PTO Corner

Dear Webb Street School Families,
I'm announcing my "retirement" as PTO president at the end of the school year. It has been a pleasure serving as PTO president and getting to know so many of you in person.

After 4 years in this role it is time to have someone new, with fresh ideas lead the families of Webb Street School. To keep building the strong relationship we have established with the school faculty and administration we need more folks involved for the betterment of our children's education and school.

We have done great things; building an inclusive accessible playground, creating one of the best shows in the county and supporting the staff, students and the school.

I would like to make this transition as smooth as possible and have

who ever is interested in getting involved learn the ropes while I'm still serving as president. This is a big job, however; Ms. Howe and Ms. Williams make this job easy with the vision they have for the school.

Please consider getting involved, even if not as PTO president. I'm happy to answer any questions you might have about the role of the PTO.

Sincerely,

Talia Wucherer
