

## LANGUAGE INSTRUCTION EDUCATIONAL PROGRAM(LIEP)

### WELCOME CENTER/CENTRO DE BIENVENIDA

*A few of the services and supports that are currently offered by the LIEP Welcome Center:*

- We assist parents with their students' registration, across grades (PK-12th grade) We offer these services both online and Paper.
- We welcome our parents with a Welcome Packet which provides parents with school and community resources. Including a welcoming letter from our superintendent Dr Patrie - martin and also, a Mission statement of the welcome center.
- Family support and resources  
We offered our families school and community resources, some of these services and more information are available on our LIEP website.
- We provide English proficiency assessments to new students to determine their eligibility status or continuation of ESL services.
- We offerTranslations and interpretation services for our parents and students (IEP meetings, CSA meetings, parent-teacher conferences, phone calls, and more, flyers, etc)
- Training to PCPS staff on various topics.

Last but not least we provide specialized training to all stakeholders
