January 26, 2024

Principal's Corner

Hello families!

Hello! It's hard to believe January is almost over and we've passed the halfway point in the year! Kindergarten registration for next year begins on Monday. You don't need to register a student who is already here, as they will automatically be "rolled over" for next year.

Preschool families, please watch for a form coming home with your student to indicate your preference for next year's session. You **MUST** complete this form on time in order to be considered for your preferred session. Please understand that we cannot guarantee a session. You should also be aware that most of our four-year-old classes are afternoon classes. We must balance student needs and our ability to provide services, as well.

Our preschool program is a side-by-side program where students with special needs attend alongside typically developing peer "role models" whose families pay tuition for them to attend. 3-year-old role model students attend three days per week (Tuesday through Thursday). 4-year-old role model students attend four days per week (Monday through Thursday). Tuition next year will be \$195 per month for 3-year-olds and \$260 per month for 4-year-olds. If you know anyone that is interested in sending a student to Glen Lake for preschool next year (who isn't already a student here) please tell them to call the school office right away to request an application. Applications are due back in the school office by February 23rd.

The School and Town Budget season continues. On **Monday, February 5th at 7 pm** the School Budget Deliberative Session will take place in the Goffstown High School theater. The Deliberative Session is your opportunity to learn about the proposed School District Budget for 2024-2025 and other school articles, ask questions, and make your voice heard, regarding the funding of your child's education. Changes to the proposed budget and monied warrant articles can be made that day so your attendance and participation is very important.

Glen Lake School Partnership (GLSP) will meet Wednesday evening, January 31st at 6 pm in the school office. All are welcome to attend! Come meet other parents and learn more about the ways GLSP supports our students!

Thanks to all of you for the many ways you support your student. Wishing you wonderful winter days with your little one!

All the best,

Kathy Stoye, Principal

GLEN LAKE SCHOOL PARTNERSHIP

The spirit wear sale has closed. Items will be delivered to students' classrooms in early February.

Please join us for the next GLSP meeting as we vote in new officers and plan for the rest of the 2023/2024 school year.

Please email Kate Russ at kate.l.russ@gmail.com with your questions.

Next Meeting: Wednesday, January 31 at 6 :00 PM

**GLSP
UPDATE**

Nurse's Corner

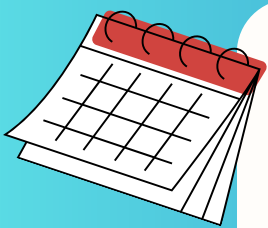

Greetings from the health office!

I have wrapped up health lessons about winter safety in the kindergarten classrooms. The kids learned the importance of being outside and dressing appropriately to keep their bodies warm. We discussed safety during specific activities such as sledding, skiing, and ice skating. Lastly, they learned the importance of taking a break if their bodies feel too cold.

On Friday, February 2nd, the American Heart Association raises awareness for women's heart health through having a "Go Red for Women" day. On both Thursday and Friday, staff will wear all red to support heart health. Because February is a month to celebrate our hearts and wellness, I will do a health lesson about our hearts. Students will learn about how their heart works, what size our hearts are, and how to keep them strong.

Thank you to everyone who has called or e-mailed if their child is not feeling well and will be absent from school. It is appreciated!

Be well,
Mrs. Winkfield, Glen Lake School Nurse

Upcoming Events

January
