A list of supplies you will
need for the year is
attached, please bring
these with you to your
Connect & Assessment
appointment.

I am looking forward to a
great school year!

WELCOME BACK!

Hello and welcome to 4th grade! I hope you enjoyed your summer break and found time for fun and relaxation. It is that time of the year where we get to start thinking about school! My name is Kristi Schleper and I will be your 4th grade teacher for the 2023 – 2024 school year. I look forward to a year full of learning with each of you!

ABOUT YOUR TEACHER

I am very passionate about teaching and have worked with children all my life. I am heading into my 27th year of teaching. I absolutely love teaching at Jackson! The students, families, and staff are top notch!

I live in Shakopee with my husband, my daughter who is starting her first year in college and my son who is a junior at the high school. We enjoy spending time at my parents' cabin in Crosby, Minnesota. We also enjoy taking walks, baseball, basketball, pickleball, swimming, boating, and spending time with friends and family.

I can't wait to learn about each of you this school year! Together, we are going to build a classroom of positive young people who love to learn and support each other! 😊
