

Week 13

11/8 - 11/12

Monday 11/8

Due TODAY: Manual Exposure Project

- Contact Sheet: make sure images are renamed according to directions before making contact sheet. (**20 images exactly**, 5 from each scene)
- Manual Exposure Project document
- Done? Show Mrs. Wilkerson for grading

Missing! 1 Lens Cap! 1 pink card readers and 1 white one. They are easy to take by accident, please check your pockets and backpacks.

Tuesday 11/9

1. Light painting intro

Do Now:

1. Finish Manual Exposure Project, due yesterday! Last class time because **computers need to be OFF for light painting tomorrow.**
2. Search for ideas for light painting devices & image ideas

HW: bring light painting tools from home!

Wednesday 11/10

1. Demo: light painting
2. Sign up for groups during slides in Classroom
3. Photograph: Light Painting Project

Misbehavior will result in referral because it's easy to trip on tripod and break a camera.

FYI: deadline for quarter grade late work is Friday 11/12

Must use TRIPOD

Focus: Manual by pre focusing on a target using flashlight

ISO: 100

Mode: Manual

Aperture: f8 - f22

Shutter Speed: 10" to 30"
(**seconds**, NOT fractions of seconds 1/60)

Thursday 11/11

NO SCHOOL!

Friday 11/12

Photograph: Light Painting Project

- Inspiration video
- Remember to focus
- Think about COMPOSITION
- You can combine image in PS

FYI: deadline for quarter grade late work is TODAY!

Must use TRIPOD

Focus: Manual by pre focusing on a target using flashlight

ISO: 100

Mode: Manual

Aperture: f8 - f22

Shutter Speed: 10" to 30"
(**seconds**, NOT fractions of seconds 1/60)
