Message from The Principal

Students and Families:

Welcome Back! On behalf of the staff at the Washington 4-5 Center, I am happy to welcome you to the 2020-2021 school year. We embark on this journey with our pledge to you, our students and parents, that there will be engaging, meaningful, and vigorous work in our classrooms, combined with many special events to encourage all to be involved and stay connected.

Before we begin this new school year, please take time to read this handbook with your student. This handbook is designed to inform you and your student about school rules and procedures that have been developed to provide the best learning environment. This handbook will help you better understand the workings of the Washington 4-5 Center. Research shows well informed parents and students promote a positive school environment. It is our hope that you will work and communicate with us to achieve the maximum benefit for your student.

As we begin the 2020-2021 school year, we wish all students entering through our doors a successful school year in a place... “where students dig deeper to achieve academic excellence”.

Sincerely,

Kari Hinker, Principal

FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of

another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

**Any questions in regard to 504 or the Americans with Disabilities Act should be directed to your child's building administrator.*

Rights to Nondiscrimination

The Huron school district does not discriminate in its employment policies and practices, or in its educational programs or activities on the basis of race, color, creed, religion, age, marital status, gender, disability, national origin, or ancestry.

Questions on Title VI or Title IX may be referred to Mrs. Linda Pietz or Mrs. Jolene Konechne, Coordinators, Huron School District, Huron, SD 57350 (605-353-6992).

Section 504 / American Disabilities Act

The following is a description of the rights granted under Section 504 to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

You have the right to:

1. Have your child take part in and receive benefits from public education programs without discrimination because of his/her disability;

2. Have the school district advise you of your rights under federal law;
3. Receive notice with respect to identification, evaluation, or placement of your child;
4. Have your child receive a free appropriate public education. This includes the right to be educated with students without disabilities to the maximum extent appropriate. It also includes the right to have the school district make accommodations to allow your child an equal opportunity to participate in school and school-related activities;
5. Have your child educated in facilities and receive services comparable to those provided to students without disabilities;
6. Have evaluation, educational and placement decisions made based upon a variety of information sources and by persons who know the student, the evaluation data and placement options;
7. Have your child receive special education and related services if he/she is found to be eligible under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act;
8. Have transportation provided to and from an alternative placement setting at no greater cost to you than would be incurred if the student were placed in a program operated by the district;
9. Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the district;
10. Examine all relevant records relating to decisions regarding your child's identification, evaluation, educational program and placement;
11. Obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records;
12. A response from the school district to reasonable requests for explanations and interpretations of your child's records;

Right of the Disabled

All students with disabilities in the Huron school district are entitled to the benefits of a free, appropriate educational program. For specific information about eligibility and services, please contact the Special Services Director, Ralyna Schilling (353-6997).

Right to Confidentiality of School Records / Directory Information

The Family Education Rights and Privacy Act of 1974 assures the confidentiality of students' records. A parent, guardian, or student over 18 years of age may refuse to permit the release of any information about a student by notifying the principal in writing.

Please address any concerns that you have over compliance of our schools to the FERPA laws to:

Terry D. Nebelsick, Superintendent, 150 5th St SW, Huron, SD 57350

Phone: (605) 353-6990.

For additional information, you may call 1-800-872-5327, or you may communicate with the following address:

Family Policy Compliance Office, US Dept. of Education, 400 Maryland Ave, SW, Washington, DC 20202-8520

www.ed.gov/policy/gen/guid/fpc/ferpa/index.html

Directory Information

Huron school district designates the following personally identifiable information regarding its students as directory information:

- Name
- Address and phone number
- Date of birth
- School attending
- Dates of attendance
- Parents or guardian of student
- Participation in school-recognized activities
- Weight, height, age, and grade of members of athletic team
- Awards received

Right to Due Process

The phrase "due process" means that any person accused of a violation of a rule, responsibility, or policy of law is entitled:

A. to know what charges are against him/her.

B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so. Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the school office.

Attendance

Washington 4-5 Center
Hours 8:15-3:10

ABSENCES

Regular attendance is essential in order to benefit from an educational program. Making up homework does not adequately compensate for what has been missed during the class presentations. All make up work must be completed to the teacher's satisfaction in order for the students to receive credit. The "give and take" between the teacher and student, as well as student discussion, are essential parts of the class and are very difficult to make up.

Student attendance will be reviewed periodically, and the students whose attendance appears to be causing them academic problems may be subject to intervention. Parents will be contacted by letter after 4, 8 and 12 absences. If a student is judged to be truant, the school's resource officer or the state's attorney may be called. The Huron School Board believes attendance is vital to the progression of student learning and has set a goal of 90% attendance rate (10 days or less absent).

When your child will be absent, please contact the school as early as possible. If your child is staying with someone else during your absence from the city, please inform the school. Students may be excused anytime from school by calling 353-7895 and leaving a message. Messages for staff members may also be left at this number. If a scheduled absence is necessary, please write a note to the office or call ahead of time so the teachers can gather the homework. Remember, if at all possible, assignments should be completed and handed in prior to the absence.

When it is necessary to pick up your child from school before regular dismissal time, please contact the school as soon as possible.

When your child has been absent because of a contagious disease (measles, mumps, chicken pox; not flu or cold), he/she must have written permission to return to school. You may obtain permission from the school nurse by making an appointment at the Washington 4-5 Center. You may also get written permission from your doctor or the county health nurse if that is more convenient for you.

Your child will be sent home if they have a fever of greater than 100.0 degrees, and may return to school after 24 hours without a fever. The fever should be less than 100.0 degrees without the use of fever reducing medication for 24 hours.

Please send a note to your child's teacher when he/she is to leave for an appointment.

ARRIVAL & HOURS

School doors do not open until 7:30 AM, and there is no playground supervision prior to this time. Arrival prior to 7:45 is discouraged, and no students are allowed to arrive prior to 7:30 AM. Breakfast starts serving at 7:45 AM.

All children are urged to return home or to their after school supervisor immediately after school. This is essential so that parents or after school provider will know where their children will be playing. Parents are asked to encourage their children to do this each day.

School Compact

We feel it is very important to have the school and home working together to ensure your child receives the best education possible. In order to promote that idea, each year we have our students, parents, and staff members sign the following School Compact:

As a Student, I Will:

- *believe that I can learn and will learn.**
- *always do my best in my work and behavior.**
- *show respect for myself, my school, and other people.**
- *come to school prepared with my homework and supplies.**

A Parent/Guardian I Will:

- *see that my child attends school on time.**
- *provide a home environment that encourages my child to read and learn.**
- *communicate regularly with my child's teacher.**
- *show respect and support for my child, the teacher and the school.**

As a Teacher I Will:

- *believe that each student can learn.**
- *show respect for each child and his/her family.**
- *provide an environment conducive to learning.**
- *seek ways to involve parents in the school program.**
- *demonstrate professional behavior and a positive attitude.**

As a Principal I Will:

- *provide an environment that allows for positive communication between the students, parents, and teachers.**

Helping Your Child

- Children are eager learners and there is a lot that can be done at home to stimulate their growth and development. Many learning activities should be planned within the family.
- Parents who read books usually have children who read books. Reading aloud to children is an excellent practice because it develops their interest in reading.
- Once your child has learned to read, listen to him/her when he/she brings a book home, and share your child's enthusiasm and interest.
- Enrich your child's reading through visits to the library.
- Encourage your child to take part in family conversations and take time to answer questions about why things happen.
- Show an interest in your child's reports of his/her experiences.
- Show your child that writing serves many purposes. After your child has learned how to write, give him/her opportunities for writing notices, letters and nametags.
- Make your child aware of how you use math in daily living.
- Enrich your child's life with family trips and excursions, encouraging him/her to be curious by calling attention to the world around him/her.
- Impress upon your child the need for sufficient sleep, well-balanced meals and adequate exercise.
- Teach your child proper hygiene habits, and make him/her feel responsible for his/her personal care and cleanliness.
- Teach your child to obey policemen/women and traffic signs and warn him/her never to talk or ride with strangers.
- Urge your child to play with children of his/her age and participate in a variety of play activities.
- Try to provide proper paper, crayons, scissors, paste and other materials for your child to use in doing creative art work at home. Show interest in the creative work your child does and praise him/her for all efforts.

Homework

At times it is necessary for a class or for certain individuals to complete some of the day's work at home. In addition to such requirements by the teacher, voluntary projects or activities, which reinforce or extend the classroom learning are recommended.

Parent & Community Involvement

Citizens from the community are encouraged and invited into the school to provide additional learning experiences in the curriculum. Individuals interested in volunteering their services or expertise to the school are encouraged to contact the school office. Volunteers are needed to assist teachers as room parents.

As part of their class work, pupils are also taken on trips to places of interest in the community. These trips are valuable because they offer concrete learning experiences and opportunities for training in courtesy, citizenship, and safety.

Parents are encouraged to become involved with their local school community by becoming active members in their school's parent-teacher organization. You will be receiving information from your school regarding school organizations.

PTO

Are you a parent or volunteer that might like to get involved in our school? Would you like to help promote educational and fun activities for all students? The PTO is an important part of our school's success. They strive to help us make Washing a better school for all students. PTO meetings are usually held on a monthly basis.

Assessment

Various state and local assessments are used throughout the school year to determine your child's level of achievement as well as their progress. These assessments include but are not limited to the following:

- NWEA - Measure of Academic Progress - fall, winter, spring
- ACCESS
- WIDA Model
- Smarter Balanced-spring
- Dakota STEP-Science-spring (Grade 5)

The results of these assessments may be shared with you during parent teacher conferences. You are invited to discuss these results with your teacher or principal at any time.

Conferences

Parent-teacher conferences provide an opportunity for a discussion of your child's work. Conferences are held twice a year. A unified effort of home and school is important for the child's happiness and success. Parents are invited to consult with the teacher or principal at any time.

Keeping Students After School

Children are sometimes kept after school to finish work or for disciplinary reasons. Some children may stay a few minutes after school to help with room duties. Children are given permission to call home to explain their reasons for staying after school, and parents will be notified no later than 2:30. All other children should be out of the building by 3:15, except those who are participating in the Tiger After School Program (TAP). These activities generally do not last beyond 5:30 PM.

Physical Education

Physical education class is enhanced when students wear appropriate clothing. Appropriate clothing includes tennis shoes with proper laces or Velcro fasteners. (No jelly shoes, aqua shoes, slip on tennis shoes or aerobic shoes.) It is particularly important that girls wear pants or jeans on the days they have physical education.

A student will need a note from home if the parent does not want him/her to participate on a given day due to illness. If the student is not to take part in PE class for an extended period (one week), a statement from a doctor will be needed.

Report Card Explanation

The achievement markings that the student has earned, explain the success the student has attained in a subject area in this grading period. Effort markings are shown to provide the level of participation the student has attempted during the grading period. Skill areas are provided to show the parent the essential abilities and their attainment needed in a subject area. The following is an explanation of the markings at the 4th/5th grade level:

Effort Markings

O = Outstanding

S = Satisfactory

N = Needs Improvement

U = Unsatisfactory

P = Progressing

Exceptional participation for ability

Expected participation for ability

Inconsistent participation for ability

Inadequate participation for ability

Continues to show progress

Grade 4/5 – Achievement Markings

A = Advanced (90% - 100%)

Expected learning progression in academics at this marking level is often exceptional and well above standard quality for a student.

B = Proficient (80% - 89%)

Expected learning progression in academics at this marking level is adequate or above standard quality for a student.

C = Basic (70% - 79%)

Expected learning progression in academics at this marking level needs to improve and is below standard quality for a student.

Expected learning progression in academics at this marking level is adequate and much below standard quality for a student.

F = Failing (59% and below)

Expected learning progression in academics at this marking level is without success and greatly below standard quality for a student.

Health Related Items

Nursing Services

There is a school nursing facility in the office for students who are injured or become sick during the school day. Students who are ill or injured should report to the school office. Students who have a temperature of 100.0 or higher are asked to go home. They may return to school after being fever free for 24 hours without the use of Tylenol or Ibuprofen. Other school exclusions are listed on the district website. The school nurse is not always in the building.

Immunization Records

South Dakota Codified Law (SDCL 13-28-7.1) requires any pupil entering school shall, prior to admission, be **required** to present to school authorities certification from a licensed physician that he or she has received a test, or are in the process of receiving, adequate immunization for childhood diseases.

Certificates of Immunization on Pre-Kindergarten children will remain in the child's school record and be updated as additional immunizations are given. These certificates are NOT to be sent in until the child enters Kindergarten.

Complete dates of immunization (Month/Date/Year) are strongly encouraged to be used on the Certificate of Immunization, or a legible copy. Series complete or check marks will not be accepted.

Law requires verification of chicken pox vaccination or a written statement that your child has had chicken pox.

Medication at School

No medication, prescription or non-prescription, will be administered to a child at school without meeting the following requirements:

- 1. All medication must be brought to school in the original labeled container.**
- 2. Medication must be age appropriate and FDA approved; no vitamins/herbal treatments given at school.**
- 3. Completed authorization and release for medications form must be on file, including the parent/guardian signature for non-prescription medications, and both the parent/guardian and prescribing healthcare provider signatures for all prescription medications.**

******Medication concerns or questions shall be directed to the school nurse.**

Staying Inside During Recess

Children may not remain in the building during recess time except at the request of parent, teacher, or the principal. If it is necessary for health reasons for a child to remain in the building during recess, a note from the parent must be written to the teacher. In the event of a long-term request, usually after the third day, a signed statement from the child's doctor may be required by the school's principal.

Policies & Procedures

Attire

Parents are encouraged to take a keen interest in the appearance of their students. Attire that is inappropriate or disruptive to class is not allowed.

The following list is not all inclusive, but gives examples of inappropriate student dress:

- Clothing that displays derogatory, obscene, suggestive, or off colored messages or advertises/promotes alcohol, tobacco, or drug use.
- Clothing that is unnecessarily distracting in the school or learning environment.
- Low riding jeans, pants, or shorts that permit undergarments or skin to show. Even when a shirt is used to cover the top of the jeans, it is unacceptable to wear jeans with the waist below the bottom of the tailbone.
- Clothing that is cut up, shredded, or full of holes.
- Undergarments that are worn as outer garments.
- Tops or shirts that do not touch the top of jeans or skirt.
- Tops such as mesh, that permit undergarments to be seen.
- Tops that are excessively revealing or permit excessive exposure. Tank tops must have a high back and high neckline, small arm holes and cover all undergarments and straps.
- Hats, caps, bandanas, and sweatshirt hoods in the building from 7:30 AM until the end of the academic day.
- Coats and jackets are not to be worn to classes. They should be placed in the student's locker at the beginning of the day.

If it becomes necessary to ask a student to leave school because of attire or appearance, parents will be notified. When a student is unsure of what is considered appropriate, he/she should check with the office. Students who have multiple violations of these policies may face disciplinary action.

Proper workout attire is required every day in physical education class. This includes shorts, sweatpants, t-shirts or sweatshirts. Tennis shoes must be non-marking with no black soles unless they are name brand.

Temperatures vary greatly in the early fall and late spring. We would offer the following suggestions:

Temperature	School/Playground attire
Below 40	Snow pants, hats, gloves, boots
Below 60	Coats, jackets, or sweatshirts
60 or above	Please use discretion on advising your student

Bike

Bike locks *are recommended* and all bikes need to be stored at the bike rack.

Book Bags

Students are *encouraged to utilize book bags* for the protection of schoolbooks, notices, etc.

Care of School Property

Please help your child develop a sense of responsibility for school property. Instilling in student's respect for all public facilities promotes good citizenship.

Parents will be held financially responsible for damages to school property incurred by their child. Students will be assessed a fine for lost or damaged books.

Textbooks

Textbooks have been checked by the classroom teacher for their overall condition and documented accordingly. In the spring, prior to school dismissal, these books are checked again for damage above and beyond normal use. A fee will be assessed to those books receiving more than the normal wear and tear. Please instill in your student respect for school property.

Change of Address

Please notify the school of any change of address or telephone number. If you plan to move out of town or transfer from one school area to another, please notify the school office in time to prepare the necessary withdrawal or transfer information.

Crossing Streets

Please instill in your child the correct procedure for crossing streets. Students should cross at *intersections only*. With many parents picking up students at dismissal time, the area around the school can be hazardous. *Parents are asked to help students cross streets at the corners.* At the end of day, **ALL** students must leave the school grounds, then they may return to play.

Electronic Devices

Electronic devices such iPad, iPod, MP3 players, headphones, cellular phones, pager type devices, and cameras are not to be used or carried while school is in session, unless specifically approved by their teacher. If students are observed to be using or are in possession of one of these devices while school is in session, without permission, the item will be confiscated and may be picked up in the principal's office at the end of the day. A second violation will be considered insubordination and will result in an office referral. The item will be confiscated and only returned to a parent/guardian. **Students choosing to bring these electronic devices, do so at their own risk.** The school is not responsible for lost or stolen electronic devices. ***Laser lights and other nuisance items are not permitted in the building at any time.***

Emergency Procedures

Detailed instructions for emergency situations are posted in each room. Students should be certain they know these rules. In case it becomes necessary to exit from a classroom or the building because of an emergency, please remember the following:

- Never assume it is merely a drill
- Walk, do not run. Move in a single file line.
- No talking.
- Move at least 100 feet from the building.
- Stay within your group for roll call.
- Wait for signal before re-entering the building.

In case of an emergency, that requires confinement within the building, each class will report to an assigned specific location. Classroom teacher will give students specific instructions for emergency vacation procedures.

The school district is required to have two bus evacuation drills, two fire drills, and one wind drill. Lockdown procedures are reviewed yearly and plans are on file at each building. The purpose of these drills is to familiarize all students with the emergency procedures, in the event of an emergency arising.

Contact your building principal or your child's teacher if you wish further information about these programs and/or services.

Gym Use

Sponsoring adults may utilize the school gym for boys or girls scouting, practices, or other allowable activities. Arrangements can be made through the school office. A certificate of liability is needed or a school employee needs to attend all practices. An agreement needs to be signed by all responsible parties.

Leaving School Grounds

Children are ***not permitted*** to leave the school or playground before the regular dismissal time unless permission has been given by the principal or their designee. If students leave the school grounds without permission, the school resource officer may be called. Bus students are to remain on the school grounds until bus pickup time. For safety reasons, if a child is to eat lunch at a place other than at home or school, ***verbal/written*** notice from the parent to the principal should be given ***before*** lunch

Lost & Found

An area for lost and found articles is kept at school. Please look in this area when you visit school, as many children do not easily recognize their own clothing. Please mark boots and coats when possible. Articles not claimed after a period of time are given to charitable organizations.

Messages

Students must have permission from their teacher or principal to use the school telephones. We encourage you to make all arrangements with your student before they come to school. Any messages for students, other than for emergencies, will be communicated to the student at the end of the school day.

When coming to school to pick up your child, give a message, or deliver school items ***please check in at the office***. This will eliminate the unnecessary disruption of classes.

Change of Transportation:

Please call the office (do not email) before 2:30 to notify your student of a change of transportation plan.

Money

Students are ***discouraged*** from bringing money to school other than for school related purposes.

Party Invitations

Invitations to private parties, May baskets, Valentines, etc., should be sent to school for distribution only when ***all children*** in the classroom are included.

Play Equipment / Toys

Personal playground equipment brought to school from home is ***not allowed***. The district is not responsible for lost or stolen personal property brought to school.

Physical Development

A program for fourth/fifth grade students regarding physical development, sexual harassment, and bullying is presented each year. A series of videos are shown to student under the direction of the nurse. Parents will be invited to preview these materials before they are presented to students.

Room Parties

A short period of time is set aside for room parties on Halloween, the last day of school prior to Christmas vacation, and on Valentine's Day. If parents wish to send a treat on those days or for a child's birthday, arrangements should be made with the teacher.

Safety Rules

Safety precautions and rules are discussed in each classroom. Please discuss safety rules with your child, including walking to and from school and riding bicycles.

If you bring your child to school by car or pick him/her up at dismissal time, it is advisable to stop your car in a place that does not require your child to cross the street in front of moving traffic. If you are going to walk your student into the school, please park in the parking lot. Do not park on the side of the street in the morning. After school, students need to cross the street using the crosswalk. Please be alert and off of your phone when dropping or picking up your student.

School Pictures

School pictures are taken during the early part of the school year. A letter of explanation will be sent home prior to pictures being taken. The purchase of the pictures is voluntary.

Telephone Usage at School

Children must have permission from their teacher or principal to use the school telephone. Each classroom has a telephone.

The telephone call must concern illness or school business. Asking permission to play at a friend's house after school is ***not*** considered business. Special transportation after school should be arranged before the child leaves for school in the morning. (A note or phone call from home is important to communicate the special transportation arrangement.)

Video Policy

In accordance with federal copyright law, the Huron School District 2-2 has adopted a video policy, which prevents classrooms from showing home videos without classroom instructional purposes. *If you have questions, concerning this policy please call your principal or the curriculum office at 353-6992.*

Visiting School

Parents are invited and encouraged to visit school. A telephone call to the office or a note to the principal prior to a visitation is appreciated. However, it is **not advisable** to visit at these times:

- ◆ when the regular teacher is absent;
- ◆ when a student teacher is teaching the class;
- ◆ the day before or after a vacation period;
- ◆ on a special day, such as Halloween or party days;
- ◆ the first or last week of school.

All visitors to our school (including parents) are asked to report in at the office upon arrival in the building. Please sign in and obtain a visitor's pass prior to going to your location. If you wish to eat hot lunch with your student, please call the office 353-7895 before 9:00 AM in order to be included in the lunch count for the day.

Children visiting school must always be accompanied by an adult!

Weather Related Announcements

KIJV and KOKK will announce school closings during inclement weather. Parents are encouraged to check the "Closeline" on KELOLAND for school cancellations/delays. There is a link on our district webpage. AlertNow system will call all students with this information as well.

Please check the district social media sites for weather related announcements as well-HuronSD schools (Twitter), Huron SD Supt (Facebook), and www.huronk12.sd.us (website).

When school is in session but the weather is extremely cold or wet, children will be asked to come into the building before the regular time.
