FEBRUARY IS BLACK HISTORY MONTH

Weddington High School is excited to be celebrating Black History Month during the month of February. We look forward to continuing to celebrate the ways in which African Americans have made a tremendous impact on history and in our society. During the month of February, we will be bringing exciting opportunities for students to engage in learning and educating Warrior Nation in the celebration of African American history, contributions, and achievements. Students are encouraged to stay tuned to morning announcements and social media announcements to stay up to date on activities during the month and ways they can get involved!

SADIE HAWKINS

Weddington High School is so excited to bring back our annual Sadie Hawkins Dance at Providence Country Club. **As in past years, we will have 350 tickets to sell on a first come first serve basis.** All tickets will be purchased online. Tickets can be purchased online by clicking [HERE](#). **Tickets will go on sale today, Friday, February 25th at 7 pm.** Students will be allowed to purchase up to two tickets. Outside guests will be allowed and the guest form will be available on our school website and in the media center once tickets go on sale. Please email Anna Waldrup at anna.waldrup@ucps.k12.nc.us with any questions.

ACT TEST FOR JUNIORS TUESDAY, MARCH 1ST

The North Carolina Accountability Model requires all 11th graders to participate in a measure of college readiness. North Carolina has contracted with the ACT to provide this assessment to 11th graders each Spring. UCPS High schools will administer the ACT to all 11th graders on **Tuesday, March 1st**. Testing will begin around 8:15am, directly after morning announcements are complete. Each student needs to bring a calculator with them for testing. Students need to be sure to arrive to school on time and be in the appropriate testing location so that testing can start and end at the projected time. Testing is expected to go through the end of 3rd block. **Students are not allowed to leave the testing session until all testing is complete.**

All other students (9th, 10th and 12th grade) **will be on a normal schedule** with adjusted classroom locations if their classroom is located on the E Hallway. Teachers whose classrooms are effected will notify students where they are to report for class. Posters will also be located at various points for students to check relocations.

Before test day, all juniors will have participated in a pre-administration session to complete non-test/demographic information. This includes creating the MyACT account. With MyACT, students may select up to four colleges and universities to receive their ACT score report free of charge. We will provide your child with the necessary information and individualized code needed to complete this process. Please encourage your student to hold on to the sheet with their individualized code as they often need to reference this code after testing is complete. Students have up to 2 days after testing to complete the information and select universities for the MyACT account portion. The MyACT is where students will view scores when they are released. If students do not set up the MyACT account, they will have to wait up to 10-12 weeks to receive their score report from the school.

If you have questions regarding the ACT testing, please contact Assistant Principal and testing coordinator, Mrs. Alanna Smith, via email at alanna.smith@ucps.k12.nc.us.
