Lessons Plans for Honors English 10, Academic English 10, and Speech 7

May 25-29, 2020

Dear students,

This is the last week for new assignments, and I want to take a moment to tell you how much I have missed seeing you in Room 222. Although this is not the end to the school year that any of us would have imagined, I can honestly say that you should be proud of the work you have completed for me. I know I am proud of you! It has been my honor to teach you. Please stay safe this summer. I hope you have a wonderful break.

Take care,

Mrs. Walsh

Honors English 10 (Periods 1 & 6) May 25-29, 2020

Here are the plans for this last week of new assignments. I am asking you to make up any missing work from the final grading period this week and to complete ONE NEW assignment. The new writing assignment is due on Thursday, May 28th.

Please write one well-development paragraph (4-5 sentences) about what you think worked well and what you think did not work well for this class during this period of remote learning and teaching. I know this was not an ideal learning situation, but I would like to have your honest feedback so that I can assess my remote teaching style. There is no "right" or "wrong" answer or response to this writing prompt.
