

Meet the Teacher

Patricia Boozer

Welcome to Fourth Grade ELA!

Our goal this year is to read, write, think, talk and listen everyday. We will interact with a variety of literature and informational texts through a balanced literacy approach. Your child will engage in lots of meaningful literacy activities including Guided and Independent Reading, Accountable Talk and Writing. We will learn lots of new words, reading skills and strategies. **I feel that a positive learning experience is built on a collaborative effort among parents, students, and teachers.** Therefore, I will be using an app called **Remind** to communicate easily with you via secured text-messaging. More information to follow... Together we can make this year an enjoyable learning experience for all our children.

About Me:

Hello! My name is Patricia Boozer and I will be your child's ELA teacher this school year. I live in Voorhees with my husband, son and puppy. My family loves to spend time outdoors. We also share a love of reading and enjoy visiting amusement parks. I've been an educator for over 20 years. This will be my 19th year at Logan. I've been an aide, classroom teacher, interventionist, and I've worn a few other hats here and there, as well 😊 All the love and encouragement that I received from my past teachers is what I hope to in turn give back to your child during our time together.
