

Wolf Pack Press

Dear Parkwood Wolf Pack Family,

This past Friday, 10/7/2022, was the last day of the first grading period. Students worked very hard to make sure that they had completed assignments so that they were reflected in their grades. There's still a lot of semester left for students who are not satisfied with their grades to pull them up! Never give up. Encourage students to talk with their teachers about ways that they can improve their grades. We have some amazing scholars at Parkwood High School and are super proud of the academic progress they demonstrate every grading period!

We also need to remind you that our attendance policy aligns with the UCPS Board of Education student attendance policy. Please make sure that you have reviewed the attendance policy in the Student Handbook linked in this Wolf Pack Press.

There's a lot going on at Parkwood High School. Take advantage of every opportunity to be involved, learn about colleges, speak with counselors about your plans for the future. We love to hear students excited about their future plans! College Application Week is coming up soon – October 17 – 21. We'll be talking a lot about college and students' future plans throughout that week.

Parkwood Women's Basketball is approaching their 2022-2023 season, coming off of a historic season. Last season, the Lady Wolf Pack fought their way to become the 2022 Rocky River Conference Champions. Highly underrated, the pre-season coaches poll had them ranked fourth in the conference. The Lady Wolf Pack not only dominated the conference, finishing 9-1, they dethroned back to back Conference Champions, Forest Hills, to do so. To further solidify Parkwood's strong hold on the conference, the Pack secured Player of the Year in phenom shooter, Shimaya Taylor. Jesse Boyce, the coach of the girls, also was rewarded with the title of Coach of the Year. The success the Lady Wolf Pack had last season could not have been done without five of the most influential players this program has seen. These girls include Grace Crocker, Shimaya Taylor, Madison Tullock, Victoria Thompson, and last but definitely not least, Emma Barnes. Each of these seniors brought something unique and influential to the Wolf Pack's dynamic last year. I had the opportunity to sit down with Coach Boyce and reflect on their season and the roles each player had. Here's what he had to say.

"All five girls we graduated were individually a very big part of what we did. Shimaya was like our lightning rod, our wow factor, our phenom shooter, and she was the one that drew a lot of people's attention. Although a lot of people look at our success and see Shimaya and what she has done, Emma Barnes was extremely instrumental in the success we had. Our offense is predicated off of how our defense plays. Emma Barnes is the best defender I have ever coached. She had the best motor, the best attitude, and the best character of probably any kid I've ever coached.

Madison Tullock was a kid for us that we do a lot of short corner attacks with, and there's not a lot of glory in that role. We had a really good spot up shooter in Grace Crocker, who also really understood her role and had an amazing attitude. Another kid with incredible character. Finally, not to overlook Victoria Thompson. She was the best energy on the bench we could have ever had. She was ineligible for a lot of the year so her season was kind of short. By the time she was eligible to play, we had other people overtake her position. So it was hard to get her on the floor as much as we would have liked.

That group of seniors were really good at understanding a role and being comfortable as well as confident in those roles. Not being anything other than what we asked them to be. Parkwood has always been underrepresented in Union County; in spite of continued success. That is something we are trying to change. We are consistently successful and consistently underestimated."

Coach Boyce and the Lady Wolf Pack have fought long and hard to get the recognition they deserve and it's finally coming their way.

They are very optimistic for this season and are ecstatic about some newcomers they have. Although the program has 8 seniors graduating this year, this team has a bright future ahead of them.
