# Online Art Teachers (K-12)

**April 2, 2020**

**WHERE DO OUR OATK12 GROUP MEMBERS COME FROM? 107 Countries and growing since Group formed on March 11, 2020.**

We want to welcome our OATK12 members, who are literally from all over the world. During this global pandemic and growing emergency in most of the world's countries, we thought it would be nice to see WHO we are and WHERE we come from. In a way, this feels like the "Art Education Olympics" and this document is the opening night that the world pauses for and

watches every four years. I would say this Facebook Group is every bit as magnificent as that colorful, creative Olympics opening session is! Thanks for joining this service project by art teachers for art teachers. Together we ART better!
