

4TH GRADE

Hello!

Welcome to Fourth Grade! Fourth grade is full of learning and growing! We believe that all students can learn in a safe, positive, and supportive environment. Every year is an adventure we truly enjoy, and we will do our very best to help your child succeed!

We are excited to be team teaching this year! Mrs. Jones and Ms. Mitchener are the Reading and Virginia Studies teachers, and Mrs. Young and Ms. Grebas are the Math and Science teachers. Our teaching partners are Mrs. Jones/Ms. Grebas, and Ms. Mitchener/ Mrs. Young. Our inclusion teacher will be Mrs. Armstrong. We love creating a sense of community and consider all students “our kids”! We look forward to sharing in your student’s successes and growth this year!

Communication is important to us, and we will want to keep you updated on your child’s progress at school. There will be a folder that will come home on Tuesdays. We will be using Class Dojo this year as a communication tool, so look for the note/ text message with that information on it. Please do not hesitate to call us at the school, send us a Dojo message, or schedule a meeting if you have any questions!

We are going to have a wonderful 2022-2023 school year! We know this year may bring new and unexpected changes and challenges, but we want to reassure you that we are committed to providing the best educational experience for your child. Thank you in advance for all your help and support!

Fourth Grade Team
