Dear Redford Union HS Parents/Guardians,

Welcome to the 2021-2022 school year! We hope this letter finds everyone safe and enjoying their summer. We have many exciting things happening this school year at Redford Union High School and we look forward to our students being a part of those.

First, with guidance from the Wayne County Health Department, our high school will be back to the traditional 100% face-to-face learning model. Also, with news changing daily regarding COVID-19, the District will also continue to work with the WCHD and District stakeholder groups to prepare a safe return for staff and students - adjusting as we are guided to do so by the WCHD. The District will keep our families updated as we continue to get closer to the first day of school.
