OUR MISSION

The purpose of Webb Street School is to provide a safe and caring environment that will provide a foundation for lifelong learning.

Each student will have the opportunity to experience success with relevant, individualized learning experiences that occur in meaningful settings. We will seek to include family members and appropriate community members in providing relevant educational experiences for students in appropriate community settings.

Best and Brightest

Stephanie Williams is a role model for all her fellow students.

Stephanie is determined to do and work hard at whatever is placed before her. Stephanie has really been a critical part of the new Webb Street Enterprises (Aquaponics, Sensory Garden, Greenhouse and Webb Waggers Dog Biscuits). Webb Waggers may be her favorite as she loves dogs. This love for animals has led to her aspiration to work in a veterinary office after she graduates.

Teacher Appreciation Week May 7-11

This week is national teacher appreciation week. Show your child's teacher how much you appreciate them! Send them a note and tell them how much they mean to your child.

MORE EXCITEMENT AROUND THE WEBB

Carton2Garden

Webb street wins the Health and Nutrition specialty prize of \$2,500. This was a school wide project that included the use of 300 recycled milk and juice cartons from around school. Watch the winning [Special Edition of Webb Street News](#).

Green Student 2018

Congratulation to Scott Handerson for being picked as green student 2018 from Webb Street. Scott has been instrumental in all the school growing programs from starting seeds to caring for mature plants that are selling in the greenhouse. He is a hard worker and loves working in the aquaponics greenhouse maintaining the fish and the lettuce not to mention the school garden that is growing seasonal produce and beautiful daffodils that Scott planted. Scott is one of the school top recyclers and loves to teach others how to recycle.

PTO Corner

Thank you to all who attended the PTO meeting on Tuesday, May 1st. We have some positions open on the PTO and would love to have some new families get involved. Please let us know how you can be more involved and help the PTO grow. You can email us at Webbstreetschoolpto@gmail.com and let us know your thoughts.

This years fashion show was discussed and we agreed to host another fashion show in March of 2019. We are looking for show sponsors for the 2019 show. If you have contacts with a company that would be interested in supporting our school please let us know.

The PTO is going to host a BBQ in the fall of next school year. We need some committee member to help organize this event. Please let us know if you are able to assist with this project.

FUN AT WEBB

UNIQUE - MAY

Elementary -- Life Science- Explores living things.

Middle school -- Life Science - Explores behaviors and structures of living things.

High school -- Life Science- Investigates the process of photosynthesis.

Transition - Restaurant Skills (Community Living) - Focuses on skills needed to eat out at different restaurants.
