ACT TEST FOR JUNIORS - TUESDAY, MARCH 12TH

The North Carolina Accountability Model requires all 11th graders to participate in a measure of college readiness. North Carolina has contracted with the ACT to provide this assessment to 11th graders each Spring. UCPS High schools will administer the ACT to all 11th graders on **Tuesday, March 12th**. Testing will begin around 8:15am, directly after morning announcements are complete. Each student needs to bring a calculator with them for testing. Students need to be sure to arrive to school on time and be in the appropriate testing location so that testing can start and end at the projected time. Testing is expected to go through the end of 3rd block. **Students are not allowed to leave the testing session until all testing is complete.**

All other students (9th, 10th and 12th grade) **will be on a normal schedule** with adjusted classroom locations if their classroom is located on the E Hallway. Teachers whose classrooms are effected will notify students where they are to report for class. Posters will also be located at various points for students to check relocations.

After testing is complete, all juniors will complete non-test/demographic information and set up a personalized MyACT account. With MyACT, students may select up to four colleges and universities to receive their ACT score report free of charge. We have provided your child with the necessary information and individualized code needed to complete this process. Please encourage your student to hold on to the sheet with their individualized code as they often need to reference this code after testing is complete. Students have up to 2 days after testing to complete the information and select universities for the MyACT account portion. The MyACT is where students will view scores when they are released. If students do not set up the MyACT account, they will have to wait up to 10-12 weeks to receive their score report from the school.

If you have questions regarding the ACT testing, please contact Assistant Principal and testing coordinator, Mrs. Alanna Smith, via email at alanna.smith@ucps.k12.nc.us

Early Dismissal Procedure:

Due to the increased number of students leaving school early, it is important that you follow the early dismissal procedures to avoid classroom interruption. **On the occasions that you need your student to be dismissed early, a prior written note will be REQUIRED.** The note must be brought to the front office prior to the beginning of school and should include the following information: student's first and last name, date, time of dismissal and parent signature. Following this procedure will allow the student to leave class at the assigned time without interrupting instruction.

Please contact Mrs. Yost with any attendance questions or concerns.

Tardies

At Weddington High School, we believe that teachers have a right to teach and students have a right to learn. Instructional time must be protected and without interruption in order to assure that quality teaching and learning are taking place in every classroom, every day. Instruction should and will be conducted from the time students enter the classroom through the time the bell rings and they are released by their teacher. At the beginning of class when the bell rings, teachers are to

mark students arriving late to class tardy in PowerSchool. This applies to ALL blocks and lunches. Students missing more than 15 minutes of class, will be marked absent for the block. Keep in mind, students who leave a class should have a pass to avoid being marked incorrectly. * The WHS tardy policy can be found in the WHS student handbook which can be accessed by clicking [HERE](#).

*At the beginning of each semester, student tardies will reset**

UCPS has enabled an automated message that will go out each day to the parents of students who were tardy for one or more classes that day.
