Dear Parents/Guardians,

I hope this letter finds you and your loved ones in good health and spirits. I want to thank you for your continued collaboration and diligence in supporting the success of our students. As the unexpected global pandemic continues, it has forced us to think creatively, communicate in unique ways, and has now brought us closer as a school community. I am so proud of the collaboration, hard work, and dedication that has been exhibited by all of you. While we continue to face many challenges due to the COVID-19 pandemic and the civil unrest in this nation, one important fact remains true--the residents of our great city of Newark are resilient and possess the grit necessary to overcome any challenges we face.

On behalf of the staff, we are extremely excited to begin the process of restoring normalcy for our students. I know together we will ensure both remote and in-person learning models for the children are of high quality and are aligned with success for all students. Our staff is committed to ensuring the rest of the year is filled with a variety of learning experiences and new beginnings.
