Thank you for looking through our summer catalog. This catalog contains youth summer camps and classes organized by week and summer classes for adults. Some camps/ classes are offered multiple times throughout the summer. If week one doesn't work for your schedule, the camp/ class could be offered during another week. We also have CAMP CONNECTION where you can build a full day camp experience without having to leave in between camps.

Look for the yellow block throughout this catalog for more information about Camp Connection.

Camp Connection (Ages 5-12)

Create your own full day experience by linking a morning camp and an afternoon camp. Community Education staff will handle supervision between camps! Available for the camps offered at Twin Oaks and Hidden Oaks in June and July. Please bring a nut-free lunch and beverage each day.

Pages 9, 11, 14, 15, 17, 19, 23, 25, 27, 29

WEATHER INFORMATION:

In the event of inclement or unsafe weather conditions, all outside programs will be moved to an indoor space. Whenever possible, programming will resume in a gym. When gym space is not available, instructors will be prepared with indoor activities to keep children engaged.

Special Accommodations & Medications

Reasonable accommodations may be provided whenever possible to help students participate in our programs. SPED services may be provided based on student qualification.

Always list special needs, allergies and medications when registering for classes. Register early so that we may coordinate needed supports for your child.

Mountain Bike Ninja (Ages 8-11)

PLHS Mountain Biking Team & Coaches

Get ready to attack the single-track! Clinic will teach safety, basic bike skills and techniques, and trail riding through demonstration, drills, and games. Clinics will be taught by current PLHS Mountain bike team members and coaches. Clinic will be held at Redtail Ridge Elementary and Murphy Hanrehan Single Track Trail. Each class will begin and end at the upper-level parking lot of Redtail Ridge Elementary.

Tue, June 7 to 28 6-7:30 pm

#2857 4 sessions \$65

Meet at Redtail Ridge Elementary Parking Lot

MathSpire Elementary

Math (Gr. K-5)

Center for Academic Excellence

Our online pre-algebra classes help students gain an understanding of pre-algebra concepts and an opportunity to further enrich their investigative and reasoning skills. These classes provide a strong foundation for middle school math programs, following both state and national standards while allowing students to expand on their knowledge with real-life concept application and self-paced investigation through challenging problems. Students work closely with instructors during online review sessions where they learn the skills needed to independently solve challenging problems and apply critical skills to future courses.

Wed, June 1 to July 27 *No class July 6*

6-6:50 pm

#2968 8 sessions \$179

Live Virtual Course

ReadingSpire (Gr. K-8)

Center for Academic Excellence

The online reading program allows students of all levels to expand on their critical reading, writing, and thinking skills. Students grades K-8 are encouraged to join and begin their mastery of the English language at an individualized pace. Through this course, students will learn and practice challenging grammar, advanced vocabulary, reading comprehension, and critical writing skills at an accelerated pace.

Wed, June 1 to July 27 *No class July 6*

7-7:50 pm

#2968 8 sessions \$179

Live Virtual Course

MathSpire Algebra and

Geometry (Gr. 5-9)

Center for Academic Excellence

Algebra 1, Algebra 2, and Geometry are comprehensive online courses available for accelerated students who have successfully completed pre-algebra. These courses will teach students to extend their prior knowledge and add it to new concepts for an excellent understanding of core algebraic theory, as well as how to apply it through modeling and real-world problems. Students work closely with instructors during online review sessions where they learn the skills needed to independently solve challenging problems. These courses will prepare students for High School Algebra 1, Geometry, or Algebra 2.

Wed, June 1 to July 27 *No class July 6*

#2968 8 sessions \$179

Live Virtual Course

Math-By-Mail (Gr. K-6)

Instructor: Math by Mail

Review and enrich your math concepts. Summer Math is not designed to advance students ahead. It offers practice of previously learned concepts to keep skills sharp and build confidence. You will receive a pretest to determine math skills and individualize your program, then get ten weeks of lessons. After completing a week's worth of work, mail it in, and we'll make corrections, provide comments, and mail it back. Work at your own pace. When all lessons are completed, you will receive a certificate of achievement and a restaurant meal coupon.

First Packets mailed June 30

#2700A (Entering Gr. K-1) 10 weeks \$99

#2700B (Entering Gr. 2-6) 10 weeks \$99

Math-By-Mail (Gr. 6-9)

Middle/High School Prep

Instructor: Math by Mail

It's Back! Keep young minds active with the locally developed Math-By-Mail curriculum. Math practice accompanied by enrichment activities for the upcoming summer months. Created by current middle school math teachers with 45+ years of combined experience! Minnesota State Standards, Math Frameworks MCA strands, and current Minnesota Benchmarks are the foundational basis for this curriculum. Each student will be given a pretest to assess the appropriate skill level necessary to strengthen their individual math needs. Students will receive an 8-lesson packet to complete at their own pace throughout the summer. As students finish packets, they are mailed back for feedback and then returned to the students.

First Packets mailed June 30

#2700C 8 weeks \$99

June 13 to 17

Babysitting 101 (Ages 11-15)

Instructor: Emergency Outfitters

This course follows the American Academy of Pediatrics – Babysitter Lessons And Safety Training (BLAST). Students learn current practices for safety and injury prevention, first aid basics, feeding and caring for infants, how to handle behavior problems, and how to manage their babysitting business. Students receive a reference book, game handouts, babysitting bag and first aid kit.

Wed, June 15

8:30 am to 4 pm

#4008A 1 session \$85

Hidden Oaks Middle School Room 727

F.A.S.T. Kids Staying Safe at Home (Ages 7-10)

Instructor: Emergency Outfitters

First Aid and Safety Trained Kids is a 4-hour course for 7–10 year olds. This course helps prepare children for staying safe at and away from home. Lessons cover basic first aid, water safety, vehicle safety, home emergencies, injury prevention, stranger and internet safety. Students will receive a book, handouts and a home first aid kit as part of the class.

Thu, June 16

8:30 am to 12:30 pm

#2757A 1 session \$59

Hidden Oaks Middle School Room 727

NEW! Father's Day Gift Making (Ages 18 mos. to 6 w/Adult)

Instructor: Kidcreate Studio

What dad wouldn't love a gift made just for him? Let your little one surprise dad this Father's Day. You and your child will create a card in the shape of a toolbox. The two of you will paint, cut, draw, and glue to create this fantastic card for your favorite handyman.

Tue-Thu, June 14

9:30-10:30 am

#2788G 1 session \$25

La ola del lago CE Classroom 291

NEW! Jr. Engineering and Building (Ages 5-8)

Instructor: Tech Academy

If you have a learner who likes building things and figuring out how things work, he/she will love this class. Join us as we explore, investigate, and solve problems while learning about simple machines' engineering building blocks. Students working in pairs will enjoy hands-on activities using LEGO® Gears and special LEGO® Technic® engineering components that incorporate math, science, and creativity. Students will work through building models that demonstrate mechanical and physical engineering. They will then use what they learned to solve challenges. Learning projects may include mini mechanical concept models, a moving dragon, scale, clown, crane, car, fan, merry-go-round, and more.

Tue-Fri, June 14 to 17

9 am to 12 pm

#2731A 4 sessions \$145

Hidden Oaks Middle School Room 380

Soccer (Ages 6-12)

Instructor: Skyhawks

Skyhawks has a variety of soccer programs for parents looking to introduce their children to the fundamentals of the world's most popular sport. Young athletes, gain the technical skills and sport knowledge required for the next progression of soccer. This camp focuses on dribbling, passing, shooting and ball control and uses a wide variety of skill games and scrimmages throughout the week. The final day of camp culminates in a tournament day, where participants can showcase their newly learned skills! **Shin guards are recommended.**

Mon-Thu, June 13 to 16

9 am to 12 pm

#2674A (Ages 6-12) 4 sessions \$149

Hidden Oaks Middle School Open Field

NEW! Kids' Pottery and Ceramic Camp (Ages 9-15)

Instructor: Helena Leary-Heinz

This camp is all about pottery & ceramics A-Z! In this pottery class campers will get introduced to hand building techniques and throwing on the pottery wheel. Your creations will be fired, you will glaze your projects and they will be fired again. You will create several projects by the end of the week. All pottery and ceramics will be delivered to Community Ed a few weeks after the camp, you will be notified when they are ready for pickup.

Advanced Kitchen Boot

Camp 2.0 (Ages 10-18)

Instructor: Heather Novak

If you have taken Kitchen Boot Camp in the past and really enjoyed it, then you may be ready for the next level! Be introduced to kitchen tools and advanced techniques such as mandolins, instant pots, canning, grilling and multi-step recipes. Review kitchen safety and healthy eating. Examples of food preparation and techniques used are marinating, brunch items, jelly or jam, lava cakes, cake pops, fried or grilled foods and creating a healthy balanced menu. Because we will be working together in groups with the multiple hot items, safety, awareness and calm is an expectation for this class.

Prerequisite: Kitchen Boot Camp 101 or other independent cooking skills.

NEW! Meet the Fine Artists

(Ages 12-18)

Instructor: Vanessa Merry

In this camp, participants will learn about famous artists and the time period in which they lived and created. As we learn about these different time periods, the artists associated with them, and their different styles of art, students will create works in the same style as famous artists. The camp will explore art from Medieval Times through present day and participants will create using oil, acrylic, watercolors, and many other materials.

COMING THIS FALL ! National Flag Football (Boys & Girls Ages 4-14)

Coaches: National Flag Football
Volunteers

National Flag Football is a non-competitive, non-contact, recreational flag football league. This league caters to both boys and girls, ages 4-14, and is the largest NFL Flag Football affiliate in the country! The program teaches the fundamentals of the game of football, as well as team building, sportsmanship, growth, and so much more! NFF is a volunteer based organization and relies on volunteer parents for team coaches. Teams meet weekly on Sundays for a one hour practice followed by a one hour game, making this a two hour time commitment on Sundays only. **Please register online at www.MinnesotaFlagFootball.com.** *Fee includes reversible NFL jersey and flag belt for you to keep. An additional 3.99% processing fee is added to each transaction. Financial aid is available for those who qualify, payment plan available until July 31, 2022. NFF facilitates all NFF programming, including the placement and oversight of staff and volunteers.

PLSAS Community Education provides access to this activity at PLSAS. NFF staff and volunteers are not overseen by Community Education.

NEW! Forts & Mud (Ages 3.5-5)

Licensed Teacher Anna Dutke

Spend the week learning about the engineer design process as you work together to design and build forts out of a variety of materials including sticks, cardboard boxes and tarps. Study the structure of common Minnesota animal homes to use for inspiration. You will also celebrate International Mud Day by spending one of the mornings playing & exploring in the mud, followed by water activities to clean off.

Mon-Thu, July 11 to 14
9 am to 12 pm
#2932A 4 sessions \$119
Hidden Oaks Middle School Room 386

T-Ball (Ages 5-7)

Instructor: Skyhawks

Catch on! Learn the fundamentals of fielding, catching, throwing, hitting, and base running; all in a fun, positive environment. This program for beginning players teaches new baseball skills along with vital life lessons such as respect, teamwork, and responsibility. **Please bring appropriate clothing, running shoes, a baseball glove and sunscreen.**

NEW! Adventures in Nature (Ages 6-11)

Licensed Teacher Anna Dutke

Creativity and imagination will serve as your guide as you explore the great outdoors. Spend time creating new games, making nature art masterpieces, and exploring new places you've never been. Use what you learn & do to create an adventure guide to take home. After camp, you'll never be able to say "I'm bored" again!

Mon-Thu, July 11 to 14
1-4 pm
#2932B 4 sessions \$119
Hidden Oaks Middle School Room 386

NEW! Computer Science for Kids with Python (Ages 8-13)

Instructor: Tech Academy

Get a great head start in learning how to code and computer science concepts using one of the key programming languages used by professional developers - Python. Its syntax allows programmers to express concepts in fewer lines of code than would be possible in languages such as C++ or Java, making it the perfect coding language for beginners. Python is a text-based language, so students should have keyboarding and basic computer skills.

NEW! Coding 2.4

(Ages 7-12)

Instructor: {YEL}

STEM Video Game Enrichment for the 21st Century learner. Each Coding class follows four basic components:

- Teach It!...Students learn different video game and storytelling design techniques
- Code It!... Students use Scratch® to code their own story and video games.
- Explore It!...Students can write their own story and video game code, experiment with it and test new options. Our collaborative learning environment encourages students to learn from each other.
- Keep It!...Students keep their stories and video games online with Scratch® and can access it and expand upon it at anytime. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}. Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices.

3D Engineering: Architectural and Structural Design (Ages 6-10)

Instructor: Tech Academy

Bring your imagination to life. Become a master bricklayer and use our special architectural LEGO® kits to build your creations. Be an architect as you learn the principles of construction. The main goal of the course is to introduce the concept of 3 dimensions and their role in design. Working in teams, students will construct buildings, structures, towers, castles, and more. Students will learn construction principles and use math skills as they experiment with scale and size, staggering vs. stacking bricks, and more. We’ll build houses with removable roofs, castles with turrets, and towers of strength! It might just be impossible to exhaust the creative potential of LEGO® bricks. With an active imagination as your guide, there are endless possibilities. Students will be working in pairs.

NEW! Tennis (Ages 6-10)

Instructor: Skyhawks

Skyhawks Tennis is a new format to help participants learn and play tennis. To create a successful learning environment, we have made modifications to our traditional tennis program. The court is smaller and has shorter nets, and the racquets are smaller, and the balls are foam. With these modifications, any child can immediately begin playing tennis, even if he or she has never picked up a racquet before. Skyhawks tennis is the fast, fun way to get kids into tennis – and keep them playing. In addition to developing a love for tennis, athletes will learn the rules and etiquette that make tennis such an exciting game to play.

Instructor: Alisa Tomette, PhD

Tai Ji Quan: Moving for Better Balance® (TJQMBB) is an evidence-based fall prevention program designed for older adults. TJQMBB represents a substantive enhancement of traditional Tai Ji Quan as it transforms martial arts movements into a therapeutic regimen aimed at improving postural stability, mindful control of body positioning, movement symmetry and coordination, range of motion around the ankle and hip joints, and lower-extremity muscle strength. In 24 sessions, participants will learn 10 Tai Ji Quan forms focusing on gentle movements and mindful breathing.

Live Virtual Class

COURSES START EVERY MONTH
JANUARY TO DECEMBER

Online learning is fun, enjoyable and a very productive way to learn. Millions of people are learning online each year. After you register, you will be given a web address with easy-to-follow instructions to follow to get into your virtual classroom. You may participate any time of day or evening with online reading, listen and see presentations and self-quizzes. You will get to know and engage with the instructor and other participants. It's easy and fun.

UGotClass offers online courses in Business, Data Science, Leadership, Management, Marketing, Social Media, Technology, Training for K-12 Education and more.

Take classes when you are available in the comfort of your home.

Register today at
<http://bit.ly/3qqjpLG>

Advisory Councils are active task-oriented groups who make recommendations about policies, procedures, program offerings, budgets, and more for ISD 719 Community Education Services programs. Together these groups determine what resources could be utilized to meet the needs and interests of community members without duplicating the efforts provided by others.

If you would be interested in working with a council to address the lifelong learning needs of our district, please call Leanne Weyrauch, Director at 952-226-0312, to request an application for membership.

Our Mission *The mission of the Prior Lake-Savage Area Community Education Services Program is to enhance the quality of life for all citizens by helping to provide opportunities for individuals to reach their full potential and contribute to their communities. To accomplish this mission requires that parents, family, schools, faith communities, businesses, community organizations and all people living within our community work together. This can be done through a cooperative effort in meeting the recreational, educational, social and cultural needs and wants of the community.*

Driver Discount Program (Ages 55+)

Prior Lake-Savage Community Education partners with the Minnesota Highway Safety and Research Center to offer accident prevention courses for drivers 55+.

Insurance Discounts

Minnesota State Law requires all insurance companies to provide an approximate 10% auto premium reduction for persons 55 and over that successfully complete a Driver Improvement course. To qualify for the discount, you must take an 8-hour course. To maintain the discount, MN allows the 4-hour Refresher course once every 3 years. *There is NO written or behind-the-wheel tests given in either 8-hour or 4-hour refresher course.*

Registration

Payment is required when you register.

- ONLINE www.priorlakesavagece.com
- CALL 952-226-0310
- MAIL the completed registration form from the back of this catalog
- IN-PERSON 5061 Minnesota St, Prior Lake
- FAX the completed registration form from the back of this catalog to 952-226-0379.

There are no refunds if you are unable to attend the class.

UCare members may be eligible for a \$15 discount on many classes in this catalog. If a class is less than \$15, the member may take the class for free. UCare for Seniors and EssentiaCare members may take one \$15 discount per class per calendar year. Members must be a UCare member at the time of the registration and throughout the duration of the class. Members need to include their UCare ID numbers when registering. Limits and restrictions may apply.

4-Hour Driver Discount Program

Instructor: MN HWY Safety Center
This accident prevention course is taught by MN Hwy Safety Center trained instructors. The class will explore changes in laws, the latest vehicle technology, and provide you with easy-to-use defensive driving tips. In addition, we will explore traffic safety and accident prevention.

Enter through Door 14N.

Adult Programs

NEW! Kombucha 101

Instructor: Heather Novak

Fermented tea has been popular for a while. We reach for it in mass in the stores at \$3 or \$5 a bottle, but what if you could make it at home and tailor it to your tastes? Perhaps you are addicted to the taste, but don't want as much bubbles. Or perhaps you want to explore flavor combinations. Come and taste different fermented teas, learn how to make your own and go home with a SCOBY (what is that?) to make your own kombuchas. Supply fee (\$5) included in tuition.

Tue, June 21

6:30-8 pm

E-STEM School and 4 Star Rated Program

Circle of Friends Preschool (COF) 952.226.0956
jumiller@priorlake-savage.k12.mn.us

We are committed to preparing your child for success in school and life skills! Starting preschool is an exciting milestone in your child's life. Our licensed teachers set up classrooms to help children discover a love for learning while working on social emotional skills that will help get them ready for lifelong learning. Our classes are for children who turn three or four years-old by September 1st. We use a whole-child approach that is focused on the individual needs and interests of our students through play-based learning. Our school readiness standards are based on the Minnesota Early Childhood Indicators of Progress and staff follow a district approved Curriculum to guide their lessons. Our classes incorporate our district's E-STEM philosophy. Our program has a 4-star Parent Aware rating.

School Readiness - These preschool classes are offered at Edgewood School and/or Jeffers Pond Elementary. Classes do access both the indoor and outdoor learning environments.

Nature School Readiness - These preschool classes are offered at Edgewood School and/or Jeffers Pond Elementary. The outdoors is utilized as the primary classroom with indoor spaces available as needed due to weather. We go outside in rain, snow & sunshine. We are able to assist with providing outdoor clothing as needed.

Registration is open for the 2022-2023 school year.

Early Childhood Screening

This is a free and simple check of how your child is growing and developing. Screening can detect possible health or learning concerns so that children can get help before they start school. As soon as your child reaches 3 years 2 months call 952-226-0975 or email Deb Tribby at dtribby@priorlake-savage.k12.mn.us to set up an appointment.

Early Childhood Special Education – “Help Me Grow”

Do you or someone close to your child have concerns about their development? Prior Lake-Savage Area Schools offer early childhood special education services for birth-5 year old children with disabilities or who are experiencing developmental delay in the areas of communication, cognitive, adaptive (self-help), motor, and social-emotional skills. If you have concerns about your child's development, please visit helpmegrowmn.org for more information, or call 952-226-0980 OR 1-866-693-4769.

Early Childhood Family Education (ECFE) 952.226.0952

Edgewood School, 5304 WestWood Dr SE

ECFE is a nationally celebrated model that is unique to Minnesota. ECFE supports parents in their essential role as their child's first and most important teacher. In PLSAS Early Childhood Programs, we strongly believe that the most effective, impactful learning and development occurs during 0-5 years of age. We are here to support you throughout these wondrous early years of your child's life with a variety of programming tailored to meet your family's unique needs. ECFE programs are staffed with licensed Parent Educators and Early Childhood Teachers. Teaching Assistants have a combination of training and experience. Our dedicated staff partner to make the classroom a successful learning environment for all children. A variety of classes are offered, with the resources to meet the needs of your unique family.

Learn more about ECFE at www.priorlake-savage.k12.mn.us/community/early-childhood-programs/ecfe.

Early Head Start

Head Start is a CAP Agency Program serving Scott, Carver and Dakota Counties. They offer Preschool Programs for Ages 3 to 5. Children with Special Needs are welcome and there is no cost to income eligible families. There is limited availability. For an application call **651-322-3500** or visit www.capagency.org for more information.

Crisis Nursery

The Crisis Nursery welcomes calls from parents in any situation needing a sympathetic ear, parenting tips or information about community resources. In a crisis situation, the Crisis Nursery may be able to provide short term child care for children ages newborn to 12 years, if their families are residents of Scott or Carver Counties. Call **Crisis Nursery's help line at 612-839-5101**. Trained advocates are available to help during a crisis. If you are interested in displaying brochures, making donations or volunteering as a care provider, contact the CAP Agency at **952-402-9851**. Make a difference in a child's life!

Parents Forever - Divorce Education

The goal of this workshop series is to achieve a respectful divorce with the least negative impact on children. These sessions are for any person in the process of divorce, considering divorce, in conflict regarding custody or visitations and/or anyone wanting information on divorce, mediation or custody. This series is cosponsored with several family-serving agencies of Carver and Scott Counties.
www.extension.umn.edu/family/parents-forever

Big Brother Big Sister

You can make a positive difference by volunteering your time to a child. Can you help a child THINK BIG? There is always a child in need of your FRIENDSHIP, so don't wait any longer. The FOCUS is not on spending money but spending time with a child, building a trusting friendship. You can share a walk in the park, play games, hobbies, recreational activities, run errands, bake cookies or sit and talk. **Please call 651-789-2400**. Your assistance in helping to recruit volunteers in your community is always most appreciated.

WIC (Women, Infants and Children)

WIC is a nutrition education program for women who are pregnant, nursing or postpartum and for families with infants and children under age five. The program provides nutrition information, counseling for pregnant and nursing mothers and supplemental foods such as milk, cheese, juice, cereals and infant formula to promote good health. WIC eligibility is based on household income guidelines. Appointments must be made in advance. **If you live in Scott County please call 952-496-2125 or check the website at www.capagency.org for more information.**

You Are Not Alone

If you need to talk with someone, Scott County Mental Health Center provides counseling and crisis care, call **952-496-8481**.
Or, scan the code for additional mental health services.

Child and Teen
Checkups

**Are you or is someone you know
being abused?**

Guidelines and Procedures

Satisfaction Guarantee

Please call the Community Education Office at 952.226.0310 if you are not satisfied with any class or activity in which you participated. We appreciate being notified as soon as a concern is noticed, so that we may have the opportunity to improve the program for all participants.

Class Confirmations

Community Education does not mail class confirmations. If you provide an email address at the time of registration, a confirmation will be emailed to you. We will contact you by phone or mail if there is a change. Please list a daytime phone number so we can reach you if a class is cancelled. If there is a last minute change, signs are posted at each site with your class information including class title, room numbers and times of classes.

Discounts

UCare members may be eligible for a \$15 discount on most classes in this catalog. If a class is less than \$15, the member may take the class for free. UCare for Seniors and EssentiaCare members may take one \$15 discount per class per calendar year. Members must be a UCare member at the time of the registration and throughout the duration of the class. Members need to include their UCare ID numbers when registering. Some restrictions may apply. UCare Choices and Fairview Choices members are not eligible for the \$15 class discount.

Special Requests

If special assistance/accommodations is needed to participate in a Community Education Program, please contact us at least 2 weeks prior to start of program to allow enough time for special accommodations. SPED services may be provided based on student qualification.

Student Absences

To be eligible to participate in CE programs, classes or events, students are expected to be in school all day. Students who are ill or miss for other reasons not considered excused absences will not be allowed to participate in Community Education programs that day.

Participant Waiver

Registration for any class waives all rights and claims for any and all injuries from whatever cause suffered by participation in activities.

Cancellation

Community Education reserves the right to withdraw a course due to lack of enrollment or loss of a suitable facility. If we have to cancel a class, every effort will be made to contact all the participants who preregistered. Please include on your registration form a phone number where you can be contacted during the day. Community Education assumes no responsibility for reaching registrants who do not provide an accessible daytime phone number. When ever possible messages will be left on voicemail/answering machines. If an email is provided at time of registration, notifications will also be sent to the address provided.

Classes may be cancelled due to inclement weather or for other unavoidable reasons. These sessions are made up whenever possible. If school closes during the day due to bad weather, Community Education will cancel all activities. Call 952-226-0310 for evening or weekend cancellation information.

Refunds

Class cancellations requested no later than 4:00 p.m., five business days prior to the first day of class may be eligible for a refund. All refunds are subject to a processing fee of \$5.00 for courses up to \$99 and \$10 for courses \$100+. Refunds are not issued after 4:00 p.m. five business days before a class starts, due to commitments made to instructors. Call or visit the CE office to cancel a registration.

Community Education reserves the right to withdraw a course due to lack of enrollment or loss of a suitable facility. Participants will receive a full refund for CE initiated cancellations. Full refunds are also issued for weather cancellations, if a course cannot be rescheduled or if the rescheduled date does not work for the participant.

Lost or Stolen Items

CE is not responsible for lost, stolen or damaged items. Please do not bring valuables with you to class.

Privacy

The information requested on the registration forms will be used to verify eligibility as well as determine staff, facility and equipment needs. Your registration information may be provided to school district staff, volunteers, instructors, the school district attorney, insurer and auditor. Your email information is for internal use only and will not be sold or solicited. Photographs or videos of classes in action may be taken and used for district publications and web pages. If you object to having your picture used, please notify the Community Education Office at 952-226-0310 each time you register.

Non-endorsement Policy

Prior Lake-Savage Community Education works with specialists in their fields who are interested in presenting classes in their areas of expertise to the community. We do not endorse the opinions or business affiliations of the instructors.

All financial seminars are carefully screened to ensure they are strictly informational in nature. Although most seminars are presented by professional financial planners, the design is non-biased and non-sales oriented. You will not be pressured to make a purchase or meet with sales people. We prohibit the direct distribution of flyers, pamphlets or marketing materials that promote specific products, services or companies. We do, however, offer you the opportunity to receive an instructor's business card or you can ask for more information should you have additional, specific questions that go beyond the content or time frame of the seminar. We hope your participation in these programs will be enjoyable. For questions, call Jenny at 952-226-0315.

Tuition Assistance

Tuition assistance and payment plans are available to residents of PLSAS. Assistance of 50% of class fee up to \$100 is available for one program per PLSAS resident in each catalog season (Youth or Adult). Some programs are not eligible. Call 952.226.0310 for assistance.

Exchange of Information

I give my consent to an exchange of my child's information between CE staff and other PLSAS professional staff whenever it may be deemed as beneficial to my child.
