## SCHOOL NEWS

### Arbor Day Celebration

On Friday Mrs. Neal's class attended the Arbor Day celebration at Martha Rivers Park with other schools in the county. They got to plant their own maple tree! They learned that this tree will take 30 years to fully mature, and learned the importance of this tree providing shade for people at the park as well as shelter for animals. During the celebration of the Arbor Day poster contest, our very own Samuel L. won honorable mention and is pictured with Gastonia Mayor Walker Reid.
