Supporting Organization Frequently Asked Questions:

1. How can I obtain a voucher?
 - Answer: Individuals/families can obtain vouchers through the organization they are receiving services from. Organizations can receive vouchers by emailing a request to: stan.perry@yahoo.com. Vouchers will be delivered to the contact person from that organization.
2. What information do I need to provide?
 - Answer: Individuals/families receiving services through an organization do not need to provide any information to receive a voucher. Organizations who serve the needy do not need to provide us with any personal or contact information about individual clients in order to receive vouchers. Organizations must simply make a request for the number of vouchers they need for their clients.
3. My agency provides its own vouchers. Can my clients use our vouchers for this event?
 - Answer: No
4. Are vouchers required on Saturday?
 - Answer: No, vouchers are only required on Friday to give those with vouchers preference / first choice of clothes. Saturday is open to the public and vouchers are not required.
5. How can my clients qualify for a voucher?
 - Answer: If an organization deems that the clients are in need of the clothing, the clients “qualify,” for a voucher. While we wish to limit our event to those truly in need, be generous in your distribution.
6. What do clients have to show at the door?
 - Answer: Only the voucher, we do not collect personal information from the client. Again, there is no cost.
7. Can a family use a single voucher regardless of number of family members?
 - Answer: Yes.
