Spelling Choice Board

Week Of May 4, 2020

Please choose and complete at least three different spelling activities this week.
The activities should make a vertical, horizontal or diagonal connected tic-tac-toe line.
You may certainly complete more activities if you like.

Write each word around the edge of your paper. Keep writing each word around the paper until you get to the center. 	Write each word with fancy letters. 	Write each word. Cross out every silent letter.
Carefully write each word on your paper with your eyes closed.	Lie on your back and put your feet in the air. Write each word in the air with your big toe.	Draw a picture and hide each word in it. Color your picture. Have someone try to find each hidden word in your picture.
Write each word in the shape of a triangle. 	Write each word. Write a rhyming word next to each word. You may invent a rhyming word as long as it has the same spelling pattern.	Gently toss a ball in the air. Try to spell one word before you catch the ball. Do this for each word.
