. Notice of the hearing shall be given orally or in writing to the employee at least five (5) working days before the hearing. The employee and the school division will share the cost of the hearing officer and the cost of recording the hearing equally.
3. The employee and his supervisor may be represented by legal counsel or a lay advocate at the hearing, but not both. The division may also be represented by legal counsel at the hearing. The hearing will be private and the hearing officer will have full discretion over the conduct of the hearing. However, the employee and the division may make opening statements, may present all material and relevant evidence, including the testimony of witnesses, and may cross examine witnesses. Witnesses may be questioned by the hearing officer.
4. The hearing officer shall give the employee a written decision within five (5) working days after the completion of the hearing. The decision shall be based on the evidence relevant to the issues produced at the hearing in the presence of each party.
5. The employee may appeal the decision to the School Board by providing written notice of appeal to the superintendent within five (5) working days of receiving the decision of the hearing officer. Upon timely appeal, the School Board shall decide the appeal on the written record and render its decision within thirty (30) days of the appeal.

## PROCEDURE FOR ADJUSTING GRIEVANCES FOR SUPPORT STAFF

### **Preamble**

The School Board adopts the following procedure for adjusting grievances to provide, in accordance with the statutory mandate of 22.1-79(6) of the Code of Virginia, a timely and fair method of resolving disputes arising between the School Board and eligible employees regarding dismissal or other disciplinary actions.

### **Part I-Definitions**

The following words and terms, when used in this Procedure, shall have the following meaning:

**“Days”** means calendar days unless a different meaning is clearly expressed in this Procedure. Whenever any period of time fixed by this Procedure shall expire on a Saturday, Sunday, or legal holiday, the period of time for taking action under this Procedure shall be extended to the next day that is not a Saturday, Sunday, or legal holiday.

**“Disciplinary Probation” or “Probation”** means a period not to exceed one year during which time it shall be the duty of the employee to remedy the conduct that gave rise to the probationary status.

**“Dismissal”** means the termination of employment of any eligible employee within the term of such employee’s contract or term of employment for disciplinary reasons.

**“Eligible Employee” or “Employee”** means an employee who has completed the probationary period established in policy GDG excluding the division superintendent and those employees covered under Article 2 (§ 22.1-293 et seq.) and Article 3 (§ 22.1-306 et seq.) of Chapter 15 of Title 22.1 of the Code of Virginia. Substitutes, consultants, individuals receiving remuneration for providing contracted services and part-time employees are not eligible to use this Procedure.

**“Grievance”** means for the purpose of Part II, a dispute between an eligible employee and the School Board regarding disciplinary action other than the dismissal or disciplinary probation of the employee. Employee evaluations are not “disciplinary actions.” For the purpose of Part III, “grievance” means a dispute between an eligible employee and the School Board regarding such employee’s dismissal or probation. Grievances must be initiated in writing and describe the event or action complained of, the date of the event or action, a concise description of the basis for the claim and the relief requested on the form provided by the School Board. The term “grievance” does not include a dispute relating to the establishment and revision of wages or salaries, position classifications or general benefits; suspension; the establishment or contents of personnel policies, procedures, rules and regulations; failure to promote; or discharge, layoff, or suspension from duties because of decrease in enrollment, decrease in enrollment in a particular subject, abolition of a particular subject, budget cuts or insufficient funding; hiring, transfer, assignment, and retention of employees within the school division; suspension from duties in emergencies; or the methods, means, and personnel by which the school division's operations are to be carried on. While these management rights are reserved to the School Board, failure to apply, where applicable, these rules, regulations, policies, or procedures as written or established by the School Board may be grievable.

**“Personnel File”** means any and all memoranda, entries, or other documents included in the eligible employee’s file as maintained in the central school administration office or in any file regarding the eligible employee maintained within a school in which such employee serves.

**“Shall file,” “shall respond in writing” or “shall serve written notice”** means the document is either hand delivered to the grievant or office of the proper school board representative or is mailed by registered or certified mail, return receipt requested, and postmarked within the time limits prescribed by this Procedure. Such notice may be mailed to the last address provided by the grievant to the School Board. It is the duty of the grievant to notify the School Board in writing of any change of address.

**“Work Days”** means days the School Board office is open.

## **Part II**

### **Purpose**

Part II provides a timely and fair method of resolving disputes concerning disciplinary actions other than probation or dismissal. An equitable solution should be secured at the most immediate level of administration. This Part shall not be construed as limiting the right of any eligible employee to discuss any matter of concern with any member of the school administration. Nor should this Part be construed to restrict any employee’s right to seek, or the school administration’s right to provide, informal review of complaints that are not included in the definition of grievance. Nothing in this procedure shall be interpreted to limit the School Board’s exclusive final authority over the management and operation of the school division, nor confer any property right whatsoever.

### **Procedure**

#### **Management Steps:**

**Step 1-Immediate Supervisor.** The first Step shall be an informal conference between the eligible employee and his or her immediate supervisor. The employee shall state the nature of the grievance, and the immediate supervisor shall attempt to adjust the grievance. This Step may not be waived.

**Step 2-Principal.** If the grievance is not resolved in Step 1, the grievant may proceed to Step 2. At this Step, the grievant must file Form A with the Principal within fifteen days following the event giving rise to the grievance or within fifteen days following the time when the employee knew or reasonably should have known of its occurrence. Regardless of the outcome of Step 1, if Form A is not filed within the specified time, without just cause, the grievance shall be concluded. Form A shall be provided by the School Board. The grievant must indicate the specific relief requested on Form A.

A meeting shall be held between the principal and the grievant within five work days of the receipt of the grievance (Form A) by the principal. The principal shall set the time and place of the meeting. Both the grievant and the principal have the right to present appropriate witnesses and to be represented by a representative other than an attorney. The principal shall respond in writing (on Form A) to the grievant within five work days following the meeting.

The principal may forward to the grievant, within five days from the receipt of the written grievance, a written request for more specific information regarding the grievance. The grievant shall file an answer within 10 days of receipt of the request, and the meeting must be held within five days after the answer is filed or due to be filed, whichever is earlier.

**Step 3-Superintendent.** If the grievance is not resolved to the grievant's satisfaction in Step 2, the grievant may proceed to Step 3 by so indicating on Form A and filing it with the superintendent within five work days after receipt of the Step 2 response (or the due date of such response). A meeting shall be held between the superintendent or his designee or both and the grievant at a mutually agreeable time within five work days of the superintendent's receipt of the grievance. Failure of the grievant to agree upon a meeting time shall result in the conclusion of the grievance. At such meeting, both the superintendent and the grievant are entitled to present witnesses and to be represented by legal counsel or another representative. A representative may examine, cross-examine, question, and present evidence on behalf of the grievant or the superintendent without violating § 54.1-3904 of the Code of Virginia. If the grievant's representative is an attorney, the grievant must give advanced notice to the superintendent and agree to a meeting date when the School Board attorney can attend. The superintendent shall determine the propriety of attendance at the meeting of persons not having a direct interest in the grievance. The superintendent shall respond in writing (on Form A) within five work days following the meeting.

The superintendent or designee may request more information from the grievant if such was not requested in Step 2. The grievant shall respond to such request within ten days of receipt, and the meeting shall be held within five days of the date on which the answer was received by the superintendent or due to the superintendent.

The grievant shall bear his or her own expenses. The School Board shall bear the expenses of the superintendent. Witnesses who are employees of the School Board shall be granted release time to appear at the meeting if the meeting is held during their working hours.

**Step 4-School Board.** If the grievance is not resolved to the satisfaction of the grievant, he or she may advance the grievance to the School Board by so indicating on Form A and filing it with the superintendent within five work days after the decision of the superintendent or the due date thereof. The superintendent shall forward the grievance record to the School Board within five work days of receipt of the Form A. The School Board may, at its option, hold a hearing or may make a decision based on the grievance record and written evidence presented by the grievant and the superintendent. The School Board shall provide its written decision to the grievant within thirty days of the hearing or, if no hearing is held, within thirty days of receipt of the grievance record.

If the School Board holds a hearing, the grievant will bear his own expenses and the School Board will bear the expenses of the superintendent. Witnesses who are employees of the School Board will be granted release time if the hearing is held during their working hours. The hearing shall be held at the school in which most witnesses work, if feasible.

The hearing will be set within 30 days of the Board's decision to have a hearing, and the grievant must be given at least 15 days written notice of the date, place, and time of the hearing.

The grievant and the superintendent may be represented by legal counsel or another representative. The hearing before the School Board shall be private, unless the grievant requests a public hearing. The School Board shall establish the rules for the conduct of any hearing. Such rules shall include the opportunity for the grievant and the superintendent to make an opening statement and to present all material or relevant evidence, including the testimony of witnesses and the right of all parties or their representatives to cross-examine the witnesses. Witnesses may be questioned by the School Board.

The School Board's attorney, assistants, or representative, if he, or they, represented a participant in the prior proceedings, the grievant, the grievant's attorney, or representative and, notwithstanding the provisions of § 22.1-69 of the Code of Virginia, the superintendent shall be excluded from any closed session of the School Board which has as its purpose reaching a decision on the grievance. However, immediately after a decision has been made and publicly announced, as in favor of or not in favor of the grievant, the School Board's attorney or representative, and the superintendent, may join the School Board in closed session to assist in the writing of the decision.

A stenographic record or tape recording of the proceedings shall be taken unless the grievant and the School Board agree otherwise. If the recording is not dispensed with, the two parties shall share the cost of the recording equally, and if either party requests a transcript, that party shall bear the expense of its preparation.

The decision of the School Board shall be based solely on the transcript, if any; and any evidence relevant to the issues presented at the School Board hearing in the presence of each party. The School Board shall give the grievant its written decision within 30 days after the completion of the hearing.

The School Board may affirm, modify, or reverse the decision of the Superintendent. The decision of the School Board is final.

### **Part III**

#### **Purpose**

Part III provides a timely and fair method of resolving disputes regarding dismissal or placing on disciplinary probation. An equitable solution should be secured at the most immediate level of administration. This Part shall not be construed as limiting the right of any eligible employee to discuss any matter of concern with any member of the school administration. Nor should this Part be construed to restrict any employee's right to seek, or the school administration's right to provide, informal review of complaints that are not included in the definition of grievance. Nothing in this procedure shall be interpreted to limit the School Board's exclusive final authority over the management and operation of the school division, nor confer any property right whatsoever.

#### **Notice of Dismissal or Placing on Probation**

**Notice.** In the event the superintendent or designee decides to recommend the dismissal or placing on probation of an eligible employee, written notice shall be given to the employee on a form provided by the School Board (Form B) notifying the eligible employee of the recommendation and informing the eligible employee that within fifteen days of receiving the notice, the eligible employee may request a meeting with the superintendent.

**Preliminary Information Gathering.** During the time between notice and the Step 1 meeting, the merits of the recommended action shall not be considered, discussed, or acted upon by the School Board. At the request of the eligible employee, the superintendent shall provide the reasons for the recommendation in writing, or if the eligible employee prefers, in a personal interview. At the request of the employee, the superintendent shall provide the employee or his representative with the opportunity to inspect and copy his personnel file and all other documents relied upon by the superintendent in reaching his decision, unless confidential by law. Within ten days of the request of the superintendent, the employee shall provide the superintendent the opportunity to inspect and copy the documents to be offered in rebuttal to the superintendent's decision. The superintendent and the employee shall be under a continuing duty to disclose and produce any additional documents identified later that may be used in the respective parties' cases-in-chief. The cost of copying shall be paid by the requesting party.

## **Procedure**

**Step 1-Superintendent.** Within fifteen days of receiving notice of the recommendation of dismissal or probation, the employee may initiate a grievance by submitting Form C to the superintendent. A meeting shall be held within five work days of the superintendent's receipt of the Form C at a time and place designated by the superintendent. Each party may be represented by an attorney or other representative and will have the opportunity to present witnesses and documents. The meeting shall be closed to all other persons. The superintendent shall provide a written response on Form C within five work days of the conclusion of the meeting. This step may be waived at the option of the employee.

**Step 2-School Board.** An eligible employee may initiate a grievance by filing Form C with the superintendent within fifteen days from the receipt of notice from the superintendent or within five days after the conclusion of Step 1. Form C shall be provided by the School Board. The employee shall specify each matter to be addressed by the School Board on Form C.

The hearing shall be scheduled and conducted within thirty days of the receipt of the grievant's Form C. The grievant shall be given at least fifteen days written notice of the date, place, and time of the hearing and such notice shall also be provided to the superintendent.

The grievant and the superintendent may be represented by legal counsel or another representative. The hearing before the School Board shall be private, unless the grievant requests a public hearing. The School Board shall establish the rules for the conduct of the hearing. Such rules shall include the opportunity for the grievant/representative and the superintendent/ representative to make opening and closing statements and to present all material or relevant evidence, including the testimony of witnesses and the right of all parties to cross-examine the witnesses. Witnesses may also be questioned by the School Board.

A record or recording of the hearing shall be made and preserved for six months. If either the grievant or the School Board requests a transcript of the record or recording prior to

the expiration of the six month period, it shall be made and copies furnished to both parties. The School Board shall bear the expense of the recording and the transcription.

The School Board shall provide the grievant a written decision within thirty days after the completion of the hearing. The decision shall be based on the grievance record and the information presented at the hearing, if any. The School Board's attorney, assistants, or representative, if he or they represented a participant in the prior proceedings, the grievant, the grievant's attorney, or representative and, notwithstanding the provisions of § 22.1-69 of the Code of Virginia, the superintendent shall be excluded from any closed session of the School Board which has as its purpose reaching a decision on a grievance. However, immediately after a decision has been made and publicly announced, as in favor of or not in favor of the grievant, the School Board's attorney or representative and the superintendent may join the School Board in closed session to assist in the writing of the decision.

The School Board may accept, reject, or modify the recommendation of the superintendent. The decision of the School Board is final.

## **Part IV**

### **Determination of Grievability**

Decisions regarding whether a matter is grievable shall be made by the School Board at the request of the superintendent or grievant. The School Board shall reach its decision after allowing the superintendent and the grievant an opportunity to present written or oral arguments regarding grievability. The decision as to whether the arguments shall be written or oral shall be at the discretion of the School Board. A decision regarding grievability shall be made within ten days of such a request. The determination shall be made after the grievance is reduced to writing and prior to any School Board hearing or the right to such determination is waived. Failure of the School Board to make a timely determination shall entitle the grievant to advance to the next Step of the Procedure as if the matter were grievable.

### **Compliance with Procedural Requirements**

The right of any party to proceed at any step of this Procedure shall be conditioned upon compliance with the time limitations and other requirements set forth in this Procedure.

The failure of the grievant to comply with all substantial procedural requirements shall eliminate the grievant's right to proceed with the grievance unless just cause for the failure can be shown. The failure of the School Board or any supervisory employee to comply with all substantial procedural requirements without just cause shall entitle the grievant, at his option, to advance the grievance to the next Step or at the final Step to a decision in his favor.

The determination as to whether the substantial procedural requirements of this Procedure have been followed shall be made by the School Board. In any case in which there is a factual dispute as to whether the procedural requirements have been met or just cause has been shown, the School Board shall have the option of allowing the grievant to proceed to the next Step. The fact that the grievance is allowed to proceed in such case shall not prevent any party from raising such failure to observe the substantial procedural requirements as an affirmative defense at any further Step in this Procedure.

**Separability**

If any portion of this Part of the Procedure, or the application thereof, is held invalid by a court of competent jurisdiction, the remainder of this procedure and the application thereof in all other circumstances where not expressly held invalid shall not be affected.

## STAFF HIRING PROCEDURES

It is the desire of the BLAND COUNTY School Board to recruit, hire and retain the best possible qualified applicants.

The Superintendent is responsible for developing procedures for advertising vacancies and new positions. Those procedures will be designed to ensure that all openings are properly advertised to give all interested and qualified parties the opportunity to apply. While most positions will be filled using those procedures, the School Board may, at the request of the Superintendent, fill positions in other ways. For example, the School Board may authorize the filling of a position to accommodate the disability of an employee, to transfer an employee when it is determined to be in the best interest of the school division, to satisfy the rights of employees returning from leave, to move an employee whose performance is unsuccessful to a position in which the employee might be successful or to discipline an employee for conduct deficiencies.

Current division employees are given an opportunity to apply for positions for which they are qualified.

The applicant determined to be the best qualified shall be selected for a vacant or new position, regardless of whether the applicant is an internal or external candidate.

Application for employment in BLAND COUNTY Public Schools shall be made available via the internet at the Bland County Public School website, [www.bland.k12.va.us](http://www.bland.k12.va.us).

It is the responsibility of the applicant to furnish accurate information and any falsification of either information or credentials is cause for dismissal or refusal to employ.

## VOLUNTARY RETIREMENT SAVINGS PROGRAM

The Bland County School Division offers its employees the opportunity to participate in a defined contribution retirement plan, also known as a tax sheltered annuity or 403(b) program. This program is maintained and operated pursuant to a written plan.

The written plan contains all the material terms and conditions for eligibility, benefits, applicable limitations, the contracts available under the plan and the time and form under which benefit distributions may be made.

The written plan also addresses any optional features, including hardship withdrawal distributions, loans, plan-to-plan or annuity contract-to-annuity contract transfers and acceptance of rollovers to the plan, which are included in the Division's program.

The written plan may

- allocate responsibility for administrative functions, including functions to comply with the requirements of 26 U.S.C. § 403(b) and other tax requirements
- assign such responsibilities to parties other than the school division, but not to participants (unless the administration of the plan is a substantial portion of the duties of the participant)
- incorporate by reference other documents which thereupon become part of the written plan
- address termination of the program

Every employee of the school division is notified annually about the program.

## PROFESSIONAL STAFF

No teacher is regularly employed by the School Board or paid from public funds unless such teacher

- holds a license or provisional license issued by the Board of Education,
- holds a three-year license to teach high school career and technical education courses in specified subject areas or
- is hired to teach in a trade and industrial education program and for whom the teacher licensure requirements have been waived by the Virginia Department of Education.

If a teacher employed under a provisional license is activated or deployed for military service within a school year (July 1 - June 30), an additional year will be added to the teacher's provisional license for each school year or portion thereof during which the teacher is activated or deployed. The additional year shall be granted the year following the return of the teacher from deployment or activation.

The superintendent may request that the Board of Education extend the three-year provisional license of a teacher for at least one year but no more than two additional years. The request must be accompanied by the superintendent's recommendation for such extension and satisfactory performance evaluations for the teacher for each year of the original three-year license.

The Board of Education prescribes, by regulation, the requirements for the licensure for teachers and other school personnel required to hold a license. On recommendation of the superintendent, the School Board may waive applicable licensing requirements as specified Va. Code § 22.1-298.1 for any individual the School Board seeks to employ as a career and technical education teacher who is also seeking initial licensure or renewal of a license with an endorsement in the area of career and technical education.

## PROFESSIONAL STAFF CONTRACTS

The School Board enters into written contracts with teachers, principals, assistant principals, and supervisors as defined in 8 VAC 20-441-10 before such employees assume their duties except as noted below. Contracts are in the form permitted by the Board of Education, with special covenants added by the School Board as appropriate. Contracts are signed in duplicate, with a copy furnished to each party.

Written contracts are not required with persons who are temporarily employed. A temporarily employed teacher, is 1) one who is employed to substitute for a contracted teacher for a temporary period of time during the contracted teacher's absence, or 2) one who is employed to fill a teacher vacancy for a period of time, but for no longer than 90 teaching days in such vacancy, unless otherwise approved by the Superintendent of Public Instruction on a case-by-case basis, during one school year.

Coaching contracts and contracts for extracurricular activity sponsorship assignments where a monetary supplement is paid are separate from the employee's primary contract. Such contracts are in a form permitted by the Board of Education. Termination of the separate contract does not constitute cause for the termination of the primary contract.

For purposes of this policy, "extracurricular activity sponsorship" means an assignment for which a monetary supplement is received, requiring responsibility for any student organizations, clubs, or groups such as service clubs, academic clubs and teams, cheerleading squads, student publication and literary groups, and visual and performing arts organizations except those that are conducted in conjunction with regular classroom, curriculum, or instructional programs.

## SUPPLEMENTARY PAY

The BLAND COUNTY School Board approves all athletic coaching and other extracurricular activity sponsorships for which supplemental pay is provided. The Board establishes the amount of compensation for employees who coach or supervise such activities.

A separate contract in a form permitted by the Board of Education is executed by the School Board with an employee who receives supplemental pay for any athletic coaching assignment or extracurricular activity sponsorship assignment. All such contracts require a party intending to terminate the contract to give reasonable notice to the other party before termination thereof becomes effective.

For purposes of this policy, "extracurricular activity sponsorship" means an assignment requiring responsibility for any student organizations, clubs, or groups, such as service clubs, academic clubs and teams, cheerleading squads, student publication and literary groups, and visual and performing arts organizations except those activities that are conducted in conjunction with regular classroom, curriculum, or instructional programs.

## STAFF LEAVES AND ABSENCES

All employee leaves and absences are subject to school division policy and regulations. The superintendent shall establish any regulations necessary for the application of the division's policies regarding leaves and absences.

### **Sick Leave**

Each full-time employee of the Bland County School Board will earn a maximum of one (1) day of sick leave per month of employment each fiscal year. Sick leave days may be used for physical examinations, personal illness (including quarantine), and illness or death in the immediate family. Immediate family members are: children, spouse, parents, siblings, and grandparents.

An employee who has not requested and been granted leave by the Bland County School Division under the Family and Medical Leave policy but has taken sick leave for five (5) or more consecutive work days may be required by the employer to provide certification by a physician or licensed nurse practitioner of the need for continued use of sick leave days. Any certification requested by the employer shall be at the employee's expense. At the employer's discretion and expense, a second medical opinion may be required. The employer may also require certification by a physician or licensed nurse practitioner of the suitability of the employee to return to work and any limitations that have been created by the employee's illness or injury. An employee without advanced authorization of his/her immediate supervisor may use sick leave days. Personal leave and vacation leave requires advanced authorization. On the first day of work per new annual contract, an employee receives his/her allotted sick leave days for the entire year. To access and use the new allotment of sick leave days, an employee must report to work for at least one day. If the employee terminates employment before earning the advanced sick leave days, the Superintendent shall deduct the per diem rate of pay times the number of sick leave days advanced. Sick leave days, personal leave days, and vacation leave days must be taken in a minimum of one-half (1/2) day increments.

The School Board may approve the transfer of sick leave days to another employee who has exhausted (zero days) all sick leave, personal leave, and vacation leave and who still has a legitimate and continuing need for sick leave as verified by a medical doctor. Employees who wish to transfer sick leave days to another employee must notify the Supervisor of Finance. Employees may request the preapproval of up to ten days of sick leave transfer to another employee. However, no sick leave is transferred until the receiving employee has completed the appropriate form documenting absence from work for medical reasons.

Retiring employees are paid twenty-five (\$25.00) dollars per day for all unused sick leave days. For any employee who has resigned, accumulated sick leave days may be transferred to any public school division or private school that will accept the sick leave days; however, the employee will not be paid for unused sick leave. Payment to retiring employees for unused sick leaves days will be in the form of a Variable Annuity 403 (b) Retirement Pay Plan. The 403 (b) plan saves retiring employees Social Security taxes and Medicare taxes. The 403 (b) plan also delays payment of Federal and Virginia income taxes until the funds are withdrawn or distributed. The money in a 403 (b) plan

may be withdrawn immediately (forms are available through Virginia Retirement Specialists); delayed to future years; or may be immediately transferred (waiver granted) to a retiring employee's IRA or 403 (b) account with a different financial services provider. The 403 (b) Retirement Pay Plan is not optional for School Board employees in order for the retirement pay plan to meet Internal Revenue Services (IRS) guidelines. Thus, participation in the 403 (b) plan is mandatory for retiring employees with unused sick leave days.

### **Bereavement Leave**

When a death occurs in an employee's immediate family, the employee may take up to three (3) consecutive days off with pay to attend the funeral or make funeral arrangements. If additional time is used, it will be considered sick or personal time. If the employee has no sick or personal days, the additional time taken will be without pay.

An employee who wishes to take time off due to the death of an immediate family member should notify his or her supervisor as soon as possible. If an employee is notified of the death while at work and, as a result, leaves work early, that day will not count as bereavement leave.

"Immediate family" for the purpose of bereavement leave is defined as a spouse, domestic partner, parent or someone who served "in loco parentis", grandparent, sibling, child, grandchild, stepparent, stepchild, and in-laws.

Aunts, uncles, nieces, nephews, and first cousins are not considered immediate family. The employee is allowed one (1) day off with pay for the death of these extended family members. If additional days are used, they will be considered sick or personal time. If the employee has no sick or personal days, the additional time taken will be without pay.

### **Personal Leave**

Each full-time employee will receive three (3) days of personal leave per year. A maximum of five (5) personal days may be accumulated. Accumulated personal days in excess of five days (5) are added to an employee's accumulated sick leave days at the end of the fiscal year.

If an employee resigns or retires during his/her contract year, personal leave days are prorated.

### **Vacation Leave**

All full-time twelve (12) month employees of the Bland County School Board earn twelve (12) paid vacation days at the rate of one (1) day per month of employment each fiscal year.

A maximum of twenty (20) vacation days may be accumulated. Accumulated vacation days in excess of twenty (20) are forfeited by the employee. Extended vacations [two (2) or more consecutive days] must be approved in writing two weeks in advance by the immediate supervisor (except in cases of emergencies) so as not to negatively impact the operations of a school or the school division.

## **PROFESSIONAL LEAVE**

Activities for which professional leave may be granted include:

1. Official business for the school division and so designated and approved by administration.
2. Presentation regarding topics on programs and/or activities emanating from Bland County Public schools; and/or
3. Visitation to other divisions with outstanding programs and/or facilities relevant to ongoing studies in Bland County Public Schools.

No employee will receive reimbursement from Bland County Public Schools for travel and/or other expenses associated with a professional leave activity if the employee receives or will receive reimbursement for the travel and/or other expenses associated with the professional leave activity from another source.

Excluding reimbursement for travel and/or other expenses, no employee may receive professional leave to participate in an activity for which the employee receives compensation for his/her participation.

## FAMILY AND MEDICAL LEAVE

### Generally

The BLAND COUNTY School Board recognizes its obligation to provide its eligible employees with unpaid leave pursuant to the Family and Medical Leave Act (FMLA), 29 U.S.C. § 2601 et seq. This policy describes the benefits available to eligible employees under the Act.

### Definitions

**Covered active duty:** The term covered “active duty” means

- in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and
- in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty under a provision of law referred to in 10 U.S.C. § 101(a)(13)(B).

**Covered servicemember:** The term “covered servicemember” means

- a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces, including a member of the National Guard or Reserves, at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

**Eligible employee:** To be eligible for leave under this policy the employee must have at least twelve (12) months of service with the BLAND COUNTY school division and have worked at least 1250 hours according to the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., in the twelve (12) months preceding the commencement of the leave. Full-time teachers are deemed to meet the 1250 hour test.

**Instructional employee:** Employees whose principal function is to teach and instruct students in a class, a small group, or an individual setting such as teachers, athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, or auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily noninstructional employees.

**Next of kin:** The term “next of kin” used with respect to an individual, means the nearest blood relative of that individual other than the covered servicemember’s spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins,

unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin.

Outpatient status: The term "outpatient status," with respect to a covered servicemember, means the status of a member of the Armed Forces assigned to

- A. a military medical treatment facility as an outpatient; or
- B. a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.

Serious health condition: A serious health condition is an illness, injury, impairment or condition that involves inpatient care or continuing treatment by a health care provider.

Serious injury or illness: The term "serious injury or illness," in the case of

- a member of the Armed Forces, including a member of the National Guard or Reserves, means an injury or illness incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating; and
- a veteran who was a member of the Armed Forces, including a member of the National Guard or Reserves, at any time during a period described in 29 U.S.C. § 2611(15)(B), means a qualifying (as defined by the Secretary of Labor) injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

Year: A rolling 12-month period measured backward from the date an employee uses an FMLA leave.

## Leave

Any eligible employee is entitled to leave for a combined total of twelve (12) weeks per year for the following situations:

1. The birth and care of a newborn child;
2. The adoption or foster placement of a child;
3. To care for an employee's spouse, parent, or child with a serious health condition;

4. Because of a serious health condition that makes the employee unable to perform the essential functions of the employee's job; and
5. Because of any qualifying exigency as defined in Department of Labor regulations, arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

However, an eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember is entitled to a total of 26 workweeks of leave per year to care for the servicemember. Leave under this paragraph is available only during a single year. During that year the employee is entitled to a combined total of 26 workweeks of leave under this policy.

To the extent that an employee is entitled to compensated leave under other BLAND COUNTY school division policies, such paid leave shall be substituted for unpaid FMLA leave. Otherwise, family and medical leave is unpaid. When paid leave is available, the employee must satisfy any procedural requirements of the division's paid leave policy.

Employees on FMLA leave must report their status and intention regarding returning to work to the school division at least every four weeks.

#### Notice to Employees of Their Rights under the FMLA

##### Posting and General Notice

The BLAND COUNTY school division shall post, in conspicuous places, on the premises of the school division where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor. Attachment 1 may be used as the notice.

A copy of Attachment 1 will also be given to each employee by including it in the employee handbook or similar document or by distributing it to each new employee upon hiring.

##### Eligibility Notice

When an employee requests FMLA leave, or the division has knowledge that an employee's leave may be for an FMLA-qualifying reason, the division should notify the employee of the employee's eligibility to take FMLA leave within five business days. The Eligibility Notice should state whether the employee is eligible for FMLA leave. If the employee is not eligible for FMLA leave, the Notice must state at least one reason why the employee is not eligible (such as, for example, the number of months the employee has worked for the division.) This notification may be accomplished by providing the employee a copy of Attachment 4.

##### Notice of Rights and Responsibilities

The division will provide written notice detailing the specific expectations and obligations of the employee and explaining the consequences of the failure to meet those obligations each time the employee is given an Eligibility Notice. This Notice will include, as appropriate:

- that the leave may be designated and counted against the employee's annual FMLA leave entitlement and the 12-month period for FMLA entitlement;
- any requirements for the employee to furnish certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status, and the consequences of failing to provide certification;
- that the division will substitute paid leave for unpaid leave and any conditions related to the substitution and the employee's right to take unpaid FMLA leave if the employee does not meet the conditions for paid leave;
- any requirement for the employee to make any premium payments to maintain health benefits and the arrangements for making such payments, and the possible consequences of failure to make such payments on a timely basis;
- the employee's rights to maintenance of benefits during the FMLA leave and restoration to the same or an equivalent job upon return from FMLA leave; and
- the employee's potential liability for payment of health insurance premiums paid by the employer during the employee's unpaid FMLA leave if the employee fails to return to work after FMLA leave.

The Notice of Rights and Responsibilities should be accompanied by any required certification form.

The Notice of Rights and Responsibilities will also include notice that employees on FMLA leave must report their status and intention regarding returning to work to the division at least every four weeks.

If the information provided by the Notice of Rights and Responsibilities changes, the division will, within five business days of receipt of the employee's first notice of need for leave subsequent to any change, provide written notice referencing the prior notice and setting forth any of the information in the Notice of Rights and Responsibilities that has changed.

#### Designation Notice

When the division has enough information to determine whether the leave is being taken for a FMLA-qualifying reason, the division should give the employee written notice whether the leave will be designated and will be counted as FMLA leave within five business days. If the division determines that the leave will not be designated as FMLA-qualifying, the division must inform the employee of that determination. The division will also notify the employee that paid leave must be substituted for unpaid FMLA leave or that paid leave taken under an existing leave plan be counted as FMLA leave at the time of designating the FMLA leave.

If the division will require the employee to present a fitness-for-duty certification to be restored to employment after taking leave for a continuous period of time, the division will provide notice of the requirement with the Designation Notice. If the division will require that the fitness-for-duty certification address the employee's ability to perform the essential functions of the employee's position, the division must so indicate in the Designation Notice and must include a list of the essential functions of the employee's position.

If the division has reasonable safety concerns regarding the ability of an employee who is returning to work after intermittent or reduced leave schedule to perform his or her duties based on the serious health condition for which the employee took leave, it may require the employee to submit a fitness for duty certification unless one has been submitted within the past 30 days.

If the leave is not designated as FMLA leave because it does not meet the requirements of the FMLA, the notice to the employee that the leave is not designated as FMLA leave may be in the form of a simple written statement.

If the information provided by the division to the employee in the Designation Notice changes, the division will provide, within five business days of receipt of the employee's first notice of need for leave subsequent to any change, written notice of the change.

The division will notify the employee of the amount of leave counted against the employee's FMLA leave entitlement. If the amount of leave needed is known at the time the employer designates the leave as FMLA-qualifying, the division must notify the employee of the number of hours, days, or weeks that will be counted against the employee's FMLA leave entitlement in the Designation Notice. If it is not possible to provide the hours, days, or weeks that will be counted against the employee's FMLA leave entitlement, then the division must provide notice of the amount of leave counted against the employee's FMLA leave entitlement upon request by the employee but no more often than once in a 30-day period and only if leave was taken in that period.

The division's decision to designate leave as FMLA-qualifying will be based only on information received from the employee or the employee's spokesperson. If the division does not have sufficient information about the reason for an employee's use of leave, the division will inquire further of the employee or the spokesperson to ascertain whether leave is potentially FMLA-qualifying. Once the division has knowledge that the leave is being taken for a FMLA-qualifying reason, the division will provide the employee the notice described in this subsection.

An employee giving notice of the need for FMLA leave must explain the reasons for the needed leave so as to allow the division to determine whether the leave is FMLA-qualifying. If the employee fails to explain the reasons, leave may be denied.

Leave for the Birth, Adoption or Foster Placement of a Child

The employee's entitlement to leave for a birth, adoption or foster placement of a child expires at the end of the twelve month period beginning on the date of the birth, adoption or foster placement. Leave taken for the birth, adoption or foster placement of a child may be taken intermittently or on a reduced leave schedule if the superintendent agrees to such an arrangement.

If the necessity for leave for the birth, adoption or foster placement of a child is foreseeable based on an expected birth or placement, the employee shall provide the school division with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave. If the date of the birth or placement requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable. The employee's notice should be sufficient to make the division aware that the employee needs FMLA-qualifying leave and of the anticipated timing and duration of the leave.

#### Leave Because of a Serious Health Condition of Employee

Employees are entitled, when medically necessary, to take such leave on an intermittent or reduced leave schedule except as provided below.

If the necessity for leave is foreseeable based on planned medical treatment, the employee shall

- (1) make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the division; and
- (2) provide the division with at least 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave. If the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

The employee's notice should be sufficient to make the division aware that the employee needs FMLA-qualifying leave and of the anticipated timing and duration of the leave.

The School Board may require that a request for leave because of the employee's own serious health condition be supported by a certification issued by a health care provider of the employee. The division may use Form WH-380-E (Attachment 2) for this certification. The division should request that the employee furnish certification when the employee gives notice of the need for leave or within five business days thereafter, or, in the case of unforeseen leave, within five business days after the leave begins. The division may request certification at a later date if it later has reason to question the appropriateness of the leave or its duration. The employee must provide a complete and sufficient certification within 15 calendar days after the division's request. When the division requests certification, it will advise the employee of the anticipated consequences of the employee's failure to provide adequate certification.

Certification will be sufficient if it states

- (1) the name, address, telephone number and fax number of the health care provider and the type of medical practice/specialization;

- (2) the approximate date on which the serious health condition commenced and its probable duration;
- (3) a statement or description of appropriate medical facts regarding the employee's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for leave; and
- (4) information sufficient to establish that the employee is unable to perform the essential functions of his or her position, the nature of any other work restrictions, and the likely duration of such inability.

If an employee requests leave on an intermittent or reduced leave schedule for planned medical treatment of his or her serious health condition, the certification shall include information sufficient to establish the medical necessity for such intermittent or reduced schedule leave and an estimate of the dates on which such treatment is expected to be given and the duration of such treatment and any period of recovery.

If an employee requests leave on an intermittent or reduced leave schedule because of his or her own serious health condition that may result in unforeseeable episodes of incapacity, the certification shall include information sufficient to establish the medical necessity for the intermittent leave or leave on a reduced leave schedule, and an estimate of the frequency and duration of the episodes of incapacity.

If the employee submits a complete and sufficient certification signed by the health care provider, the division may not request additional information from the health care provider. However, the division may contact the health care provider for purposes of clarification and authentication of the medical certification. To make such contact, the division must use a health care provider, a human resources professional, a leave administrator, or a management official. The employee's direct supervisor may not contact the employee's health care provider.

If the school division doubts the validity of a certification, it may require, at its own expense, that the employee obtain the opinion of a second health care provider designated or approved by the school division concerning any information certified. The health care provider designated or approved by the school division may not be employed by the school division on a regular basis.

If the second opinion differs from the original certification, the school division may require, at its own expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the school division and the employee concerning information certified. The opinion of the third health care provider will be binding on both the school division and the employee.

#### Leave Because of a Serious Health Condition of a Child, Spouse, or Parent of Employee

Family and medical leave shall be provided when the employee is needed to care for his/her spouse, child or parent with a serious health condition, as defined above. Employees are entitled, when medically necessary, to take such leave on an intermittent or reduced leave schedule except as provided below.

If the necessity for leave is foreseeable based on planned medical treatment, the employee shall

- (1) make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the division; and
- (2) provide the division with at least 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave. If the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

The employee's notice should be sufficient to make the division aware that the employee needs FMLA-qualifying leave and the anticipated timing and duration of the leave.

The School Board may require that a request for leave to care for an employee's spouse, parent, or child with a serious health condition be supported by a certification issued by a health care provider of the family member in need of care. The division may use Form WH-380-F (Attachment 3) for this medical certification. The division should ask the employee to furnish certification when the employee gives notice of the need for leave or within five business days thereafter, or, in the case of unforeseen leave, within five business days after the leave begins. The division may request certification at some later date if it has reason to question the appropriateness of the leave or its duration. The employee must provide the requested certification within 15 calendar days after the division's request. When the division requests certification, it will advise the employee of the anticipated consequences of the employee's failure to provide adequate certification.

Certification will be sufficient if it states

- (1) the name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
- (2) the approximate date on which the serious health condition commenced and its probable duration;
- (3) a statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for leave; and
- (4) information sufficient to establish that the family member is in need of care and an estimate of the frequency and duration of the leave required to care for the family member.

If an employee requests leave on an intermittent or reduced leave schedule for planned medical treatment of a family member's serious health condition, the certification shall include information sufficient to establish the medical necessity for such intermittent or reduced schedule leave and an estimate of the dates and the duration of such treatments and any periods of recovery.

If an employee requests leave on an intermittent reduced leave schedule in order to care for a family member with a serious health condition, the certification shall include a statement that the employee's intermittent leave or leave on a reduced leave schedule is medically necessary for the care of the son, daughter, parent, or spouse who has a

serious health condition, or will assist in their recovery, and the expected duration and schedule of the intermittent leave or reduced leave schedule.

If the employee submits a complete and sufficient certification signed by the health care provider, the division may not request additional information from the health care provider. However, the division may contact the health care provider for purposes of clarification and authentication of the medical certification. To make such contact, the division must use a health care provider, a human resources professional, a leave administrator, or a management official. The employee's direct supervisor may not contact the employee's health care provider.

If the school division doubts the validity of a certification, it may require, at its own expense, that the employee obtain the opinion of a second health care provider designated or approved by the school division concerning any information certified. The health care provider designated or approved by the school division may not be employed by the school division on a regular basis.

If the second opinion differs from the original certification, the school division may require, at its own expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the school division and the employee concerning information certified. The opinion of the third health care provider will be binding on both the school division and the employee.

#### Leave to Care for a Covered Servicemember

If the necessity for leave is foreseeable based on planned medical treatment for a serious injury or illness of a covered servicemember, the employee shall

- (1) make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the division; and
- (2) provide the division with at least 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave. If the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

The employee's notice should be sufficient to make the division aware that the employee needs FMLA-qualifying leave and the anticipated timing and duration of the leave.

The School Board may require that a request for leave to care for a covered servicemember with a serious injury or illness be supported by a certification issued by a health care provider of the covered serviceperson. The certification may be completed by any health care provider listed in 29 C.F.R. 825.310(a). The employee shall provide, in a timely manner, a copy of such certification to the school division.

Certification will be sufficient if it states

- (1) the name, address, and appropriate contact information (telephone number, fax number, and/or email address) of the health care provider,

the type of medical practice, the medical specialty, and whether the health care provider is one of the following: a (DOD) health care provider, a United States Department of Veterans Affairs (VA) health care provider, a DOD TRICARE network authorized private health care provider, or a DOD non-network TRICARE authorized health care provider or a health care provider as defined in 29 C.F.R. 825.125;

- (2) whether the covered servicemember's injury or illness was incurred in the line of duty on active duty;
- (3) the approximate date on which the serious health condition or serious injury or illness commenced or was aggravated and its probable duration;
- (4) a statement or description of appropriate medical facts regarding the covered servicemember's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for leave; and
- (5) information sufficient to establish that the covered servicemember is in need of care and whether the covered servicemember will need care for a single continuous period of time, including any time for treatment and recovery, and an estimate as to the beginning and ending dates for this period of time.

If an employee requests FMLA leave on an intermittent or reduced leave schedule for planned medical treatment appointments for the covered servicemember, the certification must state that there is a medical necessity for the covered servicemember to have such periodic care and must contain an estimate of the treatment schedule of such appointments.

If an employee requests FMLA leave on an intermittent or reduced schedule basis to care for a covered servicemember other than for planned medical treatment, the certification must contain a statement that there is a medical necessity for the covered servicemember to have such periodic care, and must contain an estimate of the frequency and duration of the periodic care.

In addition to the information listed above, the division may also request that the certification set forth the information on Form WH-385 (Attachment 7.)

In lieu of Form WH-385, the division will accept invitational travel orders (ITOs) or invitational travel authorizations (ITAs) issued to any family member to join an injured or ill servicemember at his or her bedside. An ITO or ITA is sufficient certification for the duration of time specified in the ITO or ITA. During that time period, the employee may take leave to care for the covered servicemember in a continuous block of time or on an intermittent basis.

The information on the certification must relate only to the serious injury or illness for which the current need for leave exists. The division may seek authentication or clarification of the certification, ITO, or ITA but may not seek second or third opinions. The division may require an employee to provide confirmation of covered family relationship to the seriously injured or ill servicemember.

The division will also accept as sufficient certification of the servicemember's serious injury or illness documentation indicating the servicemember's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

#### Leave Related to a Qualifying Exigency arising from Covered Active Duty or a Call to Covered Active Duty

If the necessity for leave because of a qualifying exigency arising from the fact that a family member is on covered active duty or has been notified of an impending call to covered active duty is foreseeable, the employee shall give such notice to the school division as is reasonable and practicable. The employee's notice should be sufficient to make the division aware that the employee needs FMLA-qualifying leave and the anticipated timing and duration of the leave.

The first time an employee requests leave because of a qualifying exigency arising out of the covered active duty or call to covered active duty status (or notification of an impending call or order to covered active duty) of a military member, the division may require the employee to provide a copy of the military member's active duty orders or other documentation issued by the military which indicates that the military member is on covered active duty or call to covered active duty status and the dates of the military member's covered active duty service. A copy of new active duty orders or other documentation issued by the military shall be provided to the division if the need for leave because of a qualifying exigency arises out of a different covered active duty or call to covered active duty status (or notification of an impending call or order to covered active duty) of the same or a different military member.

A request for leave because of a qualifying exigency must be supported by

- (1) a statement or description signed by the employee of appropriate facts regarding the qualifying exigency for which FMLA leave is requested. The facts must be sufficient to support the need for leave;
- (2) the approximate date on which the qualifying exigency commenced or will commence;
- (3) the beginning and ending dates of absence if the employee requests leave because of a qualifying exigency for a single, continuous period of time;
- (4) an estimate of the frequency and duration of the qualifying exigency if the employee requests leave because of a qualifying exigency on an intermittent or reduced schedule basis;
- (5) if the qualifying exigency involves meeting with a third party, appropriate contact information for the individual or entity with whom the employee is meeting and a brief description of the purpose of the meeting; and
- (6) if the qualifying exigency involves Rest and Recuperation leave, a copy of the military member's Rest and Recuperation orders, or other documentation issued by the military which indicates that the military member has been granted Rest and Recuperation leave, and the dates of the military member's Rest and Recuperation leave.

The division may use Form WH-384 (Attachment 6) for this certification.

## Rules for Intermittent and Reduced Schedule Leave

When permitted by the FMLA, intermittent and reduced schedule leave may be used until the aggregate amount of such leave equals twelve weeks or 26 weeks if the leave is taken to care for a covered servicemember in the employee's rolling year. However, when the employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment the school division may temporarily transfer the employee to an available alternative position with equivalent pay and benefits that better accommodates the employee's intermittent or reduced schedule leave.

When an eligible employee employed principally in an instructional capacity requests leave to care for a family member with a serious health condition, leave because of the employee's own serious health condition, or leave to care for a covered servicemember and the leave is foreseeable based on planned medical treatment and the employee would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, the school division may require the employee to elect either

- (1) to take leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
- (2) to transfer temporarily to an available alternative position offered by the school division for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the employee's regular employment position.

The school division may require an employee to make such an election when the employee has

- (1) made a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the division, subject to the approval of the health care provider; and
- (2) has provided the division with not less than 30 days' notice before the date the leave is to begin, of the employee's intention to take leave, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

## Rules for Husband and Wife Employed by BLAND COUNTY School Division

A husband and wife who are both eligible for family and medical leave and are employed by BLAND COUNTY school division shall be granted family and medical leave only for a combined total of twelve weeks per year when the leave is taken for the birth, foster placement, or adoption of a child or to care for the child after birth, adoption, or foster placement or to care for a parent with a serious health condition.

A husband and wife who are both eligible for family and medical leave and are employed by BLAND COUNTY school division shall be granted family and medical leave only for a combined total of 26 workweeks per year if the leave

- (1) is taken to care for a covered servicemember; or

- (2) is taken as a combination of leave to care for a covered servicemember and leave for the birth, foster placement, or adoption of a child or to care for the child after birth, adoption, or foster placement or to care for a parent with a serious health condition. However, if the leave taken by the husband and wife includes leave for the birth, foster placement, or adoption of a child or to care for the child after birth, adoption, or foster placement or to care for a parent with a serious health condition, the leave for that reason shall be limited to 12 workweeks per year.

### Benefits During Family and Medical Leave

Employees on family and medical leave shall receive the group health insurance plan coverage on the same conditions as coverage would have been provided if the employee had been working during the period of leave. Other benefits shall be provided according to BLAND COUNTY school division policy for paid or unpaid leave, whichever applies.

If the employee fails to return to work when the period of leave to which he or she is entitled expires for any reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave, or other circumstances beyond the employee's control, the school division may recover the premium it paid for maintaining the employee's coverage during the period of unpaid leave in accordance with federal law.

### Return to Work

An employee on family and medical leave shall provide the division at least two work days' notice of the intent to return to work. The employee shall be returned to the same or equivalent position at the end of the family and medical leave unless the division shows that the employee would not otherwise have been employed at the time reinstatement is requested.

The following return to work provisions apply to instructional employees:

1. If an instructional employee begins family and medical leave more than five (5) weeks before the end of an academic term, the employee may be required to continue taking leave until the end of the term if the leave is at least three (3) weeks in duration and the return to work would occur during the last three (3) weeks of the academic term.
2. If an instructional employee begins family and medical leave a) because of the birth, adoption, or foster care placement of a son or daughter of the employee, b) to care for a family member with a serious health condition, or c) to care for a covered servicemember during the five (5) week period before the end of an academic term, the employee may be required to continue taking leave until the end of the academic term if the leave is longer than two (2) weeks in duration and the return to work would occur during the last two (2) weeks of the academic term.

3. If an instructional employee begins family and medical leave a) because of the birth, adoption, or foster care placement of a son or daughter of the employee, b) to care for a family member with a serious health condition, or c) to care for a covered servicemember during the three (3) week period before the end of an academic term, the employee may be required to continue taking leave until the end of an academic term if the leave is longer than five (5) working days in duration.

If an instructional employee is required to continue leave until the end of an academic term, only the period of leave until the employee is ready and able to return to work shall be counted against the family and medical leave entitlement. However, the division must continue the group health insurance coverage under the same conditions as if the employee were working.

#### Outside Employment

An employee who is on family and medical leave may not engage in employment for any other employer or self-employment while on leave. Falsification of records and failure to correct records known to be false are violations of this policy and will result in discipline which may include termination from employment.

## LEAVE WITHOUT PAY

### Employee's Debilitating or Life-Threatening Illness or Injury

A leave of absence, without pay, may be granted to employees of the school division who have a debilitating or life-threatening illness or injury and who are not eligible for Family and Medical Leave as described in Policy GCBE Family and Medical Leave because they have not worked for the division for 12 months or have not worked at least 1250 hours according to the Fair Labor Standards Act, 29 U.S.C. § 201 et seq.

Employees with a debilitating or life-threatening illness who are entitled to leave under this policy may take up to thirty (30) days unpaid leave during their first year of employment with the school division. Leave may be taken only in full-day increments. Leave may be taken only when the employee has no other leave (such as sick leave) available.

Employees must submit medical documentation of their need for leave. Whenever possible, documentation must be provided prior to leave being taken.

Approval must be obtained prior to leave being taken.

All rights under this policy expire at the end of the employee's first year of service.

### Other Work During Leave

Employees who are on unpaid leave pursuant to this policy or any other policy, except those on leave pursuant to the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) (see Policy GCBEB Military Leave and Benefits), may not engage in work for which they receive pay or any other type of remuneration without the prior written approval of the superintendent.

## MILITARY LEAVE AND BENEFITS

### Leave

All employees of BLAND COUNTY School Board who are members of the state or federal military reserves are entitled to leaves of absence from their duties on all days during which they are engaged in federally funded military duty, including training duty, or when called forth by the Governor.

Immediately upon receipt of official notice to report for duty, the employee will notify his or her supervisor of the need for military leave. A copy of the official orders must accompany the leave request.

### Pay/Paid Leave

All employees on military leave receive up to 15 days paid leave per federally funded tour of duty. When possible, military leave for employees on less than a 12 month contract should be arranged during non-duty hours.

An employee who is scheduled for a physical examination for military service during working hours, including but not limited to pre-induction physicals, receives paid leave.

In addition, full-time employees of the BLAND COUNTY School Division whose active duty service with the regular armed forces of the United States or the National Guard or other reserve component requires his or her absence from employment will receive supplemental pay in the amount that would supplement their active duty salary for up to 24 months to equal their compensation prior to entering active duty if the employee's military compensation is less than the regular salary paid to the employee by the school division.

The employee will be permitted, upon request, to use any vacation, annual, or similar leave that had accrued at the time military leave began.

Except as outlined above, military leave is unpaid.

### Benefits

#### Health Benefits

If the employee so desires, the employee and the employee's dependents may continue to participate in the division's group health plan for up to 24 months while the employee is on military leave. The employee must notify the Supervisor of Finance if the employee wants to continue participation in the division's group health plan. Employees who elect to continue on the division's health plan will be responsible for the following payments:

- The same amount as an employee on the same plan up through 30 consecutive days performing military service.
- For 31 consecutive days or more of performing military service, the employee will be responsible for 100% of the full premium.

## Retirement Benefits

An employee reemployed after military leave will be treated as not having incurred a break in service. The period of military leave will be considered service to the division for purposes of vesting and benefit accrual. The division is responsible for its pension plan funding obligation. The division is not required to make its contribution until the employee is reemployed.

The employee is allowed, but not required, to make up the employee's contributions to a contributory plan. The employee may repay his or her employee contributions for a period of up to three times the period of military service, but not to exceed five years. If the employee's retirement plan is contributory and the employee does not make up the employee's contributions, the employee will not receive the employer match or the accrued benefit attributable to the employee's contribution because the employer is required to make contributions that are contingent on the employee's contributions.

The employer and employee contribution will be calculated on the rate of pay the employee would have received but for the absence to serve military duty.

## Reemployment

An employee who is entitled to military leave by reason of service in the federal military reserves is entitled to be reemployed by the School Board as long as the employee

- has given advance notice of the need for military leave (unless notice is precluded by military necessity or is otherwise impossible or unreasonable);
- has not been absent from his or her job for more than five years; and
- returns to work as outlined below.

If the employee was absent from work for

- less than 31 days, the employee must report back to work by the beginning of the next regularly scheduled work period after a reasonable amount of time to arrive home, rest and report to work;
- more than 30 days but less than 181 days, the employee must submit an application for reemployment within 14 days after the completion of service;
- more than 180 days, the employee must submit an application for reemployment within 90 days after the completion of service.

Employees who are entitled to military leave due to service in the Virginia military reserves must make written application for reemployment within (1) 14 days of release from duty or from hospitalization following release if the length of the employee's absence by reason of service in the uniformed services does not exceed 180 days or (2) 90 days of his release from duty or from hospitalization following release if the length of the employee's absence by reason of service in the uniformed services exceeds 180 days.

Upon returning from duty, an employee will be restored to the same job he held before leaving or to a comparable job. The School Board is not obligated to reemploy persons returning from military leave in certain unusual situations specified by state and federal law.

#### Termination after Reemployment

A person who is reemployed after returning from more than 30 days of military duty will not be discharged except for cause

- within one year after the date of reemployment, if the person's period of military service before the reemployment was more than 180 days; or
- within 180 days after the date of reemployment, if the person's period of military service before the reemployment was more than 30 days but less than 181 days.

#### Discrimination Against Members of Military Reserves Prohibited

Members of the military reserves will not be denied initial employment, reemployment, retention in employment, promotion, or any benefit of employment on the basis of that membership.

The School Board may not employ or pay, and the superintendent may not recommend for employment, any family member of the superintendent or of a School Board member except as authorized in below. This prohibition does not apply to the employment, promotion, or transfer within the school division of any family member who
- has been employed pursuant to a written contract with the School Board or employed as a substitute teacher or teacher's aide by the School Board prior to the taking of office of the superintendent or any School Board member, or
  - has been employed pursuant to a written contract with the School Board or employed as a substitute teacher or teacher's aide by the School Board prior to the inception of the family relationship, or

## EFFECT OF CRIMINAL CONVICTION OR FOUNDED COMPLAINT OF CHILD ABUSE OR NEGLECT

### Generally

The Board will not hire or continue the employment of any part-time, full-time, temporary, or permanent personnel who are determined to be unsuited for service by reason of criminal conviction or information appearing in the registry of founded complaints of child abuse and neglect maintained by the Department of Social Services.

### I. APPLICANTS FOR EMPLOYMENT

#### A. Criminal Convictions

As a condition of employment for all of its public school employees, whether full-time or part-time, permanent, or temporary, the BLAND COUNTY School Board shall require on its application for employment certification (i) that the applicant has not been convicted of a felony or any offense involving the sexual molestation, physical or sexual abuse or rape of a child; and (ii) whether the applicant has been convicted of a crime of moral turpitude.

Notwithstanding the requirements of the previous paragraph, the School Board may employ an individual who, at the time of the individual's hiring, has been convicted of a felony, provided that such individual (i) was employed in good standing by a school board on or before December 17, 2015; (ii) has been granted a simple pardon for such offense by the Governor or other appropriate authority; and (iii) has had his civil rights restored by the Governor or other appropriate authority. However, the School Board may employ, until July 1, 2020, such an individual who does not satisfy the conditions set forth in clauses (ii) and (iii), provided that such individual has been continuously employed by the School Board from December 17, 2015 through July 1, 2018.

The BLAND COUNTY School Board shall also require on its application for employment, as a condition of employment requiring direct contact with students, whether full-time or part-time, permanent, or temporary, certification that the applicant has not been the subject of a founded case of child abuse and neglect. Any person making a materially false statement regarding a finding of child abuse and neglect shall be guilty of a Class 1 misdemeanor and upon conviction, the fact of said conviction shall be grounds for the Board of Education to revoke such person's license to teach.

As a condition of employment, any applicant who is offered or accepts employment, whether full-time, part-time, permanent or temporary with the BLAND COUNTY School Board shall submit to fingerprinting and provide personal descriptive information. The information and fingerprints shall be forwarded through the Central Criminal Records Exchange to the Federal Bureau of Investigations for the purpose of obtaining criminal history record information on applicants who are offered or accept employment.

To conserve the costs of conducting criminal history record checks to applicants and school boards, upon the written request of the applicant, BLAND COUNTY School Board shall inform another school board with which reciprocity has been established and to which the applicant also has applied for employment of the results of the criminal history record information conducted within the previous ninety days that it obtained concerning the applicant. Criminal history record information pertaining to an applicant for employment by a school board shall be exchanged only between school boards in the Commonwealth in which a current agreement of reciprocity for the exchange of such information has been established and is in effect. Reciprocity agreements shall provide for the apportionment of the costs of the fingerprinting or criminal records check between the applicant and BLAND COUNTY School Board as provided by statute.

If an applicant is denied employment because of information appearing on his/her criminal history record, the School Board shall provide a copy of the information provided by the Central Criminal Records Exchange to the applicant.

#### B. Founded Complaints of Child Abuse or Neglect

The School Board requires, as a condition of employment, that any applicant who is offered or accepts employment requiring direct contact with students, whether full-time or part-time, permanent or temporary, provide written consent and the necessary personal information for the School Board to obtain a search of the registry of founded complaints of child abuse and neglect. The registry is maintained by the Department of Social Services. The School Board shall ensure that all such searches are requested in conformance with the regulations of the Board of Social Services. In addition, where the applicant has resided in another state within the last five years, the School Board requires as a condition of employment that such applicant provide written consent and the necessary personal information for the School Board to obtain information from each relevant state as to whether the applicant was the subject of a founded complaint of child abuse and neglect in such state. The School Board shall take reasonable steps to determine whether the applicant was the subject of a founded complaint of child abuse and neglect in the relevant state. The Department of Social Services shall maintain a database of central child abuse and neglect registries in other states that provide access to out-of-state school boards for use by local school boards. The applicant may be required to pay the cost of any search conducted pursuant to this subsection at the discretion of the School Board. From such funds as may be available for this purpose, however, the School Board may pay for the search.

If the information obtained pursuant to the preceding paragraph indicates that the applicant is the subject of a founded case of child abuse and neglect, such applicant shall be denied employment, or the employment shall be rescinded.

If an applicant is denied employment because of information appearing on his record in the registry, the School Board shall provide a copy of the information obtained from the registry to the applicant. The information provided to the School Board by the Department of Social Services shall be confidential and shall not be disseminated by the School Board.

## II. EMPLOYEE CHARGES AND CONVICTIONS

### A. Criminal Proceedings

An employee who is charged by summons, warrant, indictment, or information with the commission of a felony or a misdemeanor specified in Va. Code § 22.1-315 may be suspended in accordance with Policy GCPF Suspension of Staff Members.

If a current employee is suspended or dismissed because of information appearing on his/her criminal history record, the School Board shall provide a copy of the information provided by the Central Criminal Records Exchange to the employee.

The superintendent shall inform the School Board of any notification of arrest of a school board employee received pursuant to Virginia Code §19.2-83.1. The School Board shall require such employee, whether full-time or part-time, permanent, or temporary, to submit to fingerprinting and to provide personal descriptive information to be forwarded along with the employee's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such employee. The contents of the employee's criminal record shall be used only to implement dismissal, suspension or probation in accordance with §§22.1-307 and 22.1-315 of the Code of Virginia.

### B. Founded Complaints of Child Abuse or Neglect

Any employee of BLAND COUNTY School Board will be dismissed if he or she is or becomes the subject of a founded complaint of child abuse and neglect and after all rights to an appeal provided by Va. Code § 63.2-1526 have been exhausted. The fact of such finding, after all rights to an appeal provided by Va. Code § 63.2-1526 have been exhausted, shall be grounds for the local school division to recommend that the Board of Education revoke such person's license to teach.

## III. COURT ORDERED PROBATION

For purposes of this policy, a court's placing an individual on probation pursuant to Va. Code § 18.2-251 is treated as a conviction and as a finding of guilt.

## IV. COSTS OF FINGERPRINTING, CRIMINAL RECORD AND ABUSE AND NEGLECT CHECKS

The applicant or employee shall pay for the fingerprinting, criminal record check and abuse and neglect check conducted pursuant to this policy.

## PROFESSIONAL STAFF PROBATIONARY TERM AND CONTINUING CONTRACT

### Teachers

#### Probationary Term

A probationary term of service of five years in BLAND COUNTY School Division is required before a teacher is issued a continuing contract. A mentor teacher is provided to every first year probationary teacher to assist him or her in achieving excellence in instruction. Probationary teachers with prior successful teaching experience may be exempt from this requirement with approval from the superintendent. Probationary teachers are evaluated at least annually in accordance with policy GCN Evaluation of Professional Staff. A teacher in the first year of the probationary period is evaluated informally at least once during the first semester of the school year. The superintendent considers such evaluations as one factor in making recommendations to the School Board regarding the nonrenewal of such teacher's contract. If a probationary teacher's evaluation is not satisfactory, the School Board does not reemploy the teacher.

In order to achieve continuing contract status, every teacher must successfully complete training in instructional strategies and techniques for intervention for or remediation of students who fail or are at risk of failing the Standards of Learning assessments. BLAND COUNTY School Board provides said training at no cost to teachers it employs. If such training is not offered in a timely manner, no teacher will be denied continuing contract status for failure to obtain such training.

Once a continuing contract status has been attained in a school division in this state, another probationary period need not be served unless such probationary period, not to exceed two years, is made a part of the contract of employment. If a teacher separates from service and returns to teaching service in Virginia public schools by the beginning of the third year, the person shall be required to begin a new probationary period, not to exceed two years, if made part of the contract.

If a teacher who has not achieved continuing contract status receives notice of re-employment, he must accept or reject in writing within 15 calendar days of receipt of the notice. Unless a conference with the superintendent is requested as specified in the Code of Virginia, or in the case of reduction in force, written notice of nonrenewal of the probationary contract must be given by the Board on or before June 15 of each year. If the teacher requests a conference with the superintendent, then written notice of non-renewal by the School Board must be given within thirty days after the superintendent notifies the teacher of his intention with respect to the recommendation.

#### Continuing Contract

Teachers employed after completing the probationary period are entitled to continuing contracts during good behavior and competent service. Written notice of noncontinuation of the contract by either party must be given by June 15 of each year; otherwise the contract continues in effect for the ensuing year.

The School Board may reduce the number of teachers, whether or not such teachers have reached continuing contract status, because of decrease in enrollment or abolition of particular subjects.

Furthermore, nothing in the continuing contract shall be construed to authorize the School Board to contract for any financial obligation beyond the period for which funds have been made available.

As soon after June 15 as the school budget is approved by the appropriating body, the School Board furnishes each teacher a statement confirming continuation of employment, setting forth assignment and salary.

Within two weeks of the approval of the school budget by the appropriating body, but no later than July 1, the School Board will notify any teacher who may be subject to a reduction in force due to a decrease in the School Board's budget as approved by the appropriating body.

#### Principals, Assistant Principals, and Supervisors

A person employed as a principal, assistant principal or supervisor, including a person who has previously achieved continuing contract status as a teacher, shall serve a probationary term of three years in such position in the same school division before acquiring continuing contract status as a principal, assistant principal or supervisor.

Continuing contract status acquired by a principal, assistant principal or supervisor shall not be construed (i) as prohibiting the School Board from reassigning such principal, assistant principal or supervisor to a teaching position if notice of reassignment is given by the School Board by June 15 of any year or (ii) as entitling any such principal, assistant principal or supervisor to the salary paid him as principal, assistant principal or supervisor in the case of any such reassignment to a teaching position. No such salary reduction and reassignment, however, shall be made without first providing such principal, assistant principal or supervisor with written notice of the reason for such reduction and reassignment and an opportunity to present his or her position at an informal meeting with the superintendent, the superintendent's designee or the School Board. Before recommending such reassignment, the superintendent shall consider, among other things, the performance evaluations for such principal, assistant principal or supervisor. The principal, assistant principal or supervisor shall elect whether such meeting shall be with the superintendent, the superintendent's designee or the School Board. The School Board, superintendent or superintendent's designee shall determine what processes are to be followed at the meeting. The decision to reassign and reduce salary shall be at the sole discretion of the School Board.

The intent of this section is to provide an opportunity for a principal, assistant principal or supervisor to discuss the reasons for such salary reduction and reassignment with the superintendent, the superintendent's designee or the School Board, and the provisions of this section are meant to be procedural only. Nothing

contained herein shall be taken to require cause for the salary reduction and reassignment of a principal, assistant principal or supervisor.

As used in this policy, "Supervisor" means a person who holds an instructional supervisory position as specified in the regulations of the Board of Education and who is required to hold a license as prescribed by the Board of Education.

## PROFESSIONAL STAFF ASSIGNMENTS AND TRANSFERS

Principals and other supervisory personnel may submit recommendations to the superintendent for the appointment, assignment, promotion, transfer and dismissal of all personnel assigned to their supervision.

Upon recommendation of the superintendent, the BLAND COUNTY School Board shall place all employees within the various schools and facilities located in the school division. The superintendent has the authority to assign such employees to their respective positions within the school or facility wherein they have been placed by the School Board.

The superintendent may also reassign any such employee for that school year to any school or facility within such division, provided no change or reassignment during a school year shall affect the salary of such employee for that school year. However, no one will be employed in or reassigned to a situation where a family member, as defined in Policy GCCB Employment of Family Members, is directly responsible for that employee's supervision.

Any employee seeking a transfer of assignment to another work location for the next school year must make a request in writing to the superintendent or the superintendent's designee, with copies to the current supervisor, not later than April 1. This type of request, if granted, will be considered a voluntary transfer. A change of assignment within an immediate work station is the responsibility of the immediate supervisor.

## EVALUATION OF PROFESSIONAL STAFF

Every employee of the BLAND COUNTY School Board staff is evaluated on a regular basis at least as frequently as required by law.

The superintendent assures that cooperatively developed procedures for professional staff evaluations are implemented throughout the division and included in the division's policy manual. The results of the evaluation are in writing, dated and signed by the evaluator and the person being evaluated, with one copy going to the central office personnel file and one copy to the person being evaluated.

The primary purposes of evaluation are:

- to optimize student learning and growth;
- to contribute to the successful achievement of the goals and objectives of the division's educational plan;
- to improve the quality of instruction by ensuring accountability for classroom performance and teacher effectiveness;
- to provide a basis for leadership improvement through productive performance appraisal and professional growth;
- to implement a performance evaluation system that promotes a positive working environment and continuous communication between the employee and the evaluator that promotes continuous professional growth, leadership effectiveness, improvement of overall job performance and improved student outcomes; and
- to promote self-growth, instructional effectiveness, and improvement of overall professional performance.

The procedures are consistent with the performance objectives included in the Guidelines for Uniform Performance Standards and Evaluation Criteria for Teachers and the Guidelines for Uniform Performance Standards and Evaluation Criteria for Principals. Evaluations include student academic progress as a significant component and an overall summative rating. Teacher evaluations include regular observation and evidence that instruction is aligned with the school's curriculum. Evaluations include identification of areas of individual strengths and weaknesses and recommendations for appropriate professional activities.

Any teacher whose evaluation indicates deficiencies in managing student conduct may be required to attend professional development activities designed to improve classroom management and discipline skills.

If a teacher's performance evaluation during the probationary period is not satisfactory, the School Board shall not reemploy the teacher.

## REDUCTION IN PROFESSIONAL STAFF WORK FORCE

A decrease in enrollment, abolition of particular subjects, a decrease in the School Board's budget as approved by the appropriating body, a consolidation of schools, the phasing out of programs, departments or grade levels and other conditions may cause a reduction in the number of staff needed in a building, program or department or in the entire school division.

General reduction in total personnel and redistribution of personnel within designated programs shall be done in accordance with regulations adopted by the Board. The regulations will not provide for reductions to be made solely on the basis of seniority; they will include consideration of the performance evaluations of the teachers potentially affected by the reduction in workforce.

The superintendent is authorized to approve resignations of employees. Any resignation must be in writing.

A teacher may resign after June 15 of any school year with the approval of the superintendent. The teacher shall request release from contract at least two weeks in advance of the intended date of resignation. Such request shall be in writing and state the cause of the resignation. The teacher may, within one week, withdraw a request to resign. Persons hired as school bus drivers must annually furnish the documents listed in (a) and (b) above prior to the anniversary date of their employment as a condition of continued employment as a school bus operator.

The BLAND COUNTY School Board requires proof of current certification or training in emergency first aid, cardiopulmonary resuscitation, and the use of an automated external defibrillator as a condition of employment to operate a school bus transporting pupils.

The BLAND COUNTY School Board does not employ drivers subject to controlled substances and alcohol testing required by federal law without first conducting a pre-employment query of the federal Drug and Alcohol Clearinghouse (the Clearinghouse) to obtain information about the driver. Drivers must give specific consent for the query.

No driver is permitted to perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test; or that an employer has reported actual knowledge that the driver used alcohol on duty, used alcohol before

duty, used alcohol following an accident, or used a controlled substance in violation of federal regulations, except where a query of the Clearinghouse demonstrated that the driver has successfully completed the substance abuse professional (SAP) evaluation, referral, and education/treatment process required by federal regulation; achieves a negative return-to-duty test result; and completes the follow-up testing plan prescribed by the SAP

The School Board also conducts a query of the Clearinghouse at least once per year for information for all employees subject to controlled substance and alcohol testing required by federal law and regulation to determine whether information exists in the Clearinghouse about these employees.

### Drug and Alcohol Testing

Drivers are subject to drug and alcohol testing as required by state and federal law. Any driver who refuses to submit to a test shall not perform or continue to perform safety-sensitive functions. The division administers alcohol and controlled substance tests in accordance with federal laws and regulations.

### Prohibited conduct

Drivers are prohibited from alcohol possession and/or use on the job, use during the four hours before performing safety-sensitive functions, having prohibited concentrations of alcohol in their systems while on duty or performing safety-sensitive functions, and use during eight hours following an accident or until after undergoing a post-accident alcohol test, whichever occurs first.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substances except when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance does not adversely affect his ability to safely operate a commercial motor vehicle.

### Notification

The superintendent or superintendent's designee is responsible for providing educational materials to drivers that explain the requirements of federal regulations and the divisions' policies and procedures with regard to meeting those requirements. The superintendent or superintendent's designee ensures that a copy of the materials is distributed to each driver prior to the start of testing and to each driver subsequently hired or transferred into a position requiring driving a commercial vehicle. Those materials contain at least the following information

- the identity of the person designated by the school division to answer driver questions about the materials;
- the categories of drivers subject to this policy;

- sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the work day the driver is required to be in compliance;
- specific information concerning driver conduct that is prohibited;
- the circumstances under which a driver will be tested for alcohol and/or controlled substances, including post-accident testing;
- the procedures that will be used to test for the presence of alcohol and controlled substances, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver, including post-accident information, procedures and instructions;
- the requirement that a driver submit to alcohol and controlled substances tests;
- an explanation of what constitutes a refusal to submit to an alcohol or controlled substances test and the attendant consequences;
- the consequences for drivers found to have violated federal law or regulations, including the requirement that the driver be immediately removed from safety-sensitive functions;
- the consequences for drivers found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or a controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management; and
- the requirement that the following personal information be reported to the Clearinghouse: a verified positive, adulterated, or substituted drug test result; an alcohol confirmation test with a concentration of 0.04 or higher; a refusal to submit to required tests; an employer's report of actual knowledge of on duty alcohol use, pre-duty alcohol use, post-accident alcohol use, and controlled substance use; a SAP report of the successful completion of the return-to-duty process; a negative return-to-duty test; and an employer's report of completion of follow-up testing.

Each driver must sign a statement certifying that the driver has received a copy of the above materials and the division maintains this signed copy.

Before performing each alcohol or controlled substances test, the division notifies the driver that the test is required by federal law or regulation.

#### Consequences of prohibited conduct

A driver who has engaged in conduct prohibited by federal regulation or for whom testing confirms prohibited alcohol concentration levels or the presence of a controlled substance, is removed immediately from safety-sensitive functions. Before a driver is returned to the performance of safety-sensitive functions, if at all, the driver shall undergo an evaluation by a substance abuse professional, as defined by 49 C.F.R.

§ 40.281, comply with any required rehabilitation and undergo a return-to-duty test with negative drug test results and/or an alcohol test with an alcohol concentration of less than 0.02.

#### Record retention

The division maintains records in compliance with the federal regulations in a secure location with controlled access. With the driver's consent, the division may obtain any of the information concerning drug and alcohol testing from the driver's previous employer. A driver is entitled upon written request to obtain copies of any records pertaining to the driver's use of alcohol or controlled substances including information pertaining to alcohol or drug tests.

Records shall be made available to a subsequent employer upon receipt of a written request from a driver. Disclosure by the subsequent employer is permitted only as expressly authorized by the terms of the driver's request.

## ACCEPTANCE OF ELECTRONIC SIGNATURES AND RECORDS

### Policy Statement

Electronic or digital signatures can take many forms and can be created using many different types of technology. The authenticity and reliability of electronic signatures relating to transactions are dependent on the accompanying processes, supplemental records and the overall context in which records are created, transferred, and signed. The BLAND COUNTY School Board adopts the following policy with respect to the use of electronic records and signatures in connection with its communications with parents, guardians, or other persons having control over a child enrolled in this division.

### Definitions

“Attribution” – An electronic record or electronic signature is attributable to a person if it was the act of the person. The act of the person may be shown in any manner, including a showing of the efficacy of any security procedure applied to determine the person to which the electronic record or electronic signature was attributable.

“Electronic Signature”- An electronic sound, symbol or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

“Electronic Record” – Any record created, generated, sent, communicated, received or stored by electronic means.

### Applicability

This policy applies to parents, guardians, and other persons having control or charge of a child enrolled in the division; and also to individuals affiliated with the division, whether paid or unpaid, including but not limited to teachers, administrators, staff, students, affiliates, and volunteers.

### Electronic Records

Electronic records created or received by the division shall be appropriately attributed to the individual(s) responsible for their creation and/or authorization or approval. The division shall utilize available technology to implement reliable methods for generating and managing electronic records. Any electronic record filed with or issued by the division may be given full force and effect of a paper communication if the following conditions are satisfied:

1. The communication is an electronic filing or recording and the BLAND COUNTY School Board agrees to accept or send such communication electronically; and

2. If a signature is required on the record or communication by any statute, rule or other applicable law or School Board policy, the electronic signature must conform to the requirements set forth in this policy governing the use of electronic signatures.

### Electronic Signatures

An electronic signature may be used if the law requires a signature unless there is a specific statute, regulation, or policy that requires records to be signed in non-electronic form. The issuance and/or acceptance of an electronic signature by the School Board may be permitted in accordance with the provisions of this policy and all applicable state and federal law. If permitted, such electronic signature shall have the full force and effect of a manual signature only if the electronic signature satisfies all of the following requirements:

1. The electronic signature identifies the individual signing the document by his/her name and title;
2. The identity of the individual signing with an electronic signature is capable of being validated through the use of an audit trail;
3. The electronic signature and the document to which it is affixed cannot be altered once the electronic signature has been affixed;
4. The electronic signature conforms to all other provisions of this policy.

### Acceptance, Use and Issuance of Electronic Records and Signatures

The School Board shall maintain an electronic recordkeeping system that can receive, store, and reproduce electronic records and signatures relating to communications and transactions in their original form. Such system should include security procedures whereby the School Board can (a) verify the attribution of a signature to a specific individual, (b) detect changes or errors in the information contained in a record submitted electronically, (c) protect and prevent access, alteration, manipulation or use by an unauthorized person, and (d) provide for nonrepudiation through strong and substantial evidence that will make it difficult for the signer to claim that the electronic representation is not valid.

The School Board shall ensure that all electronic records and signatures are capable of being accurately reproduced for later reference and retained until such time as all legally mandated retention requirements are satisfied.

The School Board shall maintain a secure hard copy log of the PIN/password or actual signature of any individual authorized to provide an electronic signature in connection with School Board business.

The School Board may receive and accept as original, electronic records and signatures so long as the communication, on its face, appears to be authentic.
