
Welcome Back to School

— Dr. Minsun Park, Mathematics Teacher —

About Me

My name is Minsun Park. I was born and grew up in South Korea. When I met the ideal mathematics teacher in high school, I started to dream of becoming a mathematics teacher like him. After proceeding to university, I was captivated with mathematics education as a discipline, and at that time, I decided to devote my whole life to studying about how to teach mathematics. I received a B. S. in mathematics, and a M. S., and a Ph. D. in mathematics education from Seoul National University.

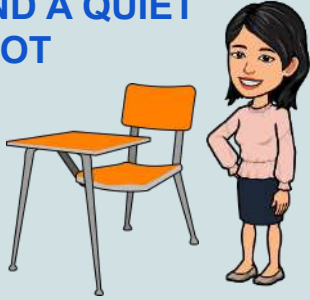

I have experience in teaching preservice teachers at colleges and secondary school students at high schools. This is my second year at Orange High School. I will be teaching **Pre Calculus** and **Honors Algebra 2** for the 2020-2021 school year. I look forward to meeting and working with all my students.

How will my virtual class look like?

- ★ Students will log in my class using Zoom link
- ★ After logging in, open up Google Classroom, find **Do Now**, and start working on it
- ★ Instruction time (task, mini lesson, guided & independent practice)
- ★ Before logging off, complete **Exit Ticket** and submit on GC
- ★ After class, complete **assignment** and submit on GC. Homework is due by the beginning of our next class
- ★ After class, work on **ALEKS** everyday (2 topics & 20 mins). Every Friday, there will be quiz on ALEKS based on the topics we have learned

What are virtual class rules and expectations?

**FIND A QUIET
SPOT**

**COME
PREPARED**

BE ON TIME

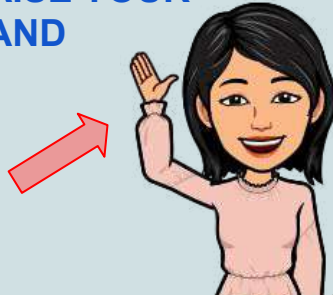

**TURN ON
CAMERA**

**MUTE YOUR
MIC**

**RAISE YOUR
HAND**

USE YOUR NAME

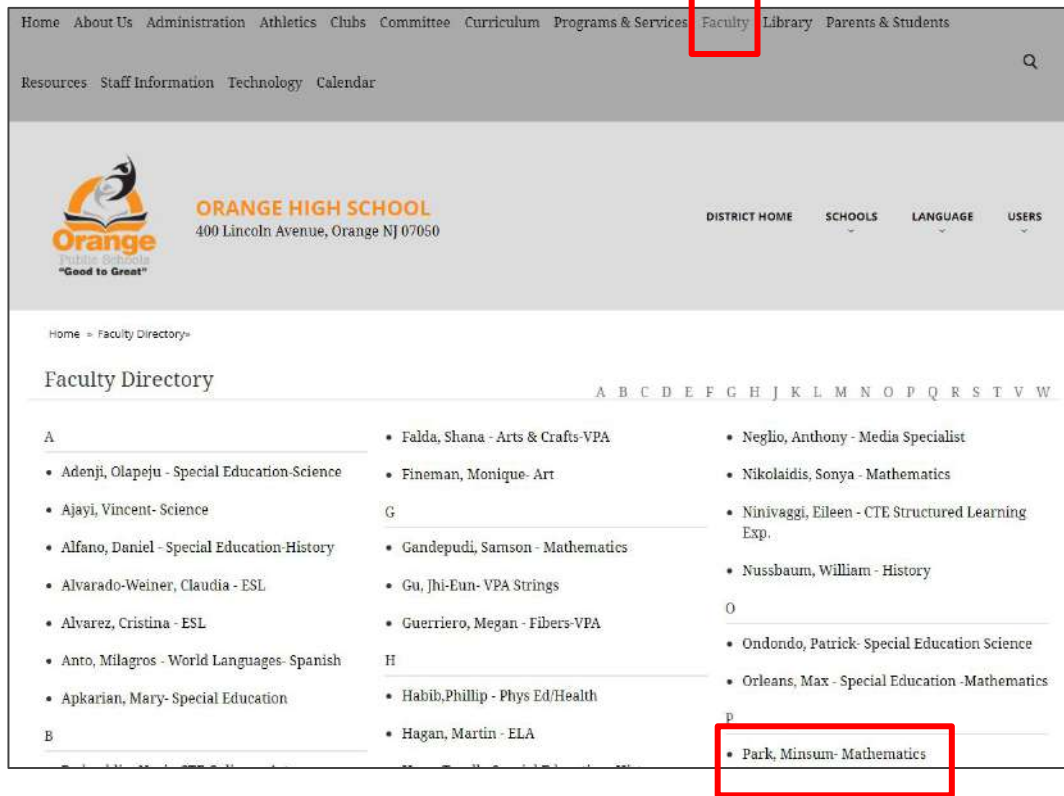

**BE RESPECTFUL
AND PARTICIPATE**

What are virtual class rules and expectations?

- ★ Be organized and document your daily work
 - Use a notebook to take notes
 - Make a folder on your computer to collect all work (assignments, quizzes, and tests)
- ★ Complete and submit both classwork (Do Now/Exit Ticket) and assignment on GC on time
- ★ Routinely check Google Classroom and Reminds (TURN ON notification)
- ★ Students will adhere to all OHS rules and policies

How to Navigate My Faculty Homepage

The screenshot shows the Orange High School website. The top navigation bar includes links: Home, About Us, Administration, Athletics, Clubs, Committee, Curriculum, Programs & Services, **Faculty** (highlighted with a red box), Library, and Parents & Students. Below this is a secondary bar with Resources, Staff Information, Technology, and Calendar. The main header features the Orange High School logo and address (400 Lincoln Avenue, Orange NJ 07050) on the left, and navigation links for DISTRICT HOME, SCHOOLS, LANGUAGE, and USERS on the right. The content area is titled 'Faculty Directory' and includes an alphabetical index (A-Z). Under the 'A' section, a list of faculty members is shown. Under the 'P' section, 'Park, Minsun- Mathematics' is highlighted with a red box.
