

La Porte County Week of Code
December 3~7, 2018

«First_Name» «Last_Name»

participated in a computer coding lesson in celebration of
National Computer Science Education Week!

All La Porte County School Corporations celebrated National Science Education Week together by offering computer coding lessons in their classrooms. Students throughout our community are learning about the many opportunities available through coding!
Find more coding activities at [Code.org](https://code.org).
