

Who Am I?

by Ms.Chervitch

Hello SMS!!! Welcome to Art Class!!!

I would typically share these photos with you in the Art Room during the first few days of Art Class. I believe that it is very important that my students know who I am, and I also believe that it is equally important that I learn about my students to find out what makes each of them unique.

One of the first activities that I like to do with my students is a symbolic self portrait. I know that not everyone is comfortable opening up and sharing about themselves, so I like to break the ice by going first. During the presentation, students usually ask a lot of questions, which ultimately ends up with everyone outwardly sharing about their own life experiences!

At the end of this presentation is a symbolic self portrait that I created and a video that explains the reasoning behind the image.

My Family

My parents and my son(Ashton)

Me, my son, and my fiance(Scott)

Pepper the guinea pig

My step son(Allen)

My cat(Dita) & dog(Rogue)

Me, Ashton & Rogue

I love the beach, surfing, kayaking & anything that has to do with water!!!

I love to take pictures, but I do not like to take selfies, so you will see most of my life through pictures of my family members.

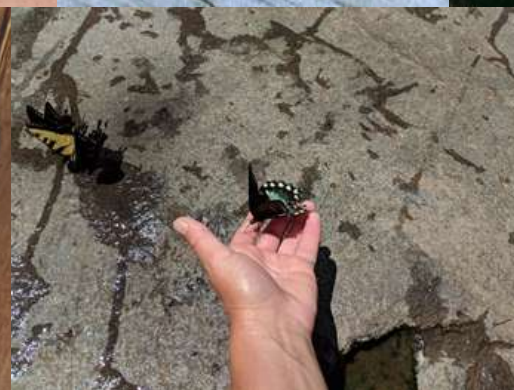

I was raised in a fishing family!

I grew up on the Chesapeake Bay. My father is a charter captain, so our whole family fishes! We catch fish of all sizes, from 2 ounces to 200 pounds (or more). I even like to fish in my kayak.

I love all animals.....**except** for spiders!!!!
I really **DO NOT** like spiders.

I spend my summer outdoors....

Camping, climbing, hiking, swimming.

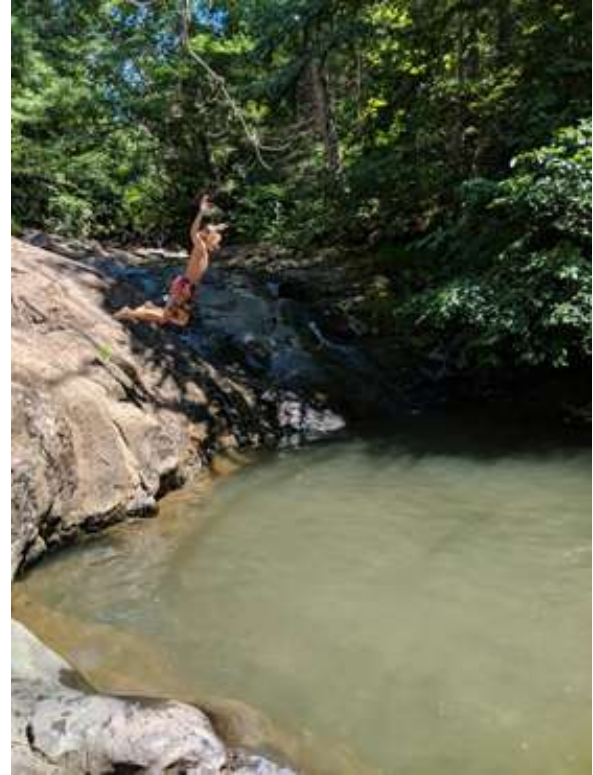

And even cliff jumping!

(Do not do this without adult supervision.)

I like to jump from
right up there.
Been jumping off
that cliff since
1996!

I like to explore....

Parsons, West Virginia

I went to the town where my grandmother was born, and visited the resting place of my great grandparents and great-great grandparents.

I like to travel....

My **dream** is to travel to Havasupai in Arizona and to hike the falls and visit the indian reservation.

But it can take years to get a hiking permit!

I like to run & I coach SMS Cross Country.

Other things I enjoy....

I like to go to concerts!

I LIKE TO MAKE SCARY PROPS
AND ART FOR HALLOWEEN!

And of course I love ART!!!!

My favorite
artist is
Frida Kahlo!

**Making weird art
is fun!**
