OUR MISSION

The purpose of Webb Street School is to provide a safe and caring environment that will provide a foundation for lifelong learning. Each student will have the opportunity to experience success with relevant, individualized learning experiences that occur in meaningful settings. We will seek to include family members and appropriate community members in providing relevant educational experiences for students in appropriate community settings.

SCHOOL NEWS

Welcome to 2018

Dear Webb Street Family,

Welcome 2018! Wow, I can hardly believe we are two short years away from 2020. If time continues to fly it will be here before we all know it. I want to say thank you for your support during the 2016-2017 school year and invite you to join us for what will prove to be an awesome spring semester. Once we pass the celebration of Dr. Martin Luther King's holiday and two county workdays this spring will fly by quickly. A few items of interest are coming up right around the corner. The famous Webb Street Ballers vs. the Sheriff's Office Basketball game will take place Friday, Jan 26th at 1:00. Everyone is invited. The ACC has nothing on these teams. We will have the dedication of our new Aquaponics

system on Monday January 29th at 10:00 with a ribbon cutting ceremony to thank the Glenn Foundation for their generous gift of \$30,000 to make our dream reality. Then in the blink of an eye we will be hosting our 3rd annual Art of Fashion Show on Saturday March 3rd at 6:00 pm. Be sure to reserve your tickets before they sell out again. Our students are working hard this year with the Unique Learning System addressing math, science and language arts. Mr. Nelson's reading class continues to be a hit with all students and their reading skills are showing great improvement. The sensory garden and greenhouses are in full production mode and remember we have fresh lettuce and leafy greens available each week in the front office. Our new enterprise this year, Webb Waggers dog treats, is a great hands on

Lunch Buddies

Our first lunch buddies of the year is 1/18/18. Come join the students at Webb Street for a fun lunch break. Please sign up by using the [link](#).

MORE EXCITEMENT AROUND THE WEBB

math and daily living skill builder and staff dogs love the biscuits too! Be on the lookout for our Spring Plant sell taking place in April as well.

On a personal note, I want to thank you all for the opportunity to serve you and your children. It is truly a blessing and a job I love. Our students work, learn, laugh and engage with each other daily and it is really something to behold. One of our transition students said just today, "we do something exciting everyday at Webb Street" this made my heart happy.

So 2018, the Webb Street Spiders are ready for you and we're super excited about it too!

Peace and love,

Kelli Howe

PTO Corner

Join us for the Art of Fashion 'An Enchanted Evening' on Saturday, March 3, 2018. Tickets will be available for purchase soon! We do need help to get sponsors for the show. Let us know if you need a sponsorship packet.

We would love to have your child be part of the fashion show. You should have received a signup form in Tuesday's Folder. Please send it back as soon as possible. We are getting very excited about this years show!

Southminster Presbyterian Church is once again the Gastonia, NC

location for the *Tim Tebow Foundation's*

"Night To Shine"

event on **Friday, February 9th** from **6 until 9 pm.**

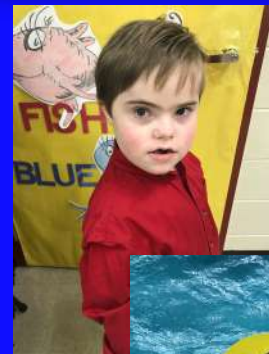

For more information on registration click the [link](#). If you need a tuxedos or dress there will be some available at Webb Street School on Saturday, January 13 from 10 -12 pm.

Gaston County Sheriffs vs. Webb Street School

Come enjoy a great basketball game between Gaston County Sheriffs Department and Webb Street School on Friday, January 26 at 1pm in the school gymnasium. It is always a close game and full of suspense!

FUN AT WEBB

UNIQUE - JANUARY

Elementary -- Health/Life Science - Explores the basic needs of humans by looking at healthy practices.

Middle school -- Health/Life Science - Presents basic health practices for teens.

High school -- Health/Life Science - Reviews health and grooming skills needed for a lifetime.

Transition - Personal Grooming (Daily Living) - Explores personal grooming issues.
