## Principal's Message

Kathy Stoye, Principal

Hello! Happy Fall! Don't forget, our **Glen Lake School Parents & Guardians Visit School Night** will be **Thursday, October 5<sup>th</sup> 5:30-6:30**. This year, once again, we will use an Open House format and students will be able to show their classroom to their families. Curriculum information for parents will be posted online before that evening. Teachers will be available to answer curriculum and other questions that evening. This is not a time to conference with the teacher, but rather a chance to learn more about your child's day from your child. **Kindergartners and preschoolers may visit any time between 5:30 and 6:30. This is a "come and go as you please" event!** We look forward to seeing you!

Thank you for your cooperation with our arrival and dismissal procedures that make it safe and efficient for all. A few arrival/dismissal reminders, **please accompany your student across the crosswalk!** Students may not cross by themselves. There is **NO PARKING on the side of our driveway**. If you wish to park and walk your child up, you **MUST** park in the parking lot. Lastly, **there is NO SMOKING anywhere on school property**. Thank you for your cooperation to keep our students safe. Student safety is our most important job! **Please share this information with anyone who transports your child!**

All the best,  
Kathy Stoye, Principal

## October

Thursday 10/5: Parents/Guardians Visit School Night 5:30-6:30

Monday 10/9: Columbus Day, No School

Tuesday 10/31: Kindergarten Fall Harvest Theme Day (Preschool will celebrate this theme throughout the week.) More details to come in our next newsletter!

Monday 11/13: Picture Retakes

Wednesday 11/22 Early Release Day, No PM Classes

Thursday 11/23 - Friday 11/24: Thanksgiving Recess, No School

## **Nurse's Corner**

**By Olivia Winkfield RN, BSN, CPN**

**Glen Lake School Nurse**

In our health lesson for October, we will discuss our five senses. We will explore our sense of smell using "mystery containers," and the kids will guess what is in the container. They will explore all five senses by eating assorted flavors of popcorn. Is it crunchy? Is it sweet or buttery? What does popcorn sound like? The kids will have a lot of fun!

We will soon be conducting vision and hearing screenings at Glen Lake. Stay tuned for more details to come.

Be well and enjoy the nice fall weather!

## **Counting Fun...**

**Count how many apples are in the different groups in this newsletter.**

**Challenge: Count how many apples there are altogether!**
