Save time. Save a tree.

Nobody likes to wait when it comes to getting their money. When you sign up for these time-saving account features, you'll get your money fast. And in the process, you reduce the amount of paperwork you need to complete. And less paper makes "Mother Nature" happy.

Direct deposit

When you sign up for direct deposit, you give SelectAccount authorization to deposit your reimbursements directly into the checking or savings account of your choice. No more waiting for a paper check to arrive, and no more running to the bank.
