Swingin' Into Our Studies

Reading: "Tales of a Fourth Grade Nothing"

It has been fun reading and learning about a New York lifestyle. We are about halfway through our novel and will finish up with a written test next week. Students will also take an AR test over this book.

Spelling: Lesson 4

"Words with Long and Short o and u". A list is posted online at our classroom website. A list will also be coming home on Monday. Our weekly test will be Friday morning.

Math: Unit 1 Basic Multiplication & Division

Every evening your child will bring home a Homework and remembering sheet. This is a graded assignment, and if it is late the grade will be reduced.

Social Studies: Land, People, and Regions

We have been talking about maps and the United States. We will be finishing up Chapter 1 next week and taking a test.

Science: Chapter 2

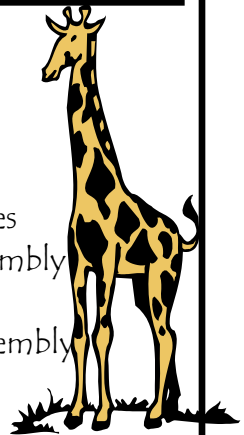

We take Chapter 1 test Monday and then will start Chapter 2 How are Animals Different From Each Other.

Homework Tips for Parents

Teacher Notes:

Parents-I am sending home information about our Rain Sticks. I know the kids are very excited about them. I am requiring this activity and it will be graded. Please utilize what you have at home and don't make this an added expense. Be creative.

It should be a fun project to work on. Also check out the above link for tips on homework. We need to make sure we are staying on top of our homework as this will affect grades.

*Book order forms will be due on Monday, September 15th. Please make checks payable to Scholastic Book Clubs.

*Water Festival-Thursday, September 25th-We still need parent volunteers if you are interested and available.
