"Inspiring all to develop a growth mindset and the joy of learning in a creative, safe, and inclusive environment."

Principal's Corner:

Points from the Principal

Safety is our number one priority. Please be sure to review the sections that talk about car line safety.

- **Masks:** Please remember that everyone must wear a mask during arrival and dismissal. Thank you for your cooperation. Our young scholars are doing a fantastic job keeping the masks on during their instructional time. It is important to share this message with anyone who will be dropping off or picking up your child(ren) at the Primary Centers.
- **Communication:** We will use various means of communication throughout the school year. Teachers may use their website, social media, email, different apps...this varies by teacher and content area. Plus, you will receive a Weekly Newsletter (like this!) every week. Be sure that your up-to-date contact information is entered into Genesis. You can also follow me on Twitter: @mrkozak111
- **Car Line Safety:** If you are utilizing the car line, please remember that your child should be ready to exit the car on the passenger side. Safety is our top priority. Drive slowly and do not pass other vehicles. Wait for the car line to move in front of you so all cars can exit and the next set of cars can line up. Staff will help to move traffic as needed. Thank you for your cooperation.
 - **WPC Dismissal**
 - Pre-K dismissal runs from 3:00pm-3:15pm. If you are picking up a Kindergarten student on the car line, please wait at the sign (prior to the parking lot) that says "Wait here until 3:15pm" so that we can safely dismiss our Pre-K students and then begin Kindergarten dismissal. The process will work and the line flows when we work as a team! It might take a few extra minutes now, but it moves quickly over the next few days.
 - Please use the sidewalks when walking to/from your car. Do not walk through the car line or across the lawn as this is not demonstrating safe behaviors to our young scholars.
- **Important Dates for Your Calendar:**
 - 9/6-9/7: No School (Labor Day and Rosh Hashanah)
 - 9/16: No School (Yom Kippur)
 - 9/28: Back to School Night-Jefferson Primary Center. Details coming soon.
 - 9/29: Back to School Night-Wilson Primary Center. Details coming soon.
 - 10/18: Single Session Day

Weekly News

"Inspiring all to develop a growth mindset and the joy of learning in a creative, safe, and inclusive environment."

A Sneak Peek into the Classrooms...

- I observed students learning the routines for unpacking in the morning and packing up at the end of the day
- I observed students during Physical Education whereby they were exercising their muscles!
- I observed students using writing paper, launching their Writing Workshop time! I enjoyed hearing the students' stories about their summer.
- I observed smiling, energetic students. This is what it's all about!
- I observed some students as they were introduced to 'The Pledge of Kindness.' They will recite it daily along with the pledge. Next, they will be cutting out their handprints and gluing it to their big class kindness pledge as a promise to always be kind.
- Learning With the Stars: Kindergarten students are starting "Star Names" this week. Each student will get to be a Star student for a day. Teachers interview the students, asking them their favorite color and favorite food. Once everyone is interviewed, they will turn this into a book.

Message from Mrs. Abramov, WPC Library Teacher: *I am Mrs. Abramov, your child's library teacher at Wilson Primary Center. I am excited to be with your child this school year and share my love of books and reading. This week was your child's first day of library class! We talked about what library will be like this school year, library rules, and visiting the Summit Free Public Library. I read a book called A Library Book for Bear. Have your child tell you about the story. Then ask what rule the bear had to follow when in the library (quiet voices) and what the bear loved to read about (pickles).*

IMPORTANT INFO 2021-2022

Click the link above for a list of housekeeping items such as important phone numbers, medical/nurse updates, etc.

Nurse's Corner: Please see the attached handouts: Keep Me Home and COVID-19 Symptoms.

Free School Lunch Program: ALL students can participate in the FREE lunch program. The program will run through the end of the school year. Lunch menus went home with all students and will go home at the end of each month. They are also posted on the Primary Centers webpage at the bottom under lunch. You must notify your child's teacher if they will be ordering.
