

DO-NOW

In your own words, explain what you believe is the meaning of this quote. Do you agree with Dr. Reid? Why or why not?

Turn in your Do-Now when you are finished! 😊

"Student, you do not study to pass the test. You study to prepare for the day when you are the only thing between a patient and the grave."

Mark Reid, MD

Behappyms

WORD SURGERY RACE

Directions:

- You will break up into to teams of 3-4
- Each team will need a textbook, paper, and a pen/pencil
- I will put up a medical term
- With your team, you will perform word surgery on the term
- When you've completed your word surgery, hold up your hand and say "Done!"
- I will come check your word surgery for accuracy
- The first team to accurately complete word surgery on the term wins a point
- The team with the most points at the end of the game will win 10 extra credit points to be added to today's assignment!
